SIGNIFICANT HEALTH AND SAFETY RISKS (UNUSUAL AND DIFFICULT TO MANAGE ONLY)
 It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement or similar in accordance with the applicable regulatory provisions with the types of work detailed on this drawing, note the following:

This scheme is subject to town planning and all other necessary consents. Dimensions, areas and levels where given are only approximate and subject to site survey. All dimensions are to be checked on site. Any discrepancies or variations are to be reported to the architect before work commences. Figures are to be used for information only and do not govern the drawing. This drawing is to be used for information only and does not constitute an offer or a contract. It is the responsibility of the client to ensure that all relevant consents and/or statutory approvals, documents, notices, regulations or variations are in place and reported to the architect before the start of work.

Magnetic fields does not constitute contract documentation and details of the site will occur. Please refer to the contract and the site of the work. Your use of the content of these drawings at your own risk. Information should always be made to the best copy which is available to the digital format. Any document produced by a contractor shall constitute part of all of the contract documents and shall be subject to the contract documents. The contractor shall be responsible for ensuring that the drawings are used in accordance with the contract documents and shall be liable for any errors or omissions that does not constitute any.
