Subject: FUDAM EALING ROAD

Dear Business license team.

I wish to register an objection to the granting of a liquor and late night entertainment license to Fudam 238a Ealing Road.

As I am sure you are aware we already have three premises that sell alcoholic drinks in our immediate area as well as the Panthers pub and the Balkan bar.

There is a real problem with public drunkenness on our road, this includes public urination in broad daylight when our children are around, leery and threatening behaviour brought in by intoxication and a feeling that some hours it is best not to be out on the street or walk to Ealing Road.

I very much hope that you will listen and support the local residents supplications and decline Fudam,s request because we the residents will have to live with the results of yet another venue that may be looking for profit over social security.

I look forward to hearing from you,

Yours Sincerely
