Dear Sir/Madam.

I am writing to register an objection on behalf of residents of Wembley Central & Alperton to the application for a premises license by Fudam 238a Ealing Road Wembley HA0 4QL. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Granting a license would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police. Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. Just look at the litter, paan/masala spitting open urinating in the area.

Drinkers in the area are already causing nuisance to passers by and the additional license would only create more problems for law abiding residents. They have endured this inconvenience for a best part of 10years. and it is totally unacceptable to expect them to continue to do so.

In view of the above, I would urge the Licensing Authority to refuse the application.
Yours faithfully,
