The Licencing Manager
Brent Council

Dear Sir

The latest licensing application for
Fudam is objected on the following grounds:

- 1.Their previous records and previous history should be looked into again.
2. The location is not suitable as there are residential flats above and opposite the premises occupied by families with children.
- 3.There are religious places like Church and Temple and school nearby.
- 4.As there will be groups of people gathering outside smoking and behaving anti socially, families with ladies, girls and children will be scared and feel uncomfortable to pass by.
5. There will be lots of noise and cause disturbance to the local residents.

I hope you will consider the above points.

Regards
