

Appendix two: Brexit Lead Officer responsibilities

- Ensuring the council has taken all reasonable steps, in line with relevant guidance and messaging coming from Government and its agencies, to prepare for our exit from the EU on 31 October. This should include clear communication to local residents and businesses to support their own preparations for Brexit and a plan for how the council would communicate important messages to stakeholders;
- Ensuring the council has a team in place which is equipped to support the delivery of Brexit, ready for the period around 31 October;
- Overseeing the expenditure of the specific Brexit funding allocated to their council and ensuring it is effectively contributing to local preparations;
- Playing a full part in your Local Resilience Forum to ensure that its plans for No Deal take account of relevant local circumstances and potential impacts on local communities. I will be writing separately to all LRF chairs to set out how I propose to work with them to prepare for Brexit and to ask that they liaise with you to assess relevant impacts;
- Bringing together local public service providers, the voluntary and community sector, community groups and businesses to effectively prepare for the potential local impacts of leaving the EU without a deal;
- Acting as the principal contact point for your regional lead chief executive and central Government; and
- Proactively raising with central Government or your regional chief executive representative any emerging trends, issues and other local intelligence that might assist in No Deal preparations.
