Nuisance Team representation for Temporary Event Notice:

Reference: TEN 1111737, NOTTING HILL CARNIVAL PARTY

Start Date: 26/08/2012

Start Time: 12:00

End Date: 27/08/2012

End Time: 02:00

Applicant: Mr. Luke Allen

Premises: The Shop, 75 CHAMBERLAYNE RD, LONDON, NW10 3ND

Officer: Juhaina Junaid,

Title: Enforcement Officer, *in whose area the premises are situated purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.*

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the approval of the Temporary Event Notice is detrimental to the Licensing Objectives with regards to the prevention of public nuisance.

Case history

There is substantial history of complaints received and evidence obtained by the Council in relation to noise disturbance to local residents due to loud amplified music, noise from customers congregating outside, site being operated beyond licensed hours and DPS (also the applicant of this TENS) not taking appropriate actions to resolve licensing concerns raised by Council Officers. Due to the history and nature of complaints/evidence I have serious concerns over whether the premises is suitably sound proofed for such events which may include live or recorded entertainment and not cause nuisance to local residents.

Recommendation

I recommend the following conditions to be attached to the TENs approval

Prevention of Nuisance

Condition: No live or recorded music shall be played after 1900 hrs. of 26/08/2012.

Condition: The playing of live or recorded music shall not be permitted in or for the benefit of any garden or external area of the building.

Condition: No noise or vibration shall be detectable at any neighbouring noise sensitive premises.

Condition: The external areas will be used for smoking only. Licensed door supervisors are to actively monitor the smoking areas to control the number of patrons using the area and ensure any noise from them do not cause disturbance to local residents.

Yours sincerely
