## Aged 60+ Brent 7-Day New Cases per 100K

83

7DC  
-9.0%

## Aged 60+ Brent New Cases Weekly

49

## Brent Testing 7-Day Rate per 100K

595

## All Ages Brent New Cases Weekly

577

## Brent Number of Cases by Specimen Date

Testing and Positivity rates are unavailable on Tuesdays and Thursdays so the previous day's data is used on these days

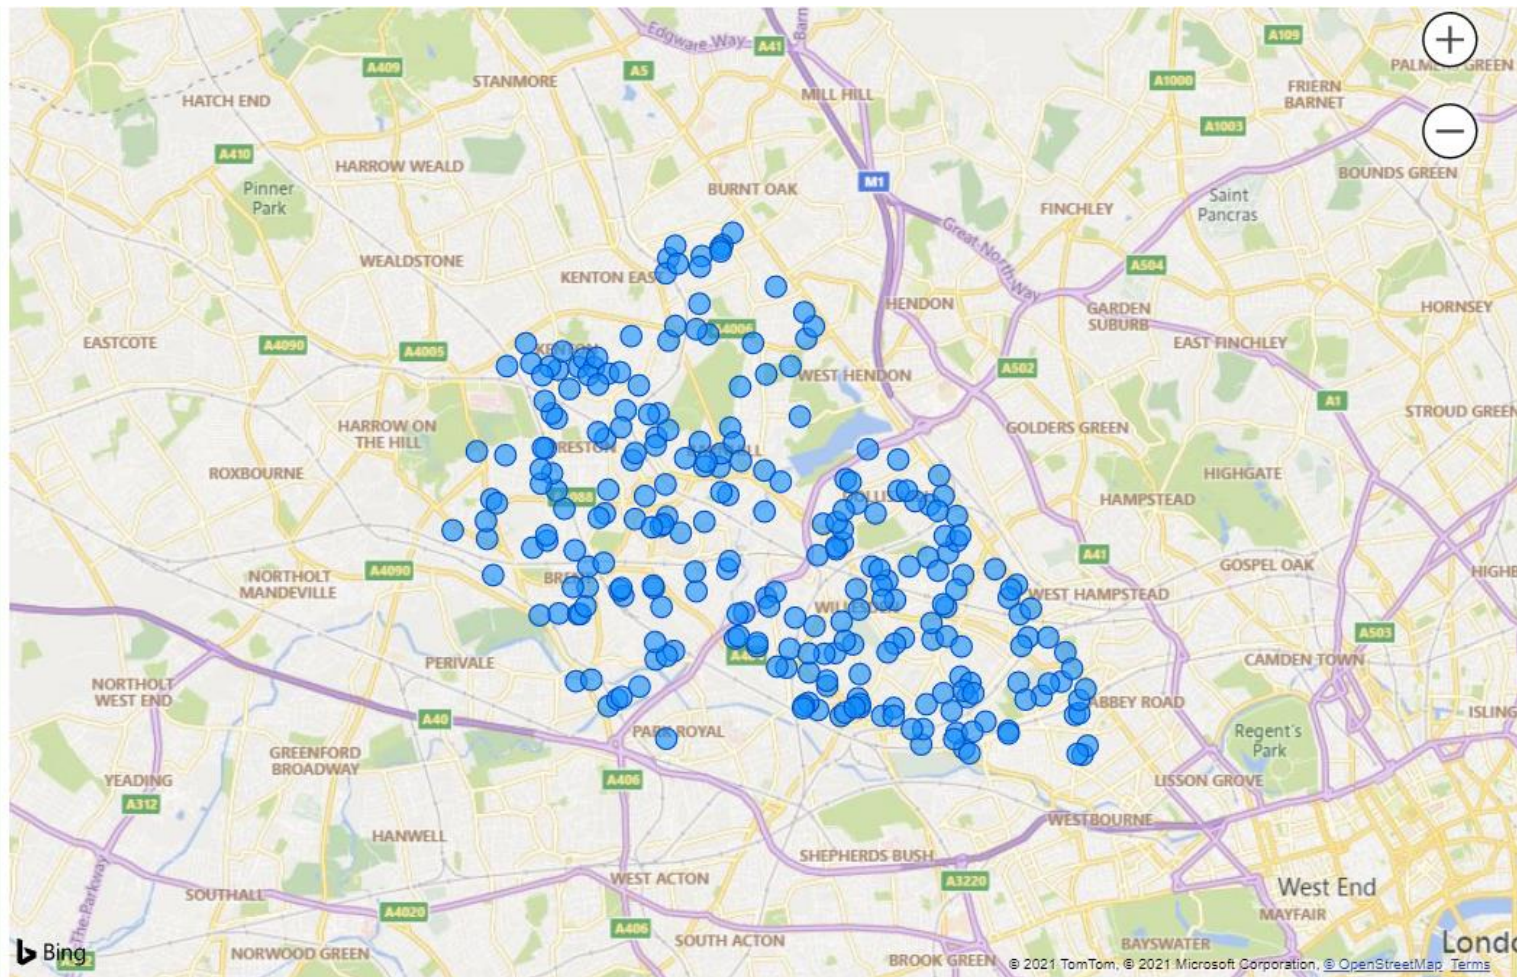

Data are derived from SGSS, HPZone, the cleaned PHE COVID-19 daily linelist shared with Field Services, and the Unified Dataset (for test positivity and testing rates)

Due to the reporting delays for comparison between Local Authorities the most recent 4 days are excluded from the calculations of rates and moving averages.

## Map of new confirmed COVID-19 cases in Brent - w/c 11<sup>th</sup> October 2021

Wards	ID	Postcode	ID
