Department	Index	Reference	2021/22 original saving (£000)	2022/23 original saving (£000)	Savings on track to be delivered (£000)	Slippage on delivery but still achievable (£000)	Description	RAG Status	Comments / Mitigating Actions
Community Wellbeing	2021-23 CWB 001	Reablement	460	120	320	260	Delivering the outcomes of the Newton Europe project, to increase the number of people going through Reablement, create better quality Reablement and clearer pathways, and minimise costs. Make further savings by reducing local authority contributions to rehab (health) element of the service.	Green	£200k of this has already been achieved through no longer contributing to the pooled budget. The remaining £380k will be achieved through improved reablement care practices which should reduce the need for ongoing adult social care packages after reablement care packages have been completed. Currently it is likely that reablement will be delivered in-house, however the implementation timeline has been been delayed.
Community Wellbeing	2021-23 CWB 003	Placement Review	250		250		Continuing robust challenge of individual package costs based on evidence as part of annual placement reviews.	Green	These savings will be achieved throughout the year as care placements are reviewed and fee reductions achieved through re-negotiated fees and step downs in care requirements
Community Wellbeing	2021-23 CWB 004	Deprivation of Liberty Safeguards (DoLS) provision	30		30		Best Interest Assessments (BIAs) could be done internally; cost savings based on options including payment to staff vs external BIAs.	Green	On track to deliver this saving.
Community Wellbeing	2021-23 CWB 005	Community Care recommissioning	750		750		Recommissioning all external day care / homecare provision, restructuring provision into a new, lower cost model and inclusion of Public Health (PH) outcomes into new model of deliver to allow for rebadging of funding from PH grant.	Green	Will be achieved through homecare reprocurement which will be completed by January 2021.
Community Wellbeing	2021-23 CWB 006	Properties to relieve Temporary Accommodation	1,430	560	1,990		Additional properties obtained which reduce demand for Temporary Accommodation.	Green	Savings are on track to be delivered
Community Wellbeing	CWB C2	Salaries Capitalisation	100		100		Capitalising more salaries spend within the Housing Partnerships Service.	Green	Savings are on track to be delivered
Community Wellbeing	CWB C3	Concessionary Fares / Freedom passes	1,000		1,000		Freedom Passes cost the Council £15m per annum and the charge in based on usage over the last two years. A reduction in charges are anticipated as a result of the pandemic. The current estimates from TFL indicate a 2-year benefit of £1m which is the midpoint of the best and worst case scenarios provided by TFL.	Green	Savings are on track to be delivered

Regeneration & Environment	2021-23 R&E 001	General Efficiencies across R&E	215		215		A review of the forecast underspends across the department to identify underspends that are recurring.	Green	On track to deliver this saving, though may be subsumed into a larger extended savings exercise now necessary as part of the medium term financial strategy (MTFS).
Regeneration & Environment	2021-23 R&E 002	Lighting Maintenance	140		140		10% efficiency saving from new lighting maintenance contract	Green	Savings are on track to be delivered
Regeneration & Environment	2021-23 R&E 003	Schemes/Drainage fees	100		100		Increase the level of fees applied to the delivery of large scale funded infrastructure improvement projects	Green	The Highways revenue budget is reliant on TfL LIP (Local Implementation Plan) funding which has been significantly reduced due to severe financial pressures. The ability to increase income from fees now very limited. Covid budget growth has been received to offset the non-delivery of this saving.

Department	Index	Reference	2021/22 original saving (£000)	2022/23 original saving (£000)	Savings on track to be delivered (£000)	Slippage on delivery but still achievable (£000)	Description	RAG Status	Comments / Mitigating Actions
Regeneration & Environment	2021-23 R&E 004	Damage Cost Recovery		50	50		Deploying an officer to more proactively recover the cost of repairs from developers and builders causing damage to the public highway.	Green	Savings are on track to be delivered
Regeneration & Environment	2021-23 R&E 005	Building Control Fees Review	50			50	a) Charge more - increase Building Control (BC) published fees by 10% (up to 15 dwellings) b) more business from in-house	Green	One-off covid growth funding has been allocated for 2021/22 which will cover the slippage of this saving. On track to be achieved in 2022/23.
Regeneration & Environment	2021-23 R&E 006	Brent Transport Services move		150		150	Relocating buses back to Brent from Harrow to reduce operating times and costs	Amber	There is a risk of delay to this saving being achieved due to a delay in appointing a consultant to review the service and identify where savings can be made
Regeneration & Environment	2021-23 R&E 007	Pre-app service; review basic and enhanced offer	5		5		Review fees and charges for 'place making' advice as part of enhanced pre-app service	Green	Still achievable in that fees will increase; however covid impact on volume of work unknown
Regeneration & Environment	2021-23 R&E 009	Apprenticeship levy commercial offer	15	30	45		Offer to businesses on how to use the apprenticeship levy	Green	Alternative savings will be found within R&E. Not achievable in the initially intended form. There are proposals nationally to reform the Apprenticeship Levy. We will await these changes before progressing any proposals.
Regeneration & Environment	2021-23 R&E 011	Facilities Management contract review	70		70		Utilise 12 month contract extension (July 2010 - June 2021) agreement to explore opportunities and impacts linked to savings.	Green	On track to be delivered
Regeneration & Environment	R&E A1	Capitalisation	340		340		Allocating activity to capital projects enabling costs to be transferred from General Fund (GF) to capital	Green	Savings are on track to be delivered
Regeneration & Environment	R&E A2	Brent Transport Service		100		100	A review of the commercial aspects of the service to identify operational efficiencies, particularly with respect to route rationalisation, parking arrangements and on-bus support requirements. This will extend to a joint review with Children and Young People (CYP) of what opportunities there might be to promote and facilitate better take-up of independent travel by pupils.	Amber	There is a risk of delay to this saving being achieved due to a delay in appointing a consultant to review the service and identify where savings can be made

Children & Young People	2021-23 CYP 001	Clawback of unused Direct Payments	25		25		Implementation of card payments for Direct Payment clients means the service will be able to reclaim unused or overpaid funds immediately. For a variety of reasons direct payments may no longer be required by a family for the purposes of supporting their child. At present there is a risk that payments can continue for several months before they are amended. The card system will allow officers to identify overpayments and reclaim these rapidly. CWD Direct Payments value £500k per year. A 5% clawback rate would equal £25K.	Green	Savings on track to be delivered. Regular reviews will be undertaken to identify funds to be clawed back.

Department	Index	Reference	2021/22 original saving (£000)	2022/23 original saving (£000)	Savings on track to be delivered (£000)	Slippage on delivery but still achievable (£000)	Description	RAG Status	Comments / Mitigating Actions
Children & Young People	2021-23 CYP 002	Short Breaks Centre	50			50	It is proposed that existing spare capacity of respite beds/nights at the Ade Adepitan Short Breaks Centre (SBC) will be sold to neighbouring authorities at market rates. The intention is to sell the beds at £730 per night for planned stays and £910 for emergency bookings. Selling the nights will reduce voids at relatively low marginal cost as payments for the management, building and other operational costs are met from within the existing budget.	Amber	Due to the impact of the Covid-19 pandemic there have been fewer children using the facilities. The saving is dependent on neighbouring authorities purchasing beds at the centre.
Children & Young People	2021-23 CYP 003	Adjusting resources in demand led budgets	150			150	The rate of Looked After Children per 10,000 of population is historically low in Brent and the current rate is low when compared to statistical neighbours. Although with expected population growth this number is likely to increase, it should however be in line with the current statistical measure. With the assumption that this low rate continues over the next 18 months a reduction in the budget in line with posts currently being held vacant could be implemented to align resource to demand.	Amber	Saving assumption to be reviewed due to an increase in caseloads in the the LAC & Permanency service.
Children & Young People	2021-23 CYP 004	Review and zero base other service area budgets	100		100		Review and zero base other service area budgets to achieve and accumulate minor savings. Budget analysis to be carried out on non-staff and non-frontline service budgets across CYP. The exercise will concentrate on those budgets which have historically underspent or which represent discretionary spend. For example; 1. The CYP Learning and Development budget is centralised in the SQA service area, and has underspent in recent years. A costed plan could be designed to meet key requirements, such as ensuring Continuous Professional Development for social workers, and deliver a saving.	Green	On track to be delivered
Children & Young People	2021-23 CYP 005	Increased income target for the Gordon Brown Centre	50			50	Increased income target for the Gordon Brown Centre. The Centre has benefitted from recent capital investment, and successful summer trading in 2019 indicates a forecast surplus of £50k against the current net zero budget.	Amber	There has been reduced income due to Covid-19 restrictions which limited the centre's capacity and the activities that it could offer between April and June 2021. For example, there were no residential visits. This led to a significant fall in income. Since June, following the lifting of some restrictions in May, the centre has been able to host residential visits, albeit within some continuing restrictions. With the lifting of nearly all restrictions from 19 July, the centre is now able to operate at full capacity.
Children & Young People	2021-23 CYP 006	10% saving on commissioning	50		50		10% saving on commissioning when contracts become due. The CYP procurement forward plan identifies a number of contracts which are due to go out to tender for new contracts to commence for April 2021, including for Speech and Language Therapy services and Mental Health and Wellbeing services.	Green	On track to be delivered

Children & Young People	CYP A3	Gordon Brown Centre		300	300		An expanded use of the Centre, either supporting families with children at risk of being taken into care or as a residential provision for Looked After Children, would realise either cost avoidance or additional income.	Green	This project is underway. A cross-departmental working group is in place to identify options and plan for the additional provision.
Children & Young People	CYP B1	Integration with health	180		180		Opportunities to deliver more efficient commissioning and service delivery, building on established joint commissioning, have previously been identified with health partners. It is proposed that these opportunities are revisited by Brent Council commissioning and/or directly providing provision on behalf of Brent Clinical Commissioning Group (CCG) to deliver more efficient services and achieve savings.	Amber	CYP Commissioning & Resources team is working with Health and Public Health colleagues to review commissioning approaches with the aim to realise efficiencies.
