Pavement Repairs

This Council calls upon the Executive to undertake to repair all of the pavements across the Borough within the next 12 months, in light of the increasing numbers of residents being admitted to hospital after tripping on poor quality pavements. Brent Council acknowledges that it has a duty of care to its residents, ensuring that the elderly can walk safely without fear of injury, that children can ride their bikes and scooters without being thrown off by rubbish quality pavements.

Brent Council Executive should also commit to opening its transparency, by placing online, the repair schedule for each and every pavement in Brent. The Council commits to ensuring that this schedule is easily accessible, and promoted on the Brent Council social media pages, so that all residents in Brent can hold their elected Council to account, and ensure they are delivering on the works they promised, on time, to schedule, and to budget.
