

LONDON BOROUGH OF BRENT
COUNCIL MEETING – 25TH JUNE 2007

Items Selected by Non-Executive Members under Standing Order 39

- (a) From Councillor Mrs Fernandes

Litter in streets around Claremont and St Gregory schools

Litter in neighbouring streets around Claremont and St Gregory schools is mainly left by schoolchildren at lunchtime purchasing food in the neighbouring shops. They walk back and leave refuse on streets and front gardens. I call on the Executive to implement measures to tackle this problem.

- (b) From Councillor H Patel

Event day parking

The Event Day Parking scheme has operated for 6 football events and 3 concerts. This Council requests an early review of the operation, scope, hours, boundaries, arrangements for religious organisations, family parties, funerals and enforcement procedures. I request a report is presented to the next meeting of the Highways Committee.

- (c) From Councillor Farrell

Welsh Harp

I'm sure the Executive would agree that the Welsh Harp open space is a beautiful park, being a haven for wildlife, a Site of Special Scientific Interest and a popular venue for Brent residents to visit and enjoy. As the number of people using the park increases there is a need for more Park Wardens to protect the site. On behalf of local residents I ask the Executive to commit to increasing the number of Park Wardens thereby ensuring that the area retains its wildlife, is safe for people of all ages and the by-laws are upheld.
