

**Full Council - 29<sup>th</sup> October 2007**

**Motion selected for debate by Councillor Ann John,  
Leader of the Labour Group.**

**Say No to Stonebridge Tower Blocks**

This Council rejects the proposals to build tower blocks in Stonebridge South, which will entail the loss of a line of mature trees in Winchelsea Road and runs counter to the previous administration's aim of knocking down high rise dwellings and replacing them with housing on a more human scale.
