

LONDON BOROUGH OF BRENT

FULL COUNCIL – 21st JANUARY 2008

REPORT FROM THE EXECUTIVE

1. Items to be reported by the Executive

The Leader has given notice that the Executive will report to Council on the following items:

- (i) Police Station review
- (ii) New Library Strategy
- (iii) PCT - mothballing of facilities
- (iv) Rail services to Gatwick
- (v) Post Office closures
- (vi) Preston Manor School expansion

2. Decisions taken by the Executive under the Council's urgency provisions

Under the provisions of rule 38 of the Access to Information Rules in the Constitution, the Executive is required to report to the next Full Council for information on any key decisions taken by them but which did not appear in the Forward Plan.

Housing and Social Care Non HRA PFI Project – Funding of Advanced Works

The above item is to be considered by the Executive on 14th January 2008 when it will be recommended to agree to the Council funding advanced works on sites within the PFI project so that work can proceed and additional costs are avoided.

The decision of the Executive will be reported to Council.

Reason why it was impractical to defer the decision until it could be included on the Forward Plan:

Agreement to funding of the advanced works will allow the works to proceed immediately. Otherwise they would have to wait until after the Executive on

11th February which would delay the work almost a month. There is an addition to the costs of the PFI of approximately £300,000 for each month this decision is delayed.
