Dear Sirs

Re: Town Centre Wardens

We were very distressed to hear that you are considering getting rid of the Town Centre Wardens and replacing them with police. We feel that the police will not be able to do the job as well as the Town Centre Wardens do.

The Town Centre wardens have due to their persistence and continued hard work made Harlesden a nice, cleaner and safer place to work and live. They are very approachable and always act on whatever problem you ask them to solve. We think Harlesden needs that approachability & willingness to help.

We hope you will Reconsider.

Yours faithfully

MARY GREENSITE

Dear Mr. Hobson

Re Town Centre Wardens

We were very distressed to hear that you are considering getting rid of the Town Centre Wardens and replacing them with police. We feel that the police will not be able to do the job as well as the Town Centre Wardens do.

The Town Centre Wardens have, due to their persistence and continued hardwork, made Harlesden a neater, cleaner and safer place to work and live. They are very approachable and always act on whatever problem you ask them to solve. We think Harlesden needs that approachability + willingness to help.

We hope you will Reconsider.

Yours sincerely

MARY GREENSITE

TO: Whose it may concern.

Dear Sir,

We at Serena Chemist
feel that town centre wardens should continue
to patrol in our area rather than the
Police.

The wardens are more approachable and
have built tremendous good will, the Police
we feel should be back-up for the wardens, and
tackle more serious crime of which there is
abundance of in this area.

Yours faithfully,

A handwritten signature in black ink, appearing to be "B. Patel".

19th January 2007

Dear Mr Daniel,

Town Centre Wardens: A Cumberbatch; J. Scantlebury; A. Obyan;
M. McVeigh

On behalf of ABi Associates, I would like to thank your Wembley (named above) and Willesden Green Town Centre wardens, for the assistance they have given us in promoting the 'Enhance Project'.

For your information this project is a Council led initiative, funded by the LDA, and designed to assist the Wembley and Willesden town centre high street retailers through business support, visual merchandising and Shop-front improvement grants.

The wardens have been extremely helpful in introducing the members of the Enhance team to the business managers and owners, and facilitating the uptake of the project through referrals. As a consequence of the support of the wardens, the project has quickly gained momentum and has allowed us to provide the much needed business support to these Brent two town centres.

The Enhance project will run for a further two years post March. During the life-time of the project, we will assist over 600 businesses. We look forward to receiving the continued support and guidance from them and we believe that they doing a great job both in terms of encouraging businesses to access Enhance services and in helping businesses to understand Brent Council's objectives for its business community.

Yours sincerely,

1

Dear Sir,

As a resident of Harlesden, a Business Owner and Representative of the Brazilian /Portuguese Community in the area, I would like to express my great concern about the possibility of us losing The Town Centre Wardens. Their presence and approachability have certainly made Harlesden a nicer, cleaner and safer place to live and work in. They have also worked hard to build important links with the local community and I myself am involved in a business association started by them.

I really hope you can reconsider to keep this important service running for the benefit of all businesses and residents of Harlesden Town Centre.

Thanking you,

Yours sincerely,

Ms. Esther Felipe
