Dear Anthony

BSF – READINESS TO DELIVER

We are writing on behalf of Brent Council in full support of the BSF submission to seek early entry to the programme, and to confirm the commitment given in the letter of 4th March 2008.

Brent notes the requirements set out in the Readiness to Deliver submission illustrated by the Guidance for local Authorities in BSF Waves 4-6 and is committed to meeting them.

We understand that the default model is the Local Education Partnership (LEP), unless otherwise agreed with DCSF and PFS, and we will seek to follow the LEP and only propose an appropriate alternative when it offers value for money.

We also confirm that we are willing to procure an integrated ICT managed service.

Yours sincerely

Gareth Daniel
Chief Executive
