**Decisions called in with regard to –**

**Petition Against the Kingsbury Road Local Safety Scheme**

The decisions taken in respect of the above item at the Highways Committee meeting on the 20<sup>th</sup> January 2009 have been called in. The decisions made at the meeting were as follows:-

**RESOLVED:**

- (i) that the contents of the petition and the issues it raised be noted;
- (ii) that implementation of the modified Local Safety Scheme be agreed and that the petitioner be advised of this; and
- (iii) that the Director of Transportation be authorised to proceed with any necessary statutory consultation, to consider any objections or representations and either to refer objections back to this committee where he thinks appropriate or to implement the order if there are no objections, or he considers the objections or representations are groundless or insignificant.

The specified reasons for the call-in of the decisions are as follows:

- 1. There has been insufficient consultation with local residents;
- 2. There has been insufficient consultation with Fryent ward councillors;
- 3. There has been insufficient consultation with partner agencies especially the Police

The relevant report from the Director of Transportation is attached.
