

Forward Plan Select Committee

Wednesday, 22nd April 2009

Decisions called in with regard to –

North Circular Road Regeneration Area

The decisions taken in respect of the above item at the Executive meeting on the 6th April 2009 have been called in. The decisions made at the meeting were as follows:-

RESOLVED:

- (i) that the outcomes of the consultation on the draft 'vision' document for the North Circular be noted;
- (ii) that approval be given to the 'vision' document for the North Circular Road Regeneration, A New Image for the North Circular: Framework for Change (appendix 1 to the report from the Director of Policy and Regeneration); and
- (iii) that the NCR Regeneration Action Plan (appendix 2 to the Director's report) be endorsed and approval given to proceed with works to further develop the proposals contained within it.

The specified reasons for the call-in of the decisions are as follows:-

- (a) Lack of consultation with local residents and local councillors;
- (b) Lack of commitment to road safety issues;
- (c) There are concerns about the viability and funding of the proposed schemes

The relevant report from the Director of Policy and Regeneration is attached.
