Agenda Item 5

Letters of Support

Supporter NG

I really support this community. This community needs licence for community function.

Supporter KG

Letter in support of Tamu Samaj UK Licensing application To whom it may concern I am writing to register my support of Tamu Samaj UK (TSUK) obtaining an entertainment and alcohol licence at Unit 1, Barham Park Complex. Tamu Samaj UK provide a much needed open and inclusive community resource in the Barham Park neighbourhood for elderly and all park users although especially the mature Nepalese ex-British military community. Prior to the acquisition of Unit 1, many current users used to walk around the park during the day in relative isolation as they many did not speak English confidently or have connections to advocates to access statutory services or people who understood their situation. TSUK supports over 500 members in the community many of whom live within 2kms distance of the centre. This is the first time they have had their own building with the ability to deliver culturally relevant services and intensive help to integrate residents further into the local community. There has been improvement to their social isolation, the general building and its immediate environment and this application has been supported by several local ward councillors across Alperton, Wembley Central and Sudbury. I trust the members of TSUK, who are mainly ex-British military to be responsible in the exercising of their duties under the terms and conditions of the licence. To this end I am in strong support of the licence application.
