2) When decisions to be made

Tuesday 3 December 2013

3) Reason why it is impracticable to defer the decisions until it can be included on the forward plan.

As a consequence of the adverse planning decision an urgent meeting is required to advise Trust members and seek their instructions as to the way forward. It is urgent due to the vulnerability of the buildings which are largely empty and the on going loss of potential revenue.

4) Reason why it is urgent and it is not possible to give five clear days' notice
