2. Masterplan Supplementary Planning Document for Alperton <i>This report seeks approval for public consultation for a Supplementary Planning Document (SPD) for Alperton. Alperton has been identified as a growth area within the adopted Local Development Framework (LDF) Core Strategy. This draft planning guidance for Alperton is being developed in the form of a Masterplan by council officers. In December 2009 the council's Executive approved a vision for Alperton, which was illustrated and published in a prospectus document used to describe the vision to stakeholders and statutory partners.</i>  I have produced the appendix to this report separately in colour for members of the Committee.		5 - 82
3. Wembley Link SPD draft for public consultation This report sets out proposals for part of Wembley High Road linking the main town centre with the new retail development in the stadium that will be adopted as a Supplementary Planning Document (SPD). It is proposed that the draft SPD be approved for public consultation and any representations made on the draft plan will be reported back to Planning Committee for their consideration and Executive for their approval. The SPD will be used as guidance in determining planning applications in the Wembley Link area.		83 - 134

Brent LDF - Draft Joint West London Waste Plan  This report asks Planning Committee to consider the draft West London Waste Plan which is proposed for public consultation and, in particular, to note the sites proposed for allocation for waste management use within Brent. Members are asked to recommend that the Executive agree the draft plan for public consultation.	All Wards;	135 - 218
