This report informs the Committee of a petition seeking the introduction of Pelican crossing on Church Lane outside Fryent Primary School - where a zebra crossing already exists. The petitioners are concerned about the safety of children crossing the road at this location. The report outlines the results of a review of the situation and advises that Transport for London (TfL) set the criteria for, and make decisions on, the introduction of pelican crossings in London and that this location does not meet their criteria for the introduction of a pelican crossing.

**7 Local Implementation Plan (LIP) - TfL capital allocation 2012-2013** 37 - 74

The predominant source of funding for schemes and initiatives to improve transport infrastructure and influence travel patterns in Brent is the annual Local Implementation Plan (LIP) funding allocation from Transport for London (TfL). This report outlines recent procedural changes to the arrangements for making that allocation, provides details of the 2012/13 LIP allocation and scheme programme, as approved by TfL - and seeks approval to implement the schemes and initiatives within that programme.
