6 Harlesden town centre - major scheme project update 17 - 38

At the Highways Committee in March 2012, members approved the preferred option for the scheme in Harlesden Town Centre, subject to further consultation with disability groups on the detailed design. This report sets out the outcomes of further investigations undertaken during the detailed design phase, including an accessibility review and further consultation, audit and accessibility workshops with disability groups. The report also considers the provision of a pedestrian phase at the Station Road/Tubbs Road signalised junction.
