		<p>Condition 9 to read: The total number of people on the premises, including staff and performers to not exceed the set number agreed by the Council's Public Safety Team (which has yet to be determined).</p> <p>Condition 11 to read: The maximum number of persons permitted on the ground floor only shall not exceed 60 including 14 in the front external area and staff as more particularly detailed hatched black on the additional plan.</p> <p>Condition 15 (No form of loudspeaker or other sound amplification equipment shall be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises) to replace condition 8 on the existing premises licence.</p> <p>The Alcohol and Entertainment Licensing Sub-Committee (C) acknowledged that the revised application to add the front external area only to be licensed addressed many of the residents' concerns in their written representations. In addition, the Sub-Committee felt that the conditions already agreed with the police and the Council's public safety officer also addressed the previous concerns raised in the representations. It felt that by amending some of the conditions agreed upon and in allowing 30 minutes 'drinking up' time after all licensable activities had ceased would help the licence premises holder promote the licensing objectives (prevention of public nuisance, prevention of crime and disorder, ensuring public safety and protection of children from harm) and accordingly the application for variation of the premises licence as amended was agreed.</p>

4.	Application by Nuno Rodrigues for a premises licence for 'Grill 4 You' (758 Harrow Road, London, NW10 5LE) pursuant to the provisions of the Licensing Act 2003	The Alcohol and Entertainment Licensing Sub-Committee (C) acknowledged a request from the police for an adjournment due to their non-availability at the hearing and also to allow them to seek further clarification in respect of visits by the Council's licensing officers. In view of these facts, the Sub-Committee felt that it would be reasonable in the public interest to defer the application having regard to Regulation 20 of the Licensing Act 2003 (Hearings) Regulations 2005 and accordingly the matter was adjourned to a date to be confirmed.
