c) Public safety

As Above

d) The prevention of public nuisance

It will be the responsibility of the designated bar person to monitor the amount consumed by members and their guests and advise members of the possible risk to the individuals, Club, Club members and residents. The designated bar person has the right to refuse service and such fact shall be advertised. The bar policies will be on display. Members will also be encouraged to be considerate to the Club, neighbours and respectful of the premises and its surroundings.

e) The protection of children from harm

Alcohol & Drugs Policy
The aims of the Policy are to secure the safety and amenity of residential communities, help to ensure a sustainable environment, to provide regulation of the cultural/entertainment industry and to promote the four Licensing Objectives of the Act. Namely:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

In addition Kilburn Cosmos RFC aims to promote a safe, healthy and responsible environment, free from non-prescription drugs and to ensure that alcohol consumption is only maintained at licensed premises. This drug and alcohol policy applies to all venues where Kilburn Cosmos RFC is represented, and applies to all players representing the club.

Alcohol
Players are not permitted to be under the influence of alcohol during match or training hours.

A licensed premise is one where alcohol is purchased at, and is served under the terms of the alcohol licence granted by Brent Council and is subject to review from time to time as appropriate and in line with Brent Council recommendations.

Kilburn Cosmos will operate a bar at their club premise during matches and other club events (for instance after training sessions). On occasions, the bar may also be made available for other events but will only be provided to members of the club and their guests (e.g. a member's birthday celebration) and at the absolute discretion of the Kilburn Cosmos Management Committee. Bar service will be restricted to those parties listed below.

Whilst alcohol may be consumed outside of those times specified above, excessive consumption of alcohol will not be tolerated under any circumstances and will result in disciplinary action or, for guests of the club, immediate ejection from the club premises.

Alcohol must not be removed from licensed premises for any purpose without authorisation from the person who served the alcohol.

Any spectator must be sure that if consuming alcohol that he/she in no way seeks to participate on behalf of the team. This includes any minor participation including substitute fielding.

Sale supply and consumption of alcoholic liquor.

Persons entitled to purchase and consume alcohol on the Club premises.

Other than Club Members, alcoholic liquor may be supplied by and on behalf of the Club for consumption on or off the premises by all or any of the following persons who may be admitted to the Club Premises:

(a) Visiting members of other Clubs engaged in fixtures against the Club;
(b) The guests of any such visiting members at the Visiting member’s expense;
(c) Official guests of the Club invited to any Club function;
(d) Visiting members of other Rugby Clubs attending Club functions and their Guests at the visiting member’s expense on such occasions.

There shall be no sale supply or consumption of alcohol on behalf of the Club on the Club premises to any person under the age of 18 years.

Kilburn Cosmos Committee will promote a sensible and safe attitude to drinking. The designated bar person for each event will be given the right to:

(a) refuse service to anyone suspected of being under 18 years old. If doubt is cast over the age, photo ID will be the only form of acceptable evidence to prove the individual’s age.
(b) Refuse service to anyone that is excessively drunk.

The designated bar person’s decision is final in all such situations.
The purchase of alcoholic liquor for and supplied by the Club shall be at the absolute discretion of Kilburn Cosmos Rugby Club. All alcoholic liquor in excisable commodities which may be acquired or purchased shall be held on behalf of the members and shall be under the control of Kilburn Cosmos Rugby Club and be supplied only to members subject to payment of such charges as Kilburn Cosmos Rugby Club may from time to time determine after consultation with the Kilburn Cosmos Rugby Club Management Committee. No such articles shall be sent away from the Club premises.

**Drugs**

Players representing the club are not permitted to possess or be under the influence of prohibited drugs. Prohibited drugs include those substances recognised as a drug and/or defined as illegal under UK laws. Any Kilburn Cosmos RFC representative, whether actively playing or not, is not to supply or traffic in prohibited drugs at club venues at any time under any circumstances.

If any player is taking, or may be taking, prescribed or non-prescribed medication with side effects which could affect his/her performance (e.g. drowsiness), he/she must notify his/her captain prior to taking the prescribed drug or commencing duties or play.

Under no circumstances is prescription medicine to be offered to other players. Under no circumstances are prohibited drugs of any kind allowed at premises in which Kilburn Cosmos RFC is fixtured to play at.

**Breaches**

Players representing the club are prohibited from participating in any game, following the consumption of, or whilst under the influence of alcohol or prohibited drugs. Returning to participation under the influence of prohibited drugs or alcohol may result in termination of registration with the Kilburn Cosmos Rugby Club.

The club reserves the right to inform the police should the situation warrant it, if it appears that illegal behaviour is taking place, or if said behaviour is, or may result in, endangering the health and safety of those concerned or others, and those concerned are refusing to take the advice of a representative of the club to cease.

A player who is in possession of or traffics prohibited drugs at any venue where Kilburn Cosmos RFC is fixtured may face disciplinary action, up to and including termination of registration. In instances in which this policy is breached and injury to people, or damage to property occurs, Kilburn Cosmos RFC will not accept liability. All incidents and breaches must be referred to the Kilburn Cosmos RFC committee prior to disciplinary action being undertaken.

**Communication**

Communication of this policy will be displayed on the Kilburn Cosmos Website and prominently in the bar area and will be regularly re-visited by Kilburn Cosmos RFC Management Committee.

Howard,

Further to your email below, I am in receipt of your letter dated 15th November 2013 and would respond as follows:

Relating to our tenancy at will covering Section 3.26. We have agreed with the Nursery that we will purchase all our electricity and water requirements from them paying for the same every six months which we have been doing for the past 2.5 years. We spoke about this the last time that we meet and I explained to you that, bringing in separate utility supplies was very costly against no real security on the premises in terms of a fixed lease. We discussed a fixed term lease. However, these discussions have not moved forward either formally or informally. I have been trying to get a meeting slot with Richard Barrett to discuss this amongst other things as you originally recommended. If you can facilitate this meeting that would be fantastic so we can move this item forward.

With regards to porta- loos, we have been using toilet facilities within the pavilion toilets when open on match days, and as and when we hire the pavilion changing rooms. When the pavilion changing rooms are closed, we use the nursery toilets replacing toilet rolls and paying for the use of water and electricity. We have plans drawn up for new toilets. The advice that we have received is that the space that we hire from Brent, needs to be rebuilt to suit our needs and those of any other sporting organisation. The extension that is used for a kitchen / store room is poorly build and suffers from damp. It is more cost effective to demolish and rebuild. Funding is only open to us if we have a lease of at least 25 years on completion of major building works. As a community club that provides affordable rugby for the residents of Brent, in order to draw funds from the RFU or other organisations we need to have benefit of those facilities and repay the costs over a 25 year period. I’m pleased Brent acknowledge that Kilburn Cosmos provides training, support and being role models to children and young adults, especially those from troubled backgrounds.

In terms of having our own entrance we have not commenced these works as we have an agreement to use the nursery entrance before or after nursery hours. Which we have done so, with no complaints to date as far as I am aware. I say as far as I am aware as no-one from the nursery has complained to me directly or indirectly about toilet use or access.

Since we have been granted a Tenancy at Will, we have got on with our nursery neighbours and have had no issues with them whatsoever, nor they with us. Having said that, I am aware that they have objected to the licence application as they have spoken to me in person. In doing so that is there democratic right, and I understand why they may have done so. I do not necessary agree with their concerns, as they cannot provide any evidence to back up their concerns. I have since spoken to them.

Kilburn Cosmos have made an application for Club Member Premises Certificate to supply alcohol to club members. The licence application is for 12:00 (noon) to 24:00 (midnight) seven days a week. Our off site supplies is to supply alcohol when we have off site events. It is not our intention or club policy to supply alcohol pitch side, nor is it to leave litter behind. At no time has Kilburn Cosmos left any litter behind after matches or training, or have we received any such complaints.

Kilburn Cosmos committee has agreed it is appropriate to supply alcohol club members only over the age of 18 years old as thousands of sports clubs across England and may across Brent. If any member looks under the age of 21 years old then they will have to produce photo identification showing their date of birth proving that they are 18 years old. We do no intend, and have no intention of serving alcohol to any member during junior training sessions to promote alcohol sales or drinking to young children. To say otherwise is just scare mongering and ridiculous, beyond comprehension! Kilburn Cosmos have no record of producing any anti-social or inappropriate behaviour of any kind including noise nuisance to local residents. When we last met in the summer of 2012, you commented and congratulated me that neither you nor any other
department in Brent has received any complaints against Kilburn Cosmos for their behaviour. We have shown since our tenancy at Will was granted, that we have behaved with respect to our neighbours and community at large. There is no evidence to suggest any anti-social or inappropriate behaviour of any kind.

I do not understand your last paragraph at the bottom of page 1. "We are concerned that children who attend any of your events either within the park, or within the premises being exposed to late night alcohol consumption". The question is why would children be attending late night events? All members of society have a responsibility to promote moderate consumption of alcohol to be it to children, young adults and adults themselves.

I have apologised to Brent and I sincerely apologise again for not consulting you first and foremost. This was an error and one which I personally acknowledge and regret. Kilburn Cosmos have no intention of using the premises as a drinking club. Our intention is to and always will be, is to use the premises for Rugby sports related events and social activities. Our current building access and toilet facilities prevent Kilburn Cosmos using the premises during current nursery hours.

Kilburn Cosmos are happy to adopt any reasonable terms within our Tenancy at Will. However, please remember that no complaints have been brought to our attention since we have been granted permission by Brent to use and occupy part of their building at Gladstone Park Community Centre.

I will forward a cheque for the sum of £1,824.96 to you for payment in full for rent due. We would like to pay every 6 months as when the rent demand falls it is our end of season when funds at tar there lowest. Funds are at there highest in October.

If I have missed anything in your letter that needs clarifying. Please do not hesitate to contact me.

Regards

Nigel Green

Dear Paul,
Thank you for the information provided. However this information does nothing to allay our concerns with regards to the application for a Club Premises Certificate, as fundamental points contained within that letter to Nigel Green, dated 15th November 2013 have not been addressed. Nor have other points raised in that letter been addressed and I would have thought that it would be better if the letter that I sent to Nigel was responded to in full to cover all the points raised. I look forward to a full response.

Thanks.

Kind regards

Howard

Hi Estelle,

Please can you add this objection to Kilburn Cosmos and confirm to me it has been added. It's from someone that runs the nursery next door.

Thanks

Susana

Hi Susana,

As requested following our conversation find the concerns and objections against the Kilburn Cosmos RFC club premises license.

Application Name: Kilburn Cosmos RFC
Application Date: 18/10/13

Find Attached Petitions.

I am writing to you to oppose against the hours proposed in the above license application. I run a private nursery within the Gladstone Community Centre during the hours of 8am-5.30pm. The proposed hours of the application are 12pm-midnight in which alcohol will be sold and consumed on the premises whilst the nursery is open for business. During these hours the Kilburn Cosmos RFC would be using the main entrance and centre facilities eg: toilets and carpark area which would be affecting my ability to ensure the children, staff and parents are kept from harm. Also due to the use of our facilities it posses a risk of noise, litter, anti-social behaviour whilst under the influence of alcohol and mainly disturbance of the every day running of the nursery as they have to walk through our main room to access their club room which is joint onto this. In the past we have had a club license in operation from 6pm til midnight and it is on record that local residents continuously complained regarding anti-social behaviour, noise, litter in the park and on the street and disturbance.

I am awaiting your response.

Hi Estelle,
We have no problems for the application times to be amended to suit The Nursery. We are happy with 6pm-midnight during the week days.
I am cc in the club chairman, so he is fully aware of this acceptance.
Kind Regards,

Police Representation to the Application to vary the Premises Licence for ‘Babylon Palace’ 89 Kenton Road, HA3 0AN

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the grant of the application is detrimental to the Council’s Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council’s objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full I would withdraw my representation.

Officer: Nicola McDonald
PC 157QK Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a ‘Responsible Authority’ under the Licensing Act 2003.

The application has been made to vary the premises licence under section 34 of the act.

The Police representations are concerned with crime and disorder and public nuisance.

This premise is currently open to the public until 0200 hours daily. The application is to increase these hours to 0400 hours daily.
Police object to this variation. 0200 hours is a suitable time for a premise in a residential area to close, this was discussed with the applicant when he first applied for the late licence. Complaints have been received by Police in relation to noise nuisance from the venue in the early hours. Police and local authority licensing officers have visited the premises and witnessed breaches of the premises licence conditions, namely conducting licensable activities after the authorised time, no entry after 2330 hours, premises licence not displayed and alcohol in the smoking area after 2300 hours.

The hours requested are excessive and not appropriate for this area.

Yours Sincerely

Nicola McDonald  PC157QK
Licensing Constable   Brent Police

LICENSING CONSULTATION -INTERNAL MEMO

To: Dennis Viechweg

Licensing Team

From: M.L Silva Rosa

Cc: Babylon Palace Limited,
Adam Shober
adam.shober@yahoo.co.uk

Date: 25/07/2013
Premises: 89-91 Kenton Road, Harrow, HA3 0AN
Type of Application: Variation

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance. On behalf of the Nuisance Control Team I would like to make representations to the Variation on the following grounds:

Currently the premises is licensed to remain open to the public until 2am. The applicant had informed me that the purpose of extending the hours to 4 am is for the occasional events during the year including New Year celebration. The applicant should be advised to apply for Temporary Events Licence if this is the case.

If the application is for regular events, then the the proposed operating hours are inappropriate due to the close proximity of residential dwellings.

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise and structure borne noise or vibrations from entertainment.
- noise generated by customers in the semi-enclosed frontage of the premises used as shisha bar.

I would recommend the following alterations/conditions to the operating schedule:

1. The premises closes no later than 2am

2. The applicant should provide evidence that the premises has been constructed to resist the transmission of sound (both airborne and structure borne) to neighbouring residential premises.

Dear Dennis,

We are in the process here in Trading Standards – I am the Lead Officer – of prosecuting Babylon Palace Limited as well as their director, Hamed Noorzada, for not correctly displaying the required health warnings on their Shisha pipes, when supplying them to consumers. They were caught in the act back in December 2012 during a multi agency visit. I am extremely confident that we will secure a criminal conviction against both defendants. The offences are under the Consumer Protection Act 1987.

Our objection is linked to the objective **Prevention of Crime and Disorder**. The premises have not been correctly complying with the labelling requirements as specified in regulation 14 (1) of the Tobacco Products (Manufacture, Presentation and Sale) (Safety) Regulations 2002. Through this contravention there is also a possible argument that the business are not meeting the objective of **Public Safety**.

I will of course update you as and when the prosecution is completed, but in the mean time if you require any further information then do not hesitate to contact me.

Regards,

Jon

NOTES FOR GUIDANCE

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.

3. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

4. For example (but not exclusively), where the activity will occur on additional days during the summer months.

5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

6. Please give timings in 24 hours clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.

7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.

8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines

9. Please list here steps you will take to promote all four licensing objectives together.

10. The application form must be signed.

11. An applicant’s agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.

12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.

13. This is the address which we shall use to correspond with you about this application.

Police representation to the application to vary the Premises Licence for ‘Honeypot Public House’ Honeypot Lane, HA7 1EF

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the grant of the application is detrimental to the Council’s Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council’s objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full I would withdraw my representation.

Officer: Nicola McDonald
PC 157QK Licensing Constable
An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a ‘Responsible Authority’ under the Licensing Act 2003.

The application has been made to vary the premises licence under section 34 of the act.

The Police representations are primarily concerned with crime and disorder.

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.
Drinking Up Time
The application does not allow for a drinking up time, customers can be supplied alcohol at 0155 hours and required to leave the premises as they close to the public five minutes later. This would be irresponsible and unworkable. Police suggest supply of alcohol cease at 0030 hours and close to the public at 0100 hours Sunday to Thursday and supply of alcohol cease at 0130 hours and premises close to the public at 0200 hours on Friday and Saturdays.

Personal Licence Holder
The sale of alcohol to drunken people and children is a major cause of concern to police and highlighted in the Government's Alcohol Harm Reduction Strategy. Those who sell alcohol should be fully aware of the legislation and issues around alcohol and should be fully trained to a national standard.

Open Containers & Areas for Consumption of Alcohol
Customers will not be permitted to take open containers outside the premises, as defined in the plan submitted with the operating schedule and approved by Responsible Authorities. The consumption of alcohol will be restricted to those parts of the premises identified on the plan submitted with the operating schedule and approved by the licensing authority.

Closed Circuit Television (CCTV)
Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.
Closed circuit television cameras and recorders of an agreed image standard will be installed at locations on the premises and in accordance with advice from the Police. All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Capacity Limit for Premises
Proper control of the numbers of people in the premises is essential to prevent overcrowding and the risk of disorder. It is impossible to conduct any meaningful risk assessment, without knowing the maximum number of people that may be safely accommodated at any one time. There must also be adequate facilities to monitor and control the number of people present. The capacity limit will be set by Officers from the Local Authority.

Operating Hours to be displayed on Premises
A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item.
Likewise the name of the Designated Premises Supervisor (D.P.S.) if required should be similarly displayed.
This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol. A Summary of the Premises Licence will be displayed at the public entrance to the premises.

The Conditions Police require to be removed from the current premises licence are Numbers 9, 3, 6 and 7.

The conditions that Police require to be added to the Premises Licence are listed below:
CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council.

CCTV cameras shall be installed to cover the public entrances of the premises and external areas.

Door supervisors shall wear clothing that can be clearly and easily identified on CCTV.

Customers will not take open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

Customers carrying open or sealed bottles or glasses shall not be admitted to the premises.

A “Challenge 21” policy shall be adopted and adhered to.

A sign stating “No proof of age – No sale” shall be displayed at the point of sale.

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

(a) all crimes reported to the venue
(b) all ejections of patrons
(c) any complaints received
(d) any incidents of disorder
(e) all seizures of drugs or offensive weapons
(f) any faults in the CCTV system or searching equipment or scanning equipment
(g) any refusal of the sale of alcohol
(h) any visit by a relevant authority or emergency service.

No alcohol shall be available for any customer when the premises are open primarily for use by persons under the age of 18.
