Agenda Item No	Topic	Decision
1.	Declarations of personal and prejudicial interests	Councillor Hector informed the Sub-Committee that she lived in the vicinity of the premises and has also visited the premises in relation to items two and three on the agenda recently. However, she did not know, nor had spoken to, the applicant and so did not consider that she had a prejudicial interest and remained present to discuss and consider these items.

In view of these considerations, the application for a Temporary Event Notice was accordingly refused.</p> <p>The Sub-Committee also issued an informative to the applicant that the World Cup period would present them with the opportunity to show that they can manage their premises during busy periods, and in addition to the changes made to the premises, that they can address the licensing objectives more effectively.</p>
