Date 11th December 2014

Police Representation to the application for a Premises Licence for 'LADAN GENERAL TRADING' 216 Church Road, London, NW10 9NP

I certify that I have considered the application shown above and I wish to make **representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

Officer: Nicola McDonald
PC 157QK Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act. The Police representations are primarily concerned with crime and disorder and public nuisance.

The area in which this premise is situated is volatile and has gang and drug related crime. I had hoped before the end of the consultation period to have made contact with the three applicants and have an opportunity to visit the premise to make a visual assessment and ascertain how the premises will be managed in line with the licensing objectives. The operating schedule contained in the application states 'there will be systems and procedures in place to ensure that public safety, crime & disorder, hygiene, good restaurant and food practices will be carried out preventing public nuisance and protecting children's will also be carried out keenly'. This is a broad scope and I would like more information before making any decision as to what conditions are required to be added to this licence if any, I did initially have email contact with one of the applicants Mr Mohsin Aziz and it has become apparent that at present the correct planning approval has not been sort to operate the premises as a take away restaurant. It is essential I meet with all of the applicants so they understand the various legislation involved in operating the business and recognise the risks and responsibilities of managing a late night licensed premise.

I have this evening received a voice mail from Mr Aziz and I will endeavour to contact him tomorrow.
Police will make every effort to resolve these issues and negate the necessity for a hearing for this application.

Yours Sincerely

Nicola McDonald PC157QK
Licensing Constable

Please state the ground(s) for review (please read guidance note 1)

The premises licence for Masters has been reviewed previously in July 2013 by means of an expedited review, just eight months prior to the most recent assault.

Since the previous review when the licensing hours were reduced the management has continued to fail to uphold the licensing objectives of the prevention of crime and disorder and public safety.

The following breaches of licensing legislation and criminal offences that have been committed at the premises:

Assault occasioning actual bodily harm

Conducting licensable activities without authority: The premises were open to the public and supplying alcohol after 0100 hours on 29th March 2014. The premises were supplying alcohol on 29th March 2014 whilst CCTV was not recording (breach of premises licence condition).

The designated premises supervisor recognised that the CCTV was not operating correctly but failed to take action and still authorised sales for several different days.

The designated supervisor failed to complete the door supervisor's log, but allowed the door supervisors to complete the log themselves. He did not challenge or supervise the dates, times or Security industry authority badge numbers entered on that log. This lack of supervision has permitted incorrect if not fraudulent entries.

The designated premises supervisor has been employing a door supervisor directly without a Non Front Line Licence from the Security Industry contrary to the Private Security Act 2001.

Despite the previous premises licence review the management have failed to step up their performance, nothing has changed. In order to maintain their business it would appear that the management have been opening the premises to the public without authority and neglecting

their duty to public safety and as a result crime as occurred. By failing to maintain the CCTV, or make it available for authorities to view, Police believe the assault could be denied by management.

The operators of this venue have been given advice on numerous occasions and the opportunity to improve missed. Police now consider the only option to secure the promotion of the licensing objectives is to revoke the premises licence.

Please provide as much information as possible to support the application (please read guidance note 2)

12th June 2013

Brent Police Licensing make an application for an expedited review of the premises licence for Master in response to a serious assault

9th July 2013

Licensing sub committee hearing for the review application, resulted in premises having to stop licensable activities at 0100 and close to the public at 0130 hours, in addition there are some new operational conditions.

7th March 2014

Temporary Event Notice (TEN) logged with Brent licensing authority for an event described as 'Masters Anniversary Party'. Notice made by Mr Louriston Lorainey, the designated premises supervisor (DPS), for licensable activities (sale of alcohol, regulated entertainment, late night refreshment) at the premises on 30th March 2014 from 2100 hours to 31st March 2014 at 0300 hours.

This TEN was responded to by a formal **letter of representation** written by Nick Mortimer Brent Police. Mr Mortimer requested to see an event plan for the functions and that if the function were to be permitted the venue operate in accordance with the existing premises licence conditions.

10th March 2014

An email received from Josie White on behalf of Mr Lorainey agreeing to Mr Mortimer's representation requests and it also included a copy of the event plan/**risk assessment**. In reply to this Mr Mortimer withdrew his representations.

29th March 2014

CRIS 1907475/14

Allegation of assault and robbery made to Police, initially to Herts Police at Watford Hospital at 0400 hours and then in person to at Harrow Police Station (Met Police) at 2000 hours on the same day. Victim alleged he had entered Masters Bar Kenton Road at about 0300 hours on 29th March 2014 with a friend. He paid to enter the premises. Within a short time of been in the bar he was set upon by another male who assaulted him and stole his mobile phone and money. The victim managed to get out of the bar, the assault continued outside. The victim managed to get away to his car and get to hospital.

1st April 2014

PC McDonald e mailed Mr Lorainey. The allegation of assault was made to him and a copy of the CCTV from the premises at the time of the assault was requested. PC McDonald received an **email** back from Mr Lorainey saying he was out of the country until 3rd April.

4th April 2014

Telephone conversation between PC McDonald and Mr Lorainey. Mr Lorainey informed PC McDonald that the CCTV was not operating on 29th March 2014, that the hard drive was not recording correctly. **Email** detailing the conversation made during the phone call.

PC McDonald sent a **formal letter** to Mr Lorainey and his bar manager Mr Kelvin Piper appealing for clarification of the date of the TEN, to examine the SIA door supervisor log and the incident book. Police requested a meeting with both males.

9th April 2014

At 1200 hours PC McDonald and Mr Mortimer attended Masters Bar while the premises were closed to the public. At the meeting was Mr Lorainey, Mr Piper and Ms White. I asked if the TEN was on 29th March. Mr Piper said no, that the TEN was definitely on 30th March 2014. Mr Piper said the premises were closed at 0300 hours when the victim alleged the assault had taken place. I asked was there anyone in the premises at 0300 hours. He said he was still at the venue with a DJ 'Ed Master' and two door security officers, one of them was Wayne. Police explained on 29th March the venue should have been closed to the public at 0130 hours and asked why door supervisors were still on the premises at 0300 hours when they would not be

getting paid. Mr Piper said he was cleaning the music equipment and that he gives lifts to the door supervisors. Police asked if there was any customers still on the premises at 0130 hours on 29th March, Mr Piper replied there was about five girls waiting for a cab. Police then spoke about the failure of the CCTV. Mr Lorainey told Police he knew it was not working on the Tuesday before that weekend. PC McDonald then explained to permit licensable activity otherwise than with authority was an offence and conditions of the premises licence are to be adhered to. Police explained that the victim of the assault had specifically stated a female security officer had taken the money from them when entering Masters, and the same female had said to the assailant 'leave him now, that's enough', when he was still being attacked on the pavement outside the bar.

Police asked to see the SIA door supervisor log (see photos NM/1 & NM/2). Mr Lorainey informed Police upon request, the security officers complete the log There is no entry i.e. no door supervisors working on the night of the TEN (29-30th). However there are two door supervisors working on the night of the assault (28-29th). One is female logged as Kay and the other D Berhane both shown as working for Evoke Security. Disappointingly the door supervisor log has been over written on numerous occasions including this particular date. The two door supervisors are shown as booking on duty at 2100 hours 28th March and booking off duty 0300 hours 29th March. This is very doubtful when the premises close to the public at 0100 hours. Police do not know of any premises that retain the door supervisors for work when the venue is closed to the public. Mr Piper confirmed Kay is a female and her surname is ~~Kalpna Gokulara~~, and the second supervisor is Daniel Berhane The manager of Evoke security is called James Noel and his business phone number was provided.

The toilet check log (NM/3) again clearly shows checks on the night of the assault but no checks carried out on the night of the TEN.

Refusals book (NM/4) show no refusals on either night.

Mr Lorainey was advised Police would be viewing other CCTV recordings in the area to establish the correct events, and that if his CCTV system had been operating correctly the allegation could have been disputed immediately.

15th April 2014

No local authority CCTV footage available for outside Masters, 29th March 2014

PC McDonald visited Kenton Kebab 130 Kenton Road and viewed the CCTV footage. The footage showed around 0200 hours the victim wearing white trainers and light coloured top and his friend *in the shop* and then leave.

16th April 2014

PC McDonald visited Peaches Bar Kenton Road. Staff assisted by showing the CCTV footage of the entrance door of the bar. At 0054 hours on 29th March 2014 the victim entered Peaches, he provided his driving licence as identification that was logged in to the IDSCAN system. He remained in Peaches until 0152 hours. When he left Peaches he crossed over Kenton Road towards Kenton Kebab. The victim was the same male that PC McDonald had seen on the CCTV footage from Kenton Kebab.

19th April 2014

PC McDonald telephoned the mobile number given by Mr Piper for the female door supervisor Kalpna Gokulara. She had a young child with her and said it was difficult to speak. PC McDonald explained that Police required a statement from her with regard to the assault at Masters on 29th March 2014. She said she would phone back with a suitable date/time.

30th April 2014

PC McDonald phoned the office number for Evoke Security. PC McDonald spoke to a receptionist for the building named Shinelle. Both directors of Evoke security were in meetings and a message was left for one of them to return the call. There was no direct email address for either of the directors.

At 1153 hours PC McDonald phoned Kalpna Gokulara and left a voicemail re a suitable date to provide the statement.

1300 hours Mr James Noel from Evoke security phoned PC McDonald. He informed Police that only Daniel Berhane works for Evoke security. Kalpna Gokulara is not employed by Evoke security. PC McDonald requested the invoices for 28th and 29th March 2014 for

Masters from Mr Noel

1st May 2014

PC McDonald left another voice mail for Kalpana Gokulara request a return call to discuss a date and time to take the statement.

6th May 2014

PC McDonald phoned Mr Noel of Evoke security and requested the invoices from 28th and 29th March.

9th May 2014-07-01 Mr Noel telephoned PC McDonald and confirmed a second time that Kalpana Gokulara does not work for him. PC McDonald again asked for staff invoices for Masters 28th and 29th March 2014. Mr Noel said he would send them, E mail address given.

CIV 71034 M O'SULLIVAN

PRIMARY INVESTIGATION DETAILS : 1 Immediate action
This crime report has been authorised by A/PS Gamblin 454QA.

1) 1924 of 29th March 2014 Refers.

2) The victim was on a night out at the venue with a friend .
victim had just come out of Peaches nightclub and was walking along the high street with his friend,
when he saw the venue open, so they decided to go in.

The victim paid the fee for both his friend and himself. They went up to the bar and before he ordered a drink, he looked to the left and saw a group of 3 Males. As soon as SUSP1 saw the victim he came over to him. The suspect said "I know you from somewhere". The suspect then called the victim some name. The victim said "that's not my name". Then for no apparent reason the suspect started punching and kicking the victim. The rest of the group came over and started punching and kicking the victim as well.

The group were all hitting the victim, victim was trying to pull away from them. Then SUSP1 put his hand into the victims trouser pocket and took the victims mobile phone. As this was going on, the suspect kept putting his hands into the victims pocket and taking out various items. The suspect took the victims bunch of keys, his bank card, his photo card driving licence and approx £100.00.

The victim tried to fend the suspects off and tried to get away, but the suspects stopped the victim at the door of the nightclub and were still punching and hitting the victim. The bouncers and members of the public tried to stop the fight, but the suspects carried on.

The victim ran towards the bus stop, where the suspects stopped him again

29/03/2014 21:26

CIV 71034 M O'SULLIVAN

PRIMARY INVESTIGATION DETAILS : 1 Immediate action
and were banging his head against the glass several times and carried on hitting him. The glass did not
break but the victim says his blood was everywhre.

The victim managed to get away again and ran towards the railings across the road, where the suspects
caught up with him and carried on beating the victim up.

The victim managed to get away and ran to his car, he got in and drove off leaving his friend in the
club. The victim has not spoken to his friend since the incident, but does not believe his friend will
want to make a statement or be involved.

The victim believes that the suspect thought that the victim was someone else and it was a case of
mistaken identity, however the suspect still carried on.

The victim drove straight to the hospital and encountered Police whilst he was there. The Police called
for another unit to come in to take a statement from the victim.

The victim was seen by a doctor who treated his injuries and did a medical report and have told the
victim that he will need an operation during the week, on his nose.

As the victim was waiting to be treated, Herts Police arrived and spoke to the victim. Apparently they
took a note of the incident, but told the victim that they could not do anything, and that the victim
would need to come to a Met Police station to report the incident. Apparently the officers told the
victim that they knew the suspect and that he was well know to Police.

The victim was released from the hospital at approx 11.20hrs this morning.
And went home and slept.

Victim called Police when he woke up and asked what was happening.

Reference the assault that occurred on 29th March 2014

Dear Mr Loraine

Thanks you for telephone conversation this morning.

In response to what you told me I have examined both the Crime report allegation of assault and the Temporary event notice (TEN) you submitted.

I am slightly confused what night your TEN was held. Can you please clarify; was it Saturday (29th) night in to Sunday (30th) morning or Sunday (30th) night in to Monday (31st) morning.

As the CCTV footage is not available could you provide the SIA door supervisor log and incident book for the **whole** weekend activities at Master's. I am happy to collect at a suitable time for yourself.

I have also forwarded this letter to Piper who you mentioned was managing the venue in your absence.

I look forward to a prompt response so this matter can be dealt with and not jeopardise any other applications you make.

Yours faithfully
Nicola McDonald

NOTES

General

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the “premises user”) may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person (the “premises user”) may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 14 below explains the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

a copy of the temporary event notice endorsed as acknowledged by the licensing authority is prominently displayed at the premises; or that

the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where the temporary event notice or a notice specifying the nominated person is displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing the sale of alcohol to children under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing disorderly behaviour on the premises (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- the sale of alcohol to a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- obtaining alcohol for a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (maximum fine on conviction is a fine up to level 1 on the standard scale, currently £200); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed “premises user”. Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, “premises” means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;
- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers’ market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;
- (g) a performance of dance;
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

Regulated entertainment also includes the provision of “entertainment facilities” for:

- (a) making music;
- (b) dancing; and
- (c) entertainment of a similar description to that falling within (a) or (b).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Note 7

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 5 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

Note 8

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours (seven days).

Note 9

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 10

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 does not just include the audience, spectators or consumers and includes, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 11

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 12

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 13

As stated under Note 12, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 5 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1 January to 31 December inclusive in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices (12 for each premises, 21 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year, however, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 14 below sets out the definition of an "associate".

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user himself. Note 14 below sets out the definition of an "associate".

Note 14

An "associate" of the proposed premises user is:

- a. the spouse of that person;
- b. a child, parent, grandchild, grandparent, brother or sister of that person;
- c. an agent or employee of that person; or
- d. the spouse of a person within (b) or (c).

For these purposes, a person living with another as that person's husband or wife is to be treated as that person's spouse.

These provisions will be subject to amendment by the Civil Partnerships Act. These amendments are due to take effect from 5th December 2005.

Note 15

It is a requirement that you send at least one copy of this notice to the licensing authority at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. The authority will give you written acknowledgement of the receipt of the notice. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to each of the chief officer of police and the local authority exercising environmental health functions for the area in which the premises is situated at least ten working days for a standard notice (or five working days for a late notice) before the commencement of the proposed licensable activities. Where the premises are situated in two police areas or environmental health areas, a further copy will need to be sent to the second police force and local authority exercising environmental health functions.

Note 16

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 17

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement). To do so could result in prosecution and a fine not exceeding level 5 on the standard scale.

Note 18

You should not complete section 10 of the notice, which is for use by the licensing authority. It may complete this section as one means of giving you written acknowledgement of the receipt of the notice.

Dear Sirs,

RE: BAR 07 (MASTERS), 217 KENTON ROAD, KENTON, HA3 0HD- REVIEW OF PREMISES LICENCE (201354)

We are instructed by the licence holders of the premises at 217 Kenton Road, Kenton, HA3 0HD (premises licence No: 201354) ("the Licence"). We acknowledge receipt of your letter dated 12 November 2014 advising that a review of the Licence is to be heard on Thursday 24 November 2014.

Whilst your letter states that 24 November 2014 is a Thursday, it is in fact a Monday. Form LAR1 enclosed with your letter however refers to 24 November 2014 as being a Monday. For the avoidance of doubt we would therefore ask you to confirm the date of the proposed review hearing.

If (as we assume), a review hearing is intended to take place on Monday 24 November 2014, you have provided insufficient notice of the hearing. Regulation 6(4) of The Licensing Act 2003 (Hearings) Regulations 2005 requires you to give at least 10 working days' notice of such a hearing and it therefore cannot take place on Monday 24 November 2014.

Irrespective of the above, the Licensing Authority received the application for the review of the Licence from the Metropolitan Police on 16 July 2014. This meant that the 28 day statutory consultation period for representations began on 17 July 2014 and ended on 14 August 2014.

property services • personal matters • business affairs

As you will be aware Regulation 5 of the Licensing Act 2003 (Hearings) Regulations 2005 states that a review application such as this must be heard within 20 working days of the end of the period prescribed for representations to be made. The last day to hear the application to review the Licence was accordingly 12 September 2014 (20th working day after 14 August 2014) and the application to review the Licence must therefore be dismissed.

We ask you to confirm in writing by 4pm on **Wednesday 19 November 2014** that the application to review the Licence dated 16 July 2014 has been dismissed and that a hearing before the Licensing Sub-Committee shall not be required. In the event that we do not hear from you by this deadline it will be necessary to instruct counsel and prepare for the review hearing. If so we confirm it would be our clients' intention to seek to recover all costs incurred as a result and that they would intend to produce this letter when the question of costs is considered.

Yours faithfully,

This statement (consisting of 2 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

This is my account of when I was robbed of an iPhone, my car keys, driving licence and bank card in the early hours of Saturday 29th March 2014.

The main suspect I will be mentioning I will refer to as Male 1. I would describe him as a [REDACTED] build with cropped hair. He was about [REDACTED] of age. At the time I was robbed he was wearing a blue t-shirt. [REDACTED]

At about 0230 hours in the morning I went with a friend to a bar on Kenton Road in Harrow. The pub was called Masters and it was nextdoor to Pink Simba. I paid an entrance fee of £20.00 for me and my friend to get in. Masters pub was relatively quiet, and I saw a group of black males sitting in the back corner from the entrance. I heard Male 1 say, "There he is!" He was about 6 feet away from me and I heard him clearly because the pub was quite dead.

Male 1 then walked immediately up to me and said, "I recognise you..." I said to him, "I think you've got the wrong person." From here, Male 1 punched me several times with clenched fists in my face, my nose, my legs and my arms. I fell to the floor because of the punches. I can't recall how many times he hit me but it was a lot.

When I was on the floor trying to get up, Male 1 had his hands in my jeans pocket and I felt him take my iPhone from inside. He also took my mini wallet containing my bank card and driving licence. My bank card was a [REDACTED] Debit Card in my name which I've since cancelled. I also felt him reaching into my jeans pocket and take my car keys and house keys, and also about £50 to £100 cash which was in my left and right front pockets of my jeans.

The mobile phone I had stolen was iPhone 4s mobile number [REDACTED] This was a contracted phone with T-Mobile and has now been blocked.

After Male 1 had stolen my things, I managed to get out of the door and Male 1 came outside and again continued to punch me and bang my head into a bus stop immediately outside Masters. I then managed to get across the road and again I was punched by Male 1 across the road near some railings.

Continuation of Statement of: Kazim Hussain SHAH

I drove myself to Watford General Hospital where I had my injuries to my face treated. They told me my nose had been broken and I am now being sent to a clinic to have my face reviewed in greater detail.

I have never seen Male 1 before and I believe it to be mistaken identity for the attack and stolen property which has taken place. I am absolutely positive I would recognise Male 1 again. I do not know the rest of the group who were present when I was assaulted either, and although they didn't take part in beating me or stealing my property they were present throughout the whole incident. I was not under the influence of drugs or alcohol at the time of the incident.

I would like to describe the clothing I was wearing at the time I was attacked. I was wearing grey jeans, white Timberland boots and a white and blue zip up jacket.

On FM Saturday 29th MARCH 2014 at about 0200 hours I left PEACHES BAR in KENTON ROAD HARROW. I had been at that bar with my friend for about one hour with my friend. I had purchased one alcoholic drink at Peaches. I was drinking soft drinks the remainder of the night because I was driving my van. When my friend and I left Peaches we crossed the main road and went to my van, then we decided to get some food. We went to a nearby take away. We then saw a nearby club was open. There was a female mix race door supervisor with a London accent and long hair. She was calling 'the club was open come on in, ~~them~~ like they were touting for business. Me and my friend decided to continue our night out. I gave the

female door supervisor #20 for me and my friend. There was music playing, I was in a group of people in front of me and behind when I entered. The majority of the customers were black, both men and women. There was loud R + B style music playing. The club was very small. I walked to the bar and a female working on the bar asked me what I would like. I ordered two drinks for me and my friend. I never received my drink because and just as I was putting my drink to my mouth I noticed about ten black guys that had been near the window coming towards me. One of them said 'I recognise you' like he was on it and I said 'I think you've got the wrong person'. That male then punched me in the face. Then other people in the club started punching, kicking me. I had property stolen from my pockets. I was bleeding my head pounding. I was laid on the floor. Somehow I managed to get to the entrance door. I was chased out in to the street. There was a phone box in the street outside. I was surrounded in the bus stop, my head was banged on the metal frame. The male kicking and hitting me was sweating and
