PROTECTIVE MARKING

4. Details of association of the above premises with serious crime, serious disorder or both  
(Please read guidance note 2)

The venue has been subject to a number of serious crimes in the last couple of months. On 30th March 2015 there was an altercation at the venue between the DPS and a male representing the premises Licence Holder which resulted in the male being stabbed by an unknown male linked to the DPS. The victim is in a life threatening condition, two suspects have been arrested for attempted murder one of which is the current DPS, there are still two outstanding suspects linked to the premise for this offence. Police have worked tirelessly with the DPS trying to assist in improving the venue and working within the existing conditions which were originally put in place for a restaurant with the odd late night banqueting event. Police have had almost weekly meetings at the venue and then on 27/2/15 were placed on an action plan following an extremely serious GBH. Police believe that the venue has lost all control and is high likely to continue to be a source of serious crime and disorder if it is allowed to remain open. The premise licence holders during this time have shown little to no interest and have not assisted or made any contact with Police with regards to any correspondence. I reserve the right to produce evidence which amplifies the grounds for review which may take place at, or in the vicinity of the premise between the service of this application and the hearing and/or during the time allowed for any appeal proceedings.

Notes for guidance

- 1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both. Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:
- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.
Serious disorder is not defined in legislation, and so bears its ordinary English meaning.
2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

I hereby certify that in my opinion the premises described below are associated with:

both serious crime and serious disorder

Premises (include business name and address and any other relevant identifying details):

Alisan  
1 The Junction  
Engineers Way  
Wembley  
HA9 0EG

Premises licence number (if known): 247178

Name of premises supervisor (if known): Akbar LAKHANI

I am a Superintendent<sup>1</sup> in the Metropolitan Police Service.

<sup>1</sup>Insert rank of officer giving the certificate, which **must be** superintendent or above.

I am giving this certificate because I am on the opinion that other procedures under the Licensing Act are inappropriate in this case because<sup>2</sup>:

The premises was the venue of a serious assault where a male was stabbed by a member of staff on 30/3/15, this is the sixth serious incident within 3 months, including a serious GBH behind the bar and another incident with a customer brandishing a firearm. There have been numerous incidents of breaches to the licensing conditions which have had a direct effect on the crime and disorder in and around the venue.

Other procedures have been considered but do not address the long term issue. A standard review could take months to reach a conclusion especially if taken to appeal.

Taking into consideration the gravity of this incident, the recent track record of the premises and the failure of the management to deal appropriately this matter is not felt suitable for a standard review. It is important that immediate steps are put into place now to prevent more serious crime.

As a result of this extremely serious incident, police have lost all faith in the management of this venue. Police believe that the immediate suspension of the premises licence is necessary to prevent any further incidents at the venue.

This is deemed an appropriate and proportionate measure in view of the above evidence and to reduce any further threat to public safety and prevent further crime and disorder.

<sup>2</sup>Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

**This application to review relates to the following licensing objective(s)**

Please tick one or more boxes

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance
- 4) the protection of children from harm

**Please state the ground(s) for review (please read guidance note 1)**

The operators have failed in their duty under the Licensing Act 2003 to promote the prevention of a public nuisance. The Premises License extends to the provision of live music. The premises is not adequately soundproofed to contain loud live amplified music without causing a nuisance to the occupiers of neighbouring and nearby residential units.

The Nuisance Control Team (NCT) - as a Responsible Authority - ask Committee to remove Live Music from the Premises Licence. We also ask Committee to endorse the Licence with the following Condition: "Live Music shall not be permitted at the premises until such time as a scheme of acoustic treatment, approved by the Council's Nuisance Control Team, has been installed and tested by persons competent and qualified to undertake and test such work."

On 10<sup>th</sup> January 2015 NCT obtained evidence of a statutory noise nuisance from live music playing inside the premises. This evidence also represented a breach of a Noise Abatement Notice served on the DPS (Designated Premises Supervisor) - Mr Bujar Marku - in December 2013. It is the policy of the NCT to apply for a licence Review whenever a licensed premises commits the offence of failing to adhere to the terms of a Noise Abatement Notice.

**Please provide as much information as possible to support the application** (please read guidance note 2)

In February 2012, the previous operators of 249 High Rd were successfully prosecuted for breaching a Noise Abatement Notice. NCT became aware that new operators were at the premises in April 2013. From April 2013 to December 2013 NCT received three online complaints reporting noise from loud music; three nuisance-on-notifications reporting loud music; and, one e-mail reporting loud music. In April 2013 I telephoned Mr Bujar Marku (the DPS) to advise him about a complaint. I advised him that evidence of a nuisance from loud music would result in a Review of the Premises Licence. An Officer from NCT also visited the premises and advised Mr Marku to monitor the noise levels from live music. An Advisory letter was sent to Mr Marku in November 2013. Following a further complaint a Noise Abatement Notice was served on Mr Bujar Marku prohibiting the occurrence of a statutory noise nuisance from amplified music. A covering letter advised him the Council were of the opinion that a nuisance from loud amplified entertainment was "likely to occur". Since serving that Notice, NCT received two online complaints reporting noise from loud music; eleven nuisance-on-notifications reporting noise from loud music; and, seventeen e-mails complaining of noise from loud music. In July 2014, an Officer from NCT visited the premises and reminded Mr Marku of the Noise Abatement Notice. In that same month I made an assessment of noise emanating from the premises while seated in a stationary works vehicle parked diagonally opposite from the front of the premises, at 01:20hrs. I noted easily audible amplified folk music was heard to significantly increase when the door was opened by patrons accessing and exiting the premises. There did not appear to be any external checks been undertaken. In November 2014 a letter was sent to the premises reminding that the Noise Abatement Notice was still in force. On 03 December 2014, Mr Marku contacted me to apologise for the noise that occurred on Albania (independence) Day, on the 29<sup>th</sup> November. He stated that he ensures his doormen keep the lobby doors closed and that he undertakes regular external sound checks to ensure there is no excessive loud amplified music coming from the premises. On 10<sup>th</sup> January 2015, I responded to a complaint of noise and obtained evidence of a statutory noise nuisance from loud music. This was also a breach of the terms of the Noise Abatement Notice. I interviewed Mr Marku under PACE caution on the 12<sup>th</sup> January at the premises and noted large speakers stored in a hallway. The premises is a traditional brick-built end of terrace property in a mixed retail/commercial and residential area which includes residential units above shop premises. The fabric of the building is in no way designed or suitable for containing loud live amplified music.

**Police Representation to the application for a Premises Licence Review for 'Three Fratelli' 249 High Road, Willesden, NW10 2RX.**

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

Officer: Nicola McDonald  
PC 157QK Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence Review by a responsible authority.

The current premises licence holder is Mr Fatos Alimeri, he has held the premises licence since February 2013. The current designated premises supervisor is Mr Bujar Marku, he has held this position since February 2013.

Cris 1909093/13

In the early hours of the morning on 19th April 2013 Police were called to the premises to reports of a male armed with a knife. This male was arrested for possession of an offensive weapon.

This male was wearing his dressing gown and the knife was a kitchen knife. During interview at Wembley Police station this male claimed he was a local resident to the venue and alleged "could not stand the noise any more". He said he had put up with the noise for far too long and although he repeatedly asked for the music to be turned down and customers not to stand outside, his requests fell on deaf ears. He was sorry for scarring people but claimed to be "at his wits end".

On 20th April 2013 at 1315 hours I telephoned and spoke to Mr Alimeri. He was aware of the incident and was going to the bar to speak to DPS Mr Marku. It would appear Mr Alimeri was aware the male had complained to the premises about the volume of the live music on previous occasion and it would seem the problem was most unpleasant when entrance door

was opening and closing. The previous weekend the male had thrown eggs at the premises at a similar time of night. It also became apparent during my conversation with the premises licence holder that door supervisors had not been working at the premises in accordance with the authority. Mr Alimeri was advised that the entrance door must be supervised to stop noise emanating, music levels lowered, he must speak to the DPS and tighten down on management.

Overall I pointed out that staff and customers were lucky not to have been injured by the enraged neighbour but they have to consider residents in nearby homes.

On 26th April 2013 Police conducted a joint licensing visit at the venue with Local authority enforcement officers. Music was audible for outside the premises. Cocaine drugs swab tests were completed in both male and female toilets, the test results were positive in both. There was no signing in book for door staff and no door staff at the premise as condition stipulates on licence.

The DPS Mr Marku was present he was warned regarding music being audible outside and lack of door supervisors.

CAD 898 On 19th October 2013 at 01:43 a member of the public phoned Police complaining of noise emanating from Three Fratelli, unbearable when the door is opening and closing to customers.

On 30th November 2013 at 0005 hours I visited the premises in company with Local authority licensing Officer Miss Chan. There was loud audible music emanating from the venue. As we approached the entrance door there was a male acting as a door supervisor, he was not licensed with the security industry authority. Entering the bar I saw approximately 20 males' listening to a two piece live act, the volume was unacceptable. I spoke to the DPS Mr Marku. The band had to be told twice to turn the volume down so that we could hear each other speak. I went through the licence conditions with Mr Marku and discovered the following were being breached.

No door supervisors

No Log/register of door supervisors

Max of 5 smokers outside the front of the premises after midnight.

Rear fire exit lacking signage

On 4th December 2013 I contacted the premises licence holder Mr Fatos Alimer on his mobile phone. He was very appreciative of the contact he claimed the DPS has not informed him of the authority visits to the premises. He was advised about the breaches of the premises licence and told to get signage on the rear fire exit.

He was informed of the review procedure and how it could be would be instigated if the operation of the premises was not upholding the licensing objectives. A warning letter was emailed to Mr Alimeri.

On 6th February 2014 at 2045hours I visited Three Fratelli. Mr Bujar Marku was on the premises, the premises licence was displayed and I was informed door supervisor were coming on duty at 2100hrs. An eastern European family birthday party taking place with dancing and live loud music. We could not hear each other speak whilst music being played. Both of the front doors were closed as I approached the venue but the minute one of them was opened music at an unacceptable level emanated in to the street. He was asked to turn the music down to a more acceptable level, however this was difficult to achieve as it was live performers.

I visited Three Fratelli on 6th February 2015 at 2045 hours. I spoke with DPS Mr Bujar MARKU. There was a party in full swing, with dancing and loud live music. The premises Licence was displayed. It was very difficult to converse with the music playing. Both front doors were closed, but the minute they were opened, music emanated out onto the street. DPS stated that door supervisors were coming on duty at 2100 hours. There was a jovial, yet noisy atmosphere, mood amongst the clientele present.

It is the Police opinion that music either live or amplified should not be permitted at this premise. Historically it has been a source for noise nuisance. My evidence outlines the suffering local residents have to endure. The management ignore advice from responsible authorities. This venue is a restaurant and should have background music only. If it is operated as a restaurant the hours should be reduced and this would negate the requirement for door supervisors that are infrequently at the venue.

Police feel that these are wholly reasonable, proportionate and appropriate measure to be put in place to promote the licensing objectives. Police reserve the right to give evidence on any further incidents which may take place at, or in the vicinity of the premises, between the service of this application and the hearing and/or during the time allowed for any appeal proceedings.

Yours Sincerely

Nicola McDonald PC157QK

Dear Sir

Police objection to the application to grant a personal licence to Mr Ali Reza FAIZOLLAHI

I certify that I have considered the application shown above and I wish to make further representations that the likely effect of the grant of the application is detrimental to the Crime and Disorder Licensing Objective for the reasons indicated below.

Officer: Nicola McDonald

Licensing Constable PC157QK

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a personal licence under section 117 of the Act.

Police are formally objecting to this application.

The Police objections are concerned with the prevention of crime and disorder.

On 2nd July 2014 at Central London Magistrates Court Mr Ali Reza FAIZOLLAHI was found guilty of a relevant offence under the Licensing Act 2003. The offence was alcohol related. Mr Ali Reza FAIZOLLAHI was fined a substantial amount and also given a period of disqualification from driving. This disqualification period does not expire until 1st August 2015. Under the reforms of the Rehabilitation of Offenders Act 1974 by the Legal Aid, Sentencing and Punishment of Offenders Act 2012, this offence will not be considered as spent until this disqualification period is complete.

Selling alcohol is something that should be taken seriously and conducted by a responsible fit and proper person. In these exceptional circumstances it would not uphold the licensing objectives to allow this applicant to hold a personal licence at this time.

Yours sincerely

Nicola McDonald  
PC 157QK Licensing Constable
