I am a Superintendent* in the Metropolitan Police Service.

*Insert rank of officer giving the certificate, which must be superintendent or above.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case because:

(Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned)

There have been two serious incidents over the last two weekends involving the customers from this venue resulting in 8 arrests. .
On the weekend of 19th April 2015 there was an Affray outside the Jetset Club. There was a large disturbance with one male with a base ball bat. Male with bat detained along with 4 others for a mixture of Affay, Off Weap, assault on police & Obstruct police.
On the weekend of 25th April 2015 When the club closed at 4am a large crowd spilled onto the street, a few men were forcibly removed from the premises at around 04:20am and scuffles broke out in the street.
Other procedures have been considered, temporary closures do not adress the long term issues, a standard licence review could take months to reach a conclusion especially if taken to appeal and the evidence is that this premise will continue to contributew to serious issues and disorder in the area if not closed immediately.

The expedited process is necessary to close the premise with immediate effect to prevent further crime and disorder occuring. This is deemed a proportionate measure in view of the issues shown above and to prevent a further threat to public safety.

There have been two serious incidents over the last two weekends involving the customers from this venue resulting in 8 arrests.

On the weekend of 19th April 2015 there was an Affray outside the Jet Sete Club. There was a large disturbance with one male with a base ball bat. Male with bat detained along with 4 others for a mixture of Affay, Off Weapon, Assault on police & Obstruct police.

Please provide as much information as possible to support the application (please read guidance note 2)

The below covers the last 12 months -

1911771/14 By unknown person(s) alleged to have taken phone from victims pocket. 18/05/2014 0400 - 20/5/14

1914259/14 SUSP damaged door of club using a large stone causing permanent marks to door. 15/06/2014 0259 Suspect correctly refused entry by doorstaff so caused damage, arrested-16/6/14

1914261/14 SUSP punched VIW 3 times after causing criminal damage to club door. 15/06/2014 0259 As above - 16/6/14

I am writing to make a complaint about Club Jet Set on the Harrow Road. Aside from the music which can be heard, each Saturday, when the club closes at 4am it seems that the clientèle congregate outside of the club for at least an hour, shouting at each other. The management and door staff seemingly do nothing to move them on (or clear up the vomit that the clubbers kindly leave in the area too).

Three weeks ago the police were called due to the trouble that was being caused – this is not an isolated incident and in the 18 months I have lived in the area, the police have been called regularly.

Aside from the noise pollution and litter that is evident post club nights, within one mile of the venue there have been three stabbings in the last few weeks. The area has more than its fair share of violent crime already and judging by the shouting and arguing that occurs every weekend outside the club, it seems quite possible that more violence will erupt in the near future.

I fully appreciate that people need to have somewhere to go for entertainment, but the management is clearly not responsible enough to handle such a late license in a primarily residential area. Added to this there is no public transport at the time the club closes or a local cab office in the vicinity, so I do wonder the extent to which drink/drug-driving is being encouraged, and drug dealing within very close proximity to the school on Furness/Palermo Road.

I'd be keen to know on what basis a late license has been granted to this club, what checks are made to ensure that it is operating in a professional manner, and what steps will be taken to reduce the extent to which the club is disturbing its residential neighbours. It is simply not fair that my weekends (and I expect those of many other local residents) should be ruined on a regular basis.

1919314/14 The VIW1 has become involved in a fight with the Suspects which has resulted in him receiving a cut to his nose and swelling to his face. ABH injuries. 10/08/2014 0435 Assault occurred in street between venue and Texaco petrol station by Scrubbs Lane.- 11/8/14

1925320/14 By suspect stealing mobile phone from victims pocket in busy club 19/10/2014 0230 - 21/10/14 NM

1928804/14 Suspect has run towards a police officer and shouted FUCK YOU IM GOING TO FUCKING DO YOU causing officer to fear immediate violence. 29/11/2014 0442

1901298/15 Racial Agg Suspect has made NAZI salutes whilst in view of members of public whilst shouting "FUCK NIGGERS, SHOOT THE NIGGERS" several times 17/01/2015 0140

1909511/15 Police called to a fight at location. SUSP1 was refusing to leave area, SUSP1 has then grabbed officers wrist after being palm struck 26/04/2015 04:45:00

1909512/15 Susp1 and 2 have been involved in an altercation where two police officers have been injured. Susp1 also in possession of a small folding knife 26/04/2015 04:40:00

Disorder outside JETSET, NW10 (3 arrested) When the club closed at 4am a large crowd spilled onto the street, a few men were forcibly removed from the premises at around 04:20am and scuffles broke out in the street. Police arrived around 10 minutes later and made THREE arrests for AFFRAY/ASSAULT POLICE. QK5 reviewed (and copied) the footage from camera 10 of the borough CCTV between 04:20-05:00. The DP's are all shown committing various public order offences on camera from around 04:40am. It appears one vehicle of men started this incident and they made off in vehicle *****. The footage at 04:34 shows one male in a white top intimating a weapon in his waistband (the footage is not clear enough to see what he actually has). HE eventually gets into the front passenger seat. Another male, the driver, is clearly seen to discard a large knife into the boot of the car (there is no reports of stabbing but the CAD does mention a knife). -27/4/15 NM

Please state the ground(s) for review (please read guidance note 1)

This venue is located within a parade of shops, on a busy road. However, it's within close proximity to residential properties. The lease of the premise is held by the premises licence holder, Beer Barrel Limited. The designated premises supervisor (DPS) is, Mr. Mavji Meghani, who is the director for Beer Barrel Limited. I am aware that Mr. Meghani has been DPS of the premise since November 2005. Over the previous three years, several visits have been made by the responsible authority's. There has been a lack of management and lack of understanding of the authority and conditions of the premises licence. During visits conducted by police, the DPS has never been at the premises. His role is more of, owner/director, rather than a hands on daily supervisor. This lack of supervision has been highlighted in Licensing Act 2003 legislation breaches, witnessed by responsible authorities during their visits to the venue. Police request the removal of the current DPS, Mr. Mavji Meghani, and a new appointment of someone who will manage the day to day supervision. Since 2012, the premises licence holder has been aware that they have been using the authority of this premises licence without informing the licensing authority of the change of layout. The change of layout differs from the original plans submitted to the licensing authority, thus operating in breach of the authority. For example, A new rear partially enclosed smoking area has been erected with a reported locked rear gate. This also has an impact on public safety and the prevention of public nuisance licensing objectives. Police have received complaints recently of children being in the premise during early hours of the morning, noise, nuisance and licensable activity after authorised hours. On Sunday 15th February 2015 at 5.47am, officers witnessed unauthorised licensable activity taking place, namely the supply of alcohol. There were no door supervisors present and neither was the DPS. Upon further examination of CCTV footage from the evening, police identified that children had been present, some appeared to be as young as three (3) years old running around on the packed dancefloor in the early hours of the morning. Police also noticed public nuisance taking place with the dispersal of an earlier party at around 2.00am and the subsequent dispersal which takes place after police arrive, at around 6.15am.

The current operation at this premise is detrimental to the licensing objectives. The licence holder has been advised, but continues to ignore the responsible authorities. The above displays the risks of allowing the premises to continue operating in such an irresponsible way.

To assist Beer Barrel Limited control the venue more successfully, police consider some of the conditions of the current premises licence need to be re-worded appropriately to support current legislation and best practice.

Police request the following conditions to be removed from the premises licence;

1. CCTV shall be installed and maintained in a working condition.
2. All CCTV recordings shall be kept for 31 days and shall be made available to police and licensing officers if requested.
Having viewed footage, it requires a date and time stamp to assist both staff/other authorities accessing it, downloading and viewing it. It currently does not meet the Home Office standard.
3. The licensee or his/her deputy shall be a member of, and actively participate in the local pubwatch scheme. *Membership of such a scheme is voluntary and, as such is not enforceable.*
4. Signs alerting customers to theft shall be displayed.
Outdated condition which is no longer relevant to this premise.
5. A suitable burglar alarm linked to the police station shall be fitted and maintained. *Burglar alarms are no longer 'linked' to police stations, so would not be enforceable.*
6. The Portman Group proof of age scheme or similar such scheme shall be adopted.
Due to the easy accessibility of such cards on the internet, this is better managed with an age verification scheme.
7. A free supply of drinking water shall be made available to customers.
This is now covered by a mandatory condition.
8. Public transport information including night time travel options shall be made available.
This premise already benefits from good transport links with 24 hours buses running outside and nearby Alperton tube station. This is now outdated with most customers gaining travel information from their smartphones via the internet.
9. No children shall be admitted unless accompanied by a responsible adult. *This would be best practice but not enforceable. An age verification condition is better suited.*

Police require the following conditions to be added to the premises licence;

1. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days, display the correct time/date and shall be made available to police and authorised Officers from Brent Council.
2. A CCTV camera shall be installed to cover the entrance of the premises and further cameras installed to cover the beer garden and smoking areas.
3. Customers will not take open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.
4. A "Challenge 25" policy shall be adopted and adhered to.
5. An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received
 - (d) any incidents of disorder
 - (e) all seizures of drugs or offensive weapons
 - (f) any faults in the CCTV system
 - (g) any refusal of the sale of alcohol
 - (h) any visit by a relevant authority or emergency service.
6. No entry or re-entry shall be permitted after 2300 hours.
7. The outside drinking areas shall cease at 2300 hours.
8. After 2300 hours smoking areas shall be limited to ten persons and each area shall be suitably supervised.
9. A personal licence holder fluent in English shall be present on the premises and supervise the sale of alcohol throughout the permitted hours for the sale of alcohol.

Also, as stated above, police request the **removal of the current DPS** Mr. Mavji Megahni and the appointment of a new DPS in his place.

This list is not exhaustive and relies upon up to date plans of the premise.

Police feel these requests are in keeping with the Licence holders human rights and promote the running of his business and livelihood. These conditions are wholly reasonable, proportionate and appropriate measures to be put in place to promote the licensing objectives.

Police reserve the right to give evidence on any further incidents which may take place at, or in the vicinity of the premises, between the service of this application and the hearing and/or during the time allowed for any appeal proceedings.

Please provide as much information as possible to support the application (please read guidance note 2)

29/06/2012 at 10.00pm - Special police constable Wierciszewski visited the premise and reported that no door supervisors were on duty.

July 2012 - PC 157QK McDonald visited the premise with Brent Council's Mr. Alpesh Kerai (Property Database). It was noted that no door supervisors were on duty, the premises licence was not displayed, the DPS was not present and no statement of authorisation had been made. During this visit it became apparent that the plans submitted to the licensing authority were no longer a likeness to the premises (plans submitted are attached). This includes a new rear external area used for licensable activities (Picture attached - taken by PC Whitcomb during his visit on 10/03/2015). The premises licence holder was made aware, by letter, from the licensing authority that an application to vary the premises licence was required, submitting current plans of the venue.

20/04/2013 - PC 157QK McDonald visited the venue at 1.00am. During her visit, amplified music was being played and dancing taking place. Alcohol was being supplied from behind the bar. No door supervisors were on duty and the DPS was not present. No door supervisor log was kept. There was a rear external area with glasses of alcohol on the table. The fire exit door from this area was padlocked closed. PC McDonald requested that this gate be opened. This request took the manager a good ten minutes to action, as he had to search for the key. The premises licence holder was contacted again and told it was now a matter of urgency that they submit the new plans and vary the premises licence. Any alteration to a premises licence can affect public safety and fire risk assessment.

CRIS 1917823/13 (Attached)

On 03/08/2013 police were called to the venue after a report was made of an assault. Upon arrival officers found the male victim covered in blood and suffering with a facial injury, which amounted to a grievous bodily harm. The victim had been sat with friends having a drink and smoking a cigarette at the rear of the pub. The suspect, who was entering the pub from the rear door, brushed past one of the victims' friends. This initially resulted in a verbal argument taking place, however, the suspect went on to assault the victims' friend. The suspect was then joined by two other males who joined in on the assault. The victim tried to intervene, however, he too was attacked, leaving him with facial injuries.

CAD's 1958/15FEB15, 1911/15FEB15 & 1828/15FEB15 (Attached)

On Sunday 15th February 2015 police received three complaints with regards to the premise being open after hours, children being present and that there was noise nuisance. PC 558QK Homer attended the venue in response to these complaints and arrived at 5.47am. He stated that upon arrival, 'the shutters were down at the front and the rear smoking area gate was padlocked, despite the venue full of customers'. After gaining access he noticed that the premise was open to the public for the India V Pakistan cricket match. He noted that posters had been placed up inside the premise 'advertising' that the match was going to be screened in the venue from 3.30am until 'daylight'. A £10 entry fee would secure you 'two free pints' and 'breakfast' (PC Homer took a photograph of this posters and a copy is attached). This is in spite of the fact that the premise is licensed until 4.00am on this particular day and no temporary event notice, for this event, was given to the local authority. The officer also witnessed supply of alcohol across the bar taking place. There were no door supervisors on duty and staff were unable to produce the premises licence to him upon request.

19/02/2015

PC Lewis-Evans attended the venue to hold a meeting with Mr. Mavji Meghani. She noted that no copy of premise licence was available and that Mr. Meghani was completely unaware of any of his licence conditions. PC Lewis-Evans requested to inspect the door supervisors log, which was not completed correctly. Only partial SIA badge numbers had been recorded. The officer also informed Mr. Meghani

that a full variation was required as the premise has a door through to the next building.

10/03/2015

I attended the venue for a subsequent meeting with Mr. Meghani. He handed me a two (2) page A4 response to the incident which occurred on 15th February 2015, at his premise. A copy of this has been attached. During my visit I noted the following breaches . No sign alerting customers to theft, no notice requesting customers leave quietly, no notice showing local taxi numbers displayed, no notice explaining the licensee's policy on searching, security log not filled in correctly (see below) and there was no incident record. Further, the premise still no longer represents the current plan submitted to the local authority back in 2005. At the rear of the premise a shelter has been erected. Under this shelter, tables and chairs are present, and it appears to be used as a smoking/drinking area. The rear laundry room has been converted into a gents toilet. Inside the pub a pool table (marked Pool Table 2 on the plan) has been removed and this area is now open plan with tables and chairs. A raised platform area at the front of house, no longer exists and has been replaced with tables and chairs at floor level. There is a door, to the left of the entrance opposite the bar, which leads to a restaurant called 'Mohmoh's'. This door was shut but unlocked, allowing customers to freely access this area. This is a separate premise entirely. The restaurant is not part of the pub, and has its own exclusive main entrance leading from the street. However, Mr. MEGHANI described this to me as his, 'dining area'. There was also a locked partition door (not shown on the current plan) with a wooden blind across it. Mr MEGHANI explained that there is concrete behind this door which leads to a premise not owned by him. I also requested to see the door supervisors/incident record (copy has been attached). Mr. Mavji Meghani supplied me with a single A4 sheet of printed paper which is dated between 31st December, year not stated, until 22/02/2015. On examination of this record, there is overwriting of times, some entries are not signed for and SIA badge numbers have only partially been recorded (There are sixteen (16) numbers on an SIA door supervisors badge). At the bottom of the record it reads, 'Page 14 of 33', yet when asked, Mr. Meghani was unable to produce the rest of the document. There was no separate incident log available. This is a breach of condition number four (4) of the premises licence.

10/03/2015

I requested CCTV from the premise following PC HOMERS visit on 15/02/2015, via a letter (attached). Mr Mavji Meghani produced this to me upon my request, along with a letter in response to the incident on 15/02/2015. This letter has been attached. I have examined the CCTV footage. It is worth noting that none of the footage is time or date stamped, which has proved viewing the footage very difficult. Disk 1 of 3 apparently shows 12.00am-2.00am (15/02/2015). It appears that a party is taking place. The Premise is open to the public and alcohol being served. During the first fifteen minutes of this footage a young child aged around 10-11 years old can be seen on the dance floor with a female. Also a younger female child aged around two (2) years old can be seen with an older female, running around on the dance floor, while other customers are dancing merrily. Condition twenty-three (23) of the current premises licence states that, 'No children shall be permitted on the premises after 2100 hours'. The Pub is very busy. A DJ is playing music whilst another male is singing into a microphone. Most tables are full with patrons drinking and dancing on the dance floor and in bar areas. Televisions are on, one door supervisor can be seen working on the main entrance/exit which leads from and to Ealing Road. Disk 2 of 3 apparently shows 2.00am-4.00am. Camera Ch 02-01 (Disk2(1) Ch02-01) shows dispersal of the party. This goes on from 2.00am-2.30am with people loitering outside the premise in groups.

Disk 3 of 3 apparently shows 4.00am-6.30am. Camera 'Ch 04:01' at six minutes shows alcohol still being served across the bar. The premise should now be closed and licensable activity stopped. Camera labelled 'Ch 03' shows no door staff on duty at all. The premise is still very busy with many patrons sat at tables watching TV's showing the cricket match. Camera (Disk 3 (1) 'CH04:01' shows a young male child aged around fifteen (15) years old, with an older male aged around 50-60 years old, sat on a seat by a table watching the cricket match on television. Camera (Disk3(3) 'Ch 04:01' shows police arriving at 16 mins 30 seconds and the pub being cleared of customers. At around 6.15am camera (Disk 3 (3) Ch 02-01, shows customers loitering outside the pub in groups before moving off.

Dear Sir

Incident on 15th February 2015 at Panthers Ealing Road, Alperton Wembley

We refer to your letter of 2nd March and enclose herewith a copy of the footage you requested. We regret our CCTV recorders has not been perfect for the past few weeks. The engineers are attending to the problem hopefully it will be fixed soon. Our CCTV systems and The Boat are often called upon for assistance by the police for incidents outside our Pub and not connected to the Pub and we have always obliged and have received no complaints from the authorities

Whilst writing we would like to mention the following :

1. The incident when police attended was an isolated one
2. The company has an excellent record with both the Police and the council for over 20 years; Our company has managed many restaurants and bars in the area for years without any conflict with authorities;
3. Live sports has become a very popular pastime and cricket is no exception.
4. Sky contracts have become expensive and many people cannot afford them at home so have nowhere else to watch these matches;
5. This particular match is very big for the Indians. It is considered more important than even the World cup

6. The trainee manager's idea was just he and his few friends watch the big match, but unfortunately the few turned into a few more than we thought;
7. If we knew the demand was there we could easily have moved the venue to The Boat which has a 24 hour licence and it has a Sky contract.
8. We would have considered applying for a late licence but did not expect a crowd, due to the match being at 3a.m. We were not deceitful/hiding our shutters and doors were open

Our business has a good record not only with authorities but also with charities. Amongst the many social events we organise like horse racing trips, cricket matches we also arrange pool tournaments for various charities. Our business has served the local community for over 20 years.

We have raised funds for national charities like British Heart Foundation, Cancer Research, and Water Aid, NSPCC, Northwick Park Hospital etc. (see list attached)

In view of the above we would be most grateful if you could accept our apologies for the incident and we can assure you that no such breach will ever occur again.

Yours faithfully

Mavji Meghani

SC 519428 P WIERCISZEWSKI

PRIMARY INVESTIGATION DETAILS : 1 Immediate action
CAD 010010/03AUG13 officers attending 5219KQ, 5223QK, 5424QK

Arrived at scene at 2325 hours, was directed to the rear of the pub, where I have seen Viw1 covered in blood. He was wearing light blue short sleeved shirt, dark shorts, brown sandals. I have spoken to the victim and he said that he was with his friend at the rears of the pub having a drink and a cigarette along with his friend. Suddenly a male approached in his mid 20's IC1, medium build and was wearing whit tshirt, was on his way to enter the pub from the rear entrance, where he brushed his shoulder against viw1 friend and approached the male and told him: 'thats not a way to threat a man'.

Victims friend and viw1 started with a small argument, viw1 friend was hit by the IC1 male who was later joined by another 2 males who were in their mid 20's, they started to assault the male whilst he was on the floor. On witnessing that the viw1 tried to help his friend but ended up in him getting assaulted. When police arrived viw1 did not wanted to make any further allegations and declined any medial help, LAS B624 arrived at 0014 hours and threatred the victim for the minor cut above his left eyelid, and took him to the Northwick Park hospital for minor stitch.

**Licensing Representation to the Application to Review the Premises Licence for 3-4
Glenmore Parade Ealing Road Wembley HA0 4PJ**

I certify that I have considered the application shown above and I do not wish to make representations that the likely effect of the review of the application is detrimental to the Licensing Objectives for the reasons indicated below.

Licensing Enforcement Officer: Lavine Miller-Johnson

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made to review the premises licence under section 51 of the Act.

The Licensing Authority representations are primarily concerned with the four licensing objectives;

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

Following my visit to the premise on 6th May 2015 where Mr Meghani and Mr Solanki were both present the following was found:

Mr Meghani has advised that, following the visit from the police they have agreed to abide by the new conditions that have been set. I am in full support of the imposed conditions.

Mr Meghani has made great attempt to apply these conditions immediately. I sat with Mr Meghani we went through his condition. All conditions have been met.

Informative:

- As noted on the council's database system and during my own observation the plan of the premise is still incorrect and does not reflect the changes that have been made to the layout. During the visit Mr Meghani showed me a new plan of the premise. This plan is correct in accordance with the Licensing Act 2003. I have advised Mr Meghani as a matter of urgency, to submit this plan for a variation in order to ensure the correct layout of the premises is reflected on our system.
- I have also advised that Mr Meghani contact Andreas.Kirschner@brent.co.uk to arrange an inspection of the smoking area at the rear of the premise. From my observation this area is more than 50% enclosed.
- I have advised Mr Meghani to contact the local fire department to ensure that the fire exit leading from the kitchen was satisfactory.
- I have also advise Mr Meghani to address the issue of the backgate which is either left open unsecure or locked. He will need to consider another type of security for this exit. I have advised a push bar.

The licensing team shall not be making any representations against this application.

Yours sincerely,

Lavine Miller-Johnson

On SUNDAY 15th FEBRUARY 2015 at about 0540 hours I was on duty in uniform as the driver of a marked police station van, call sign QK20N in the company of PC 517QK CARTMAN. At about this time we received a call via our PR to attend PANTHERS PH, GLENMORE PARADE, EALING ROAD, WEMBLEY, where the occupant [redacted] had called stating that the above pub was trading after hours, the caller stated that there is a large cricket match occurring, all the shutters are closed but he can see that they are still serving alcohol and that there are children inside the prems. Caller stated that there is also a lot of noise going on at the location.

We made our way to the location and found that the shutters at the front of the premises were closed but the tv's were clearly visible, were turned on and showing the PAKISTAN V INDIA WC cricket.

We made our way round to the rear car park and parked. Here we found that the rear gate to PANTHERS PH was padlocked, however, there was a male stood at the rear smoking. I have asked this male to get a member of staff to come and unlock the gate so we could speak to them, which he did.

A member of staff appeared a few minutes later and unlocked the gate. This initially raised concerns with me as should there be a fire there would be significant delays in people escaping due to all exits being locked.

We entered the rear yard of PANTHERS and I asked if they had got a license extension in order to stay open at this time of day. The member of staff said he would make a phone call to try and find out. PC CARTMAN and myself have then gone inside the pub and I could see approximately 20 - 30 people inside drinking and watching the PAKISTAN V INDIA WC cricket. I could see several people at the bar and I watched as a female member of staff poured a pint of lager and took cash payment over the bar.

Continuation of Statement of Paul HOMER PC 558QK

A short while later the member of staff I had asked about the license returned and stated that they had not taken out a license extension. I have suggested to staff that they close down the bar and ask people to leave. Staff have complied and although the clientele were disgruntled, after the second time of asking people started to leave.

I have then asked who was in charge this morning and an ASIAN male behind the bar has identified himself as being in charge and said that he had organized the event. He identified himself as Mr Jadavji VARSANI, DOB [REDACTED] of [REDACTED]

[REDACTED] I have said to him, "Did you get a license extension for tonight?" He replied, "I didn't know I had to, I've only been working here a short time." I've then informed him that I would be referring the matter to the licensing officer.
