Our Ref: 16434

Dear Sir/Madam,

Licensing Representation to the Initial Application for the Premises Licence at Rising Sun, 25 Harlesden Road, London, NW10 2BY

I certify that I have considered the application shown above and I wish to make a representation that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the Act.

The Licensing Authority representations are primarily concerned with the four licensing objectives;

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

Complaint

As you are already aware, my letter dated to you on 11th June 2019, describes a complaint that has been received from a resident that alleges nuisance outside the front of the premises. This includes: -

- Customers drinking outside the front of the premises
- Customers smoking outside the front of the premises
- Issues with dispersal – loud talking, shouting and offensive language

There were a number of conditions on the lapsed premises licence that existed in order to avoid nuisance externally but it appears these conditions were not being met. These include: -

- No smoking shall be permitted at the front of the premises.
- Customers shall not be permitted to take open glass containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

It is recognised that customers will want to smoke during the time the premises is open, but this must be done in a controlled manner so as not to disturb neighbouring residents. The conditions below should reflect this.

Consumption of Alcohol

The plan submitted with the application does not include the rear external area but one of the proposed conditions below asks that customers do not take open drink containers off the plans of the premises. This mirrors the condition on the lapsed premises licence. In order to ensure customers can consume alcohol in the rear external area, the plan must be modified to include the rear external area and then be emailed to business.licence@brent.gov.uk

Licence Conditions

The Licensing Authority require the following points to be included in the operating schedule or added as conditions on the premises licence:

1. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council.
2. The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulders image of every person entering or leaving the premises.
3. A member of staff shall always be present on the premises whilst they are open who is capable operating the CCTV system and able to facilitate immediate viewing of CCTV footage upon the request of the Police and Authorised Officer of the Licensing Authority.
4. CCTV cameras shall be installed to cover the entrance of the premises, the servery counter and all of the external areas.
5. A "Challenge 25" policy shall be adopted and adhered to at all times
6. A sign stating "No proof of age – No sale" shall be displayed at the point of sale.
7. A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.
8. Any staff directly involved in selling alcohol for retail to consumers, staff who provide training including managers shall undergo regular training of the Licensing Act 2003 legislation. The training shall be documented and signed off by the DPS and the member of staff receiving the training. This training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.
9. An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received

- (d) any incidents of disorder
 - (e) all seizures of drugs or offensive weapons
 - (f) any faults in the CCTV system or searching equipment or scanning equipment
 - (g) any refusal of the sale of alcohol
 - (h) any visit by a relevant authority or emergency service.
10. Notices asking customers to leave quietly shall be conspicuously displayed at all exits, including outside of the front external area.
11. No noise or vibration shall be detectable at any neighbouring noise sensitive premises.
12. A personal licence holder shall be present on the premises and supervise the sale of alcohol throughout the permitted hours for the sale of alcohol.
13. The rear external area shall cease use at 23.00hrs.
14. Customers shall not be permitted to take open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.
15. Snacks shall be available during the whole of licensed hours in all parts of the premises where intoxicants are provided.
16. No entry or re-entry shall be permitted after 23:00 hours Sunday to Thursday and 23:30 hours Friday and Saturday and on Monday's where seasonal variations apply.
17. No children shall be admitted unless accompanied by a responsible adult.
18. No children shall be permitted on the premises after 22:00 hours.
19. There shall be no queuing outside the premises.
20. Both sets of entrance/exit doors to the back room shall be lobbied doors.
21. Signs shall be placed in the beer garden/on the frontage instructing patrons to recognise the residential nature of the area and conduct their behaviour accordingly -- The management shall reserve the right to ask patrons to move inside the premises or leave if it felt that they could be disturbing neighbours.
22. The front external area shall not be used by customers with the exception of the following: - After 23.00hrs when the rear external area ceases use, the designated smoking area (DSA) shall be located at the front of the premises facing Harlesden Road. Smoking shall be limited to 5 persons. This shall be in a cordoned off area and shall be monitored by the members of staff on duty at the premises.
23. The premises shall have a comprehensive written dispersal policy in place. This document shall be cascaded in the form of training to all members of staff and provided to the police or an officer from Brent Council upon request.

The Licensing Authority reserve the right to add additional conditions if required prior/during the Licensing hearing, should any be required.

In order for the Licensing Authority to withdraw this representation, it will be necessary for you to confirm that your client accept the above conditions in writing and provide an up to date plan by Monday 22nd October 2018 .

Yours faithfully

Dear Esther

Thank you for your letter of the 9 July.

Your proposed conditions are agreed although, in large part, they duplicate what has already been offered although we accept there are some differences and this will obviously need to be considered in the drafting of the Licence.

Please also find attached the revised plan as requested.

with all the respect. With our 2 babies living behind the pub we cannot live in peace with such a loud schedule

I object to the extended opening times and serving extended alcohol serving times as the pub is situated in the hear of a quiet residential area. We do not need more noise from loud music from the pub which can be heard in our home! Also, we do not need the anti social behaviour which so often occurs as a result of later opening / drinking hours

Dear Sir/Madam,

I hereby write to lodge my vehement objection to the licence application submitted recently by the above establishment.

I own flat [REDACTED] which is situated [REDACTED] to the public house.

At present there are frequent occasions where the loutish behaviour of some members of the public who come out of the pub inebriated causes a noise disturbance.

If the licence is extended as proposed this will only lead to more unsocial behaviour. There is precious little parking available in the area. This will lead to more litter being left in the surrounding vicinity. Already there have been frequent sightings of rodents in the vicinity.

Ultimately this will lead to property values dropping.

I have made my representation to the my local MP and will do so to my local councillor as well.

10-07-2019

We, the affected and named residents, hereby expressed our objection to renewing Star Pubs & Bars Limited's (t/a The Rising Sun) licencing application (number 16434) made under The Licensing Act 2003 for Alcohol and Entertainment including the licence to carry out after the hours of 9pm weekdays (Mondays to Fridays) the following activities: Supply of alcohol on/off sale Recorded/Live music Indoor In carrying out its functions under the Licencing Act 2003 (the Act), Brent Council must do so with a view to promoting the licensing objectives set out under Part 2, Section 4 of the Act. We believe that a grant of the application (at least in the terms requested) is not appropriate for the promotion of the licensing objectives, which are: (a) prevention of crime and disorder (b) public safety (c) prevention of public nuisance and (d) protection of children from harm Prevention of crime and disorder: We and our neighbours have observed people in heavily intoxicated states coming out of The Rising Sun and being involved in illegal behaviour. These directly affect our basic rights to rest and leisure, and our rights to adequate living standards and personal security. On the 24/05/2019, the police were called to an incident at the Rising Sun where it was discovered that the management had been operating without a proper licence. We believe this is why the Rising Sun is applying to renew and extend its licence. Another incident took place again on the 26/05/2019, which caused some residents to again call the police. Endorsing these trading hours during the weeknights will not only lead to an increase in this type of behaviours which are causing the residents unreasonable and substantial discomfort, but it will also encourage and promote the already high crime rate in the area. Please note, in the case of *East Lindsey District Council v Abu Hanif (t/a Zara's Restaurant)*(2016) Mr Justice Jay said: "[T]he prevention of crime and disorder requires a prospective consideration of what is warranted in the public interest, having regard to the twin considerations of prevention and deterrence." Public Safety: It has been witnessed and reported by several neighbours that often crowds of drinkers outside the pub and the customers or pub staff/owners cars parked right outside the pub entrance force pedestrians to walk in the road, posing a risk to public safety. Prevention of public nuisance: In the last year or two it has been noticed a substantial increase in the amount of noise coming from the pub; not only from music but also from people yelling, mainly on weekends but a marked increased during the week nights too. It is not only the noise from the entertainment/ band rehearsals, patrons inside and in the garden (which is adjacent to ours) that is concerning, but also from the people who regularly loiter outside the pub, often inebriated, shouting obscenities at each other which sometimes leads to physical altercations late at night. The litters, urination and bottles being left around make our neighbourhood look unpleasant, and make it less pleasant to live. We believe that the above objective will continued to be undermined if the licence is granted in the terms requested. There will be nuisance caused to residents through late night noise and anti-social behaviour. Having regard to the existing levels of alcohol-related crime and anti-social behaviour, I believe that this will be worsened if this application is granted. Protection of children from harm: A licence to play live/recorded music or for band rehearsals during weeknights until 12.30am in a residential area will have a significant and negative impact on the well-being of the residents within a 6 house radius of the pub. For example, a neighbour 6 houses away has complained to us of how loud the music has become. Granting this licence application in the terms requested will have a detrimental effect on residents' quantity and quality of sleep, impact on the elderly as the working age residents. Moreover, granting this licence application in the terms requested will have a detrimental effect on the educational outcomes of children and young people who live in this vicinity. We have already taken measures to alleviate our concerns including wearing earplugs, turning our television sets up, etc. to no much effect. Our property already has measures in place to reduce noise i.e double glazing, etc., however the music coming from the pub is often so loud and well beyond 9pm on weeknights that even when our windows are closed the noise makes hard for us to sleep or rest in peace and quiet. The Council must appreciate that having all windows closed to try and sleep during summer nights makes it extremely uncomfortable. The issue with the pub playing music on their

premises is the lack of control to measure the maximum level of decibel allowed in a residential area. We have seen no measures that the Rising Sun are proposing to combat and reduce the noise level emanating from the live and/or recorded music it is seeking licence to play. We hence request that the local authority monitor that level of noise and/or impose conditions to the licence, if granted, including the installation of adequate sound proof barriers to reduce the noise and alleviate its effects on the residents. We also request that the Council reduce the hours during which the Rising Sun is allowed to sell alcohol and play music during weekdays to 9pm. Objection to Application number 16434

https://mylicence.brent.gov.uk/registers/index.html?fa=licence_register&_ga=2.24208634.1509090247.1562018357-1083108785.1488736435

I strongly object to this application - [REDACTED] This is a residential area and the pub already regularly holds parties and discos on Fridays and Saturday nights which go on up to 2am the next morning. I am usually unable to sleep until 2am during the pub's party nights and have often called the pub at 2am in the morning to remind them of their licence obligations. In other words, the pub already pays little heed to existing licensing obligations. I can also hear screaming rows and fighting between pub users in the smoking corridor adjacent to our property late into the night. Extending the pub's licence to midnight and/or extending the existing hours of serving alcohol at weekends will be of great detriment to local peoples' lives. Brent Council should reject this application and instead make more effort to ensure that the pub does not continue to infringe its existing licensing restrictions.

A NOTE TO REGISTER VERY PROFOUND DISAGREEMENT WITH THE PROPOSED NOTICE OF APPLICATION FOR A PREMISES LICENCE IN THE RISING SUN

[REDACTED]

IT IS ALREADY VERY NOISY

THERE ARE OFTEN FIGHTS IN THE NIGHTS

I DO NOT THINK THE PUB'S TIME SHOULD BE EXTENDED – WITH MORE ALCOHOL, MORE SPORT, MORE MUSIC LIVE AND RECORDED, AND GREATER OPENING TIMES

THE PUB IS ALREADY SUFFICIENTLY ACTIVE AND OPEN ENOUGH OF THE TIME

I PROFOUNDLY DISAGREE WITH THE SCOPE OF ITS BEING EXTENDED AND I AM ENTIRELY SURE THAT THE ENTIRETY OF OUR STREET WOULD BE IN AGREEMENT

YOURS VERY SINCERELY

Dear

I have been forwarded your representation by the Licensing Officer at Brent Council in respect of this application.

I would be very happy to discuss this matter with you, you can contact me on the telephone number given below. Alternatively I can arrange for the site operators to meet with you if you think that would be of use.

I would however like to offer this reassurance and that is that it is not proposed to extend the hours of operation of the premises which appears to be your principal concern.

For technical reasons, it was necessary for us to apply for a new Premises Licence, which largely mirrors that that was previously in force for the premises including as to hours.

I hope this provides the reassurance that you require.

Yours sincerely

I wish to object most vigorously to any extension to The Rising Sun's licencing or entertainment hours . This pub is already a problem and should never be allowed to operate in the centre of a residential area. As it is residence are disturbed by rowdy behaviour, noise , and some very unpleasant characters , generated by and frequenting the pub . A pub such as this needs to be situated in a high street not a residential street where children should be able to walk freely and young women safe . Police have already been called to the pub and the unpleasant atmosphere generated can only get worse with any extension to its opening hrs/music licence. Further It is likely that Harlesden Road will seriously deteriorate with residents particularly those with children being forced to move away .

Dear Sirs,

Re: licence application for Rising Sun pub, 25 Harlesden Road

As owners of a flat at [REDACTED] we would like to present our opposition to the extended licence applied for at the above address.

Many residents of this property, as in the rest of the neighbourhood, are families with school age children. Extending music and alcohol sales until midnight on weekdays is likely to be disruptive due to noise and potentially anti-social behaviour with police intervention. We request that this extension be at the most granted only for Fridays and Saturdays.

Additional factors from homeowners' and tenants' point of view are the extra disturbance to that already caused by cars being parked outside [REDACTED] and the potential reduction in property and rental values as a result of all the above.

Please keep us informed by email of any developments with this application. We sincerely hope that your department will take seriously the concerns of all local residents.

Kind regards

According to the Licencing ACT 2003, Part 2, Section 4, objectives that licencing authorities are required to promote are (a) prevention of crime and disorder (b) public safety (c) prevention of public nuisance and (d) protection of children from harm. I understand that Friday to Saturday nights are typical nights out for people, however, a licence to play music or for band rehearsals during weeknights until midnight in a residential area is inconsiderate and will have a significant and negative impact on the well being of the residents within a 6 house radius of the pub (for example a neighbour 6 houses away has complained to us of how loud the music has become). Granting this permission will have a detrimental effect on residents quatity and quality of sleep, impacting on the elderly and those of us who need to work, thus affecting our quality of life but more importantly impacting on the educational outcomes of children and young people who live in this vacinity. This application therefore breaches part C of the legislation as stated above. In the last year or two we have noticed a substantial increase in the amount of noise coming from the pub (not only music but people yelling, mainly on weekends but a marked increased during the week nights too). Our family have already taken measures to dampen the noise and music coming from the pub and we have recently installed triple glazed windows which when closed still does not provide an adequate barrier to sound and our family are still subject to this exposure well beyond 9pm on weeknights. Having all windows closed to try and sleep during summer nights makes it extremely uncomfortable. I am not only concerned about the noise from the entertainment/ band rehearsals and patrons inside and in the beer garden, but also with people who regularly loiter outside the pub, often inebriated, shouting obscenities at each other which sometimes leads to physical altercations late at night therefore, breaching The Licencing Act 2003, Part 2, Section 4, A, B and D. Endorsing these trading hours during the weeknights will not only lead to an increase in this type of behaviour causing the residents unreasonable and substantial discomfort, but it is also encouraging and promoting the already high crime rate in the area. Ourselves and our neighbours have observed people in heavily intoxicated states as well as involvement in illegal behaviour. These directly affect our basic rights to rest and leisure, our right to adequate living standards and our right to personal security. I am therefore asking Brent Council's Licencing Department to reconsider granting this licence in favor of the well being of its residents.

Please note that I am the owner of [REDACTED] and currently let the flat to tenants who have 2 small children. We, the affected and named residents, hereby expressed our objection to renewing Star Pubs & Bars Limited's (t/a The Rising Sun) licencing application (number 16434) made under The Licensing Act 2003 for Alcohol and Entertainment including the licence to carry out after the hours of 9pm weekdays (Mondays to Fridays) the following activities: Supply of alcohol on/off sale Recorded/Live music Indoor In carrying out its functions under the Licencing Act 2003 (the Act), Brent Council must do so with a view to promoting the licensing objectives set out under Part 2, Section 4 of the Act. We believe that a grant of the application (at least in the terms requested) is not appropriate for the promotion of the licensing objectives, which are: (a) prevention of crime and disorder (b) public safety (c) prevention of public nuisance and (d) protection of children from harm

Prevention of crime and disorder: Large numbers of inebriated pub goers have been observed, often aggressive and arguing loudly. This is a cause of great concern as a local resident. By allowing the proposed trading hours during the weeknights, this is likely to increase this type of behaviour as well as increase the likelihood of crime in the area. Public Safety: The number of cars parked right outside the pub entrance mean that pedestrians often have to walk on the road which poses a risk to safety. Prevention of public nuisance: There has been marked increase in the amount of noise coming from the pub over the last 4 years – from music and also from people shouting. I fear that if the licence is granted in the terms requested, there will be an increase in nuisance caused to residents through late night noise and anti-social behaviour. Protection of children from harm: Granting this licence application which will allow recorded and live music to be played until 12:30am in a residential area will have an extremely detrimental effect on residents' children's quantity and quality of sleep which in turn could negatively hinder their ability to perform at school. The volume at which the music is played is extremely antisocial and directly impacts being able to enjoy the garden which is adjacent to the pub.

Attn: Brent Council Licensing
Attn: Ms. Vanesha Haulkhory

We agree with our neighbours. We understand that businesses want to develop but we are very, very concerned about the impact on our flats and the quality of life. This stretch of Harlesden road is quiet at night. Although we bedroom windows on the street (Harlesden Road) side, we are not bothered with traffic after 7 or 8 pm. The disturbances are only patrons of the pub next door at closing time. Also, the parking is not adequate for the pub and the vehicles block the pavement and sometimes our drive. Trash is left on our wall or thrown over the wall and there are always plentiful cigarette butts littering the area. At this time, the bother is tolerable. However, an increase in activity would greatly distress us.

We do not want to withdraw the complaint, we want to reiterate the issues. How will the parking issue be resolved? How will any noise on the street be controlled? Will the street in front of the pub and our building be cleaned? Once permission is granted, has it ever been revoked? What guarantees will the Council undertake regarding any negative impact?

We would like to avoid the inevitable problems.

Sincerely yours,

[REDACTED]

Dear Sir/Madam, We are living [REDACTED] and as a family with young children have material concerns with the licensing of the pub and issue our objection to the application based on the following:

- Crime: there is substance abuse and drug use occurring outside and adjacent to the premises evidenced by drug paraphernalia (small gas canisters) and the smell of cannabis. This occurs mostly in the weekend.
- Crime: there have been a number of fights breaking out outside the premise late at night, at times with police present.
- Public nuisance: regularly there is loud arguments outside our front door. And often drunk people speak on the phone with very foul language, which our children inside our homes are exposed to, which is very unpleasant.
- Public nuisance: noise levels from inside the pub (music), outside the pub garden (music and people), and from the people leaving the pub are too high.
- Public safety: cars are parked illegally in ways that make it unsafe to cross the road due to limited visibility of traffic, particularly for children. Also, the pavement is blocked as a result of this parking. Furthermore, several times access to our driveway was blocked.
- Public safety: I don't understand how the public footpath/ pavement effectively stops at the pub. With a full pub car park one has to walk on the street to get around. From my experience [REDACTED] to the requesting premises, by issuing the requested licence the council will undermine the prevention of crime and disorder, public safety, the prevention of public nuisance, the protection of children from harm.

Hi Vanesha

Please find my representation attached.

Can you please confirm if this will remain anonymous at the hearing? If we have to be named fine, but I'd rather know.

Just to let you know that we had further trouble with noise from the pub until the early hours of the morning. Customers were using the front and side of the pub as a smoking and drinking area, and were extremely loud. They were shouting and singing from around 10pm until 12.30am. Eventually I had to call the pub and while the noise did stop, the noise continued when the customers were leaving the pub.

Furthermore, there was a party being held in the beer garden which had a live DJ. Music was excessively loud from the mid afternoon until 11pm. We had to keep our doors shut because of the noise, as we could not hear the television. Not ideal in the middle of this hot weather.

Please let me know if you have any questions.

Thanks,

To whom it may concern

Please find below our representation.

The premises licence for The Rising Sun, 25 Harlesden Road was reviewed in 2009 at the request of Brent Police Licensing Unit, on the grounds of prevention of public nuisance. The Alcohol & Entertainment Licensing Sub-Committee re-granted a licence, but outlined specific measures to prevent noise and public nuisance.

The agenda, decision & minutes can be found here

<http://democracy.brent.gov.uk/ieListDocuments.aspx?CId=134&MID=1176>

We are unclear as to whether these measures are still a requirement for the pub, but currently the pub does not do enough to prevent

- public nuisance and noise
- crime and disorder
- the safety of residents

See below for a list of incidents and ongoing issues we have faced in the last 6 months concerning customers from the pub.

- Loud noise from customers talking, shouting and singing at the front and side of the pub. This happens during the early evening through to after closing time. It is caused by customers using the front and side of the pub as smoking/drinking areas. It occurs most evenings. It is significantly worse and prolonged at weekends, including Sunday night. The disturbance goes on later at weekends because of the later opening hours.
- Customers drinking/smoking directly in front of resident's houses. Sitting on resident's garden walls.
- Glasses, bottles, cigarette butts, general litter left on the walls, hedges and in gardens.
- Customers fighting at the side of the pub (2 incidents in the past 2 months).
- When the pub gets very busy (usually at weekends) customers use the front of the pub and pavement in front of residents houses to drink. After the recent Champions League final customers took seats from inside the pub and were sitting on the pavement directly outside the entrance to our property, for most of the evening.
- The same night, a customer entered our property and urinated at the side of our house, next to our front door (11pm, Saturday 1st June).
- The same night (11.30pm, Saturday 1st June), 3 customers entered our garden at the front of the property and used our bins to use consume drugs. When approached the customers refused to leave the garden and were aggressive towards myself and my wife.
- Events held each weekend (Live music, DJs and parties) in the beer garden have excessive levels of music playing from mid-afternoon to 11pm. We should not have to keep our patio door closed (particularly in summer when it is hot) to be able to hear ourselves talk and watch television. While we expect music to be heard from time to time, every weekend for the whole afternoon and evening is unacceptable.
- The pub does not have enough commercial waste bins. Frequently the blue bin is left open (because it is overfilled) and refuse bags are left at the side of the pub. Each night bags are ripped open (presumably by foxes) and food/waste is dragged down the street and into our garden.
- Noise from customers and music played inside the pub late at night. This occurs because doors to the front and side of the pub are left open.

We urge the committee to consider residents when reviewing the licence terms. The incidents listed above cause actual nuisance, stress and have on occasions threatened the safety of residents. If the committee can set explicit conditions to prevent/mitigate such incidents, and the pub can realistically enforce these measures, we would have no objection to the licence being granted.

We would also like to specifically request that an extension to licensing hours is not granted. We feel this would exacerbate the current issues we face.

Hi Vanesha and Esther

After reviewing the licence application and conversations with yourselves and Susana, we would like to resubmit our representation which includes amendments to the original wording and suggestions to help mitigate issues. See attached.

This includes information pertaining to the licensing hours, which we would like to suggest are reduced.

Can you please confirm when this has been resubmitted?

- specifically request that an extension to licensing hours is not granted. We feel this would exacerbate the current issues we face.

- Licensing hours are reduced from
 - 1100-0000 to 1100-2300 in the week
 - 1100-01.00 to 1100-00.00 on Friday/Saturday
 - 1100-00.00 to 1100-2300 on Sundays.
- Stop customers from being at the front and side of the building at all times. Whether they are drinking, smoking or doing both.
- Close the beer garden at maximum 2200 during the week and Sunday. Friday and Saturday at 2300.
- Allow customers who need to smoke to use a small area of the beer garden (after beer garden closes) to do so, on the proviso that no shouting, singing or any noise occurs. Someone from the pub should be responsible to monitor the noise¹. This is preferable to the front of the premises which has the most exposure to the local residents.
- Ensure customers leave the premises quietly.
- Windows and doors to the front and side of the building be closed after 2200 to prevent noise from inside the pub.
- No live music or DJs in the beer garden.
- Additional commercial waste bin, both kept at the side of the premises and clear of the public paths.

We urge the committee to consider residents when reviewing the licence terms. The incidents listed above cause nuisance, stress and on occasions have threatened the safety of residents. If the committee can set explicit conditions to prevent/mitigate such incidents, and the pub can realistically enforce these measures, we would have no objection to the licence being granted.

¹ The beer garden as a smoking area is preferred to the front of the premises, as it has the minimum exposure to residents. The beer garden is surrounded by the pub to the front and side, and a fence runs directly behind the beer garden.

Thank you for sending through further representations.

It seems that quite a few of these representations seem to think that we are trying to extend hours at the premises however this is not the case.

We cannot contact the residents direct as all their address information is redacted. Is there any way in which this fact can be communicated to the objectors?

Many thanks for your email.

My objection was allowing the noise-loud music and band rehearsals to occur on weeknights beyond 9pm when there are elderly, children and working residents who need to sleep. Also, patrons behaving unruly late into the evenings and attracting criminal activity.
