Police Representations to the Temporary Event Notice for

The VIP Lounge, 546, High Road, Wembley, HA0 2AA

I certify that I have considered the notice shown above and I wish to make representations that the use of the premises for the temporary event would undermine the crime prevention initiative, for the reasons indicated below.

Officer:	PC 3302NW SCOTT
NW BCU	Brent Licensing Team

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

A Temporary Event Notice has been given under section 100 Licensing Act 2003 by

Mr Darren Jules

Police are formally making representations to the notice under section 104 Licensing Act 2003. The Police objection is primarily concerned with the crime and disorder and prevention of public nuisance objectives.

Police are making representations as the premises user has not provided enough information with the Temporary Event Notice (TEN) for police to be satisfied that the event will uphold all four Licensing Objectives.

Police require further information regarding this upcoming event. An application was recently submitted for a New Premises Licence and conditions were agreed between the applicant and police. This included timings and re-entry.

Police **cannot** agree to a 04.00hrs finish for this event, having just recently agreed to numerous conditions including the timings that the venue is open to the public.

The following conditions were agreed:

Regulated entertainment – 12.00hrs – 01.30hrs.

The performance of dance – 12.00hrs – 01.30hrs.

Late night refreshments – 23.00hrs – 01.30hrs.

The supply of alcohol – 12.00hrs – 01.30hrs.

Hours open to the public – 12.00hrs – 02.00hrs.

Door supervisors are employed from 21.00hrs when the premises are open to the public past midnight.

No entry shall be permitted after 00.00hrs until the premises closes to the public.

Police also need further assurances that **all** agreed conditions will be adhered to.

Please can you supply comprehensive details for this event, by completing this form.

Subject: RE: TEN - VIP Lounge - 17032

Hi Darren,

I understand where you are coming from in relation to this. I am aware that you have had the licence granted. My hope was that you would run for a number of weeks/months without incident and then apply for a TEN. Unfortunately, I am still not in a position to withdraw my representations in relation to this application. Should you wish for this event to continue and do not withdraw the application, this will go to a committee hearing at Brent Council early next week. Should the presiding councillors grant the application, you would be in a position to carry out Licensable activities until 4am. However there is a chance that the committee could reject your TEN after going to a hearing.

I know that this is not what you want and I appreciate where you are coming from. As stated, I would have hoped that you would have run the venue for a few weeks, without incident and would then be in a better position to apply for a TEN until 4am.

Kind regards,

Paul

Hi Paul,

I am not sure if you are aware but 1.30am drinking up time with a 2.00am closing time is our current licencing conditions that have been accepted and granted in its entirety last week Friday. If the closing time is to remain the same for a temporary event as our licenced time then I would have no requirement for a temporary events notice. I would only have to let the authorities know that we were having an event of this nature as discussed previously at the venue and maintain the licencing conditions and objectives.

Also the nuisance control team are satisfied and have also removed their representation for this one off event.

Sorry for the slightly lengthy email but I just wanted to put the current status forward in case you were not aware.

Kind regards

Darren

Hi Darren,

When the original TEN was submitted, my initial response was for concerns regarding a 4am finish.

Police had agreed conditions whereby the venue had a drinking up time of 01.30hrs and closed to the public at 02.00hrs.

I accept that at the moment this maybe a one off event. However, Police have concerns that the Licensing objectives will not be withheld, in particular to crime and disorder and public nuisance which is why a 2am finish was agreed. In order for police to withdraw their representations, police would require assurances that the agreed licensing conditions would be adhered to and that the selling of alcohol would cease at 01.30hrs and the premises closes to the public at 02.00hrs.

Paul

Hi Paul,

Could you advise me on what time is acceptable for a one off event under a temporary events notice and or what else I could do, for example have more security to be enabled to have a one off event for now or even for any potential future events. I have been co-operating throughout and have done my research and got the best suited security for the one off event and the event was scheduled for a 3.30am finish with 30mins allowing for the public to vacate the premises.

I thank you for your swift responses and consideration

Kind regards

Dear Mr Jules

The Nuisance Control Team have considered this application for a ticketed party/disco event during 30-31 August 2019 between 22:00hrs-04:00hrs. Representation is made that the likely effect of the approval of the Temporary Event Notice is detrimental to the Licensing Objectives with regards to the prevention of public nuisance.

Representation is made on the grounds that public nuisance is likely to be experienced by the occupiers of neighbouring and nearby residential units from:

- The noise caused by airborne entertainment sound from regulated entertainment
- The noise caused by patrons exiting the premises at noise sensitive hours

The representation is justified by consideration of the type of entertainment proposed, the hours during which it will take place and the time the premises will disperse of guests.

It is proposed that the licence is granted subject to the following conditions:

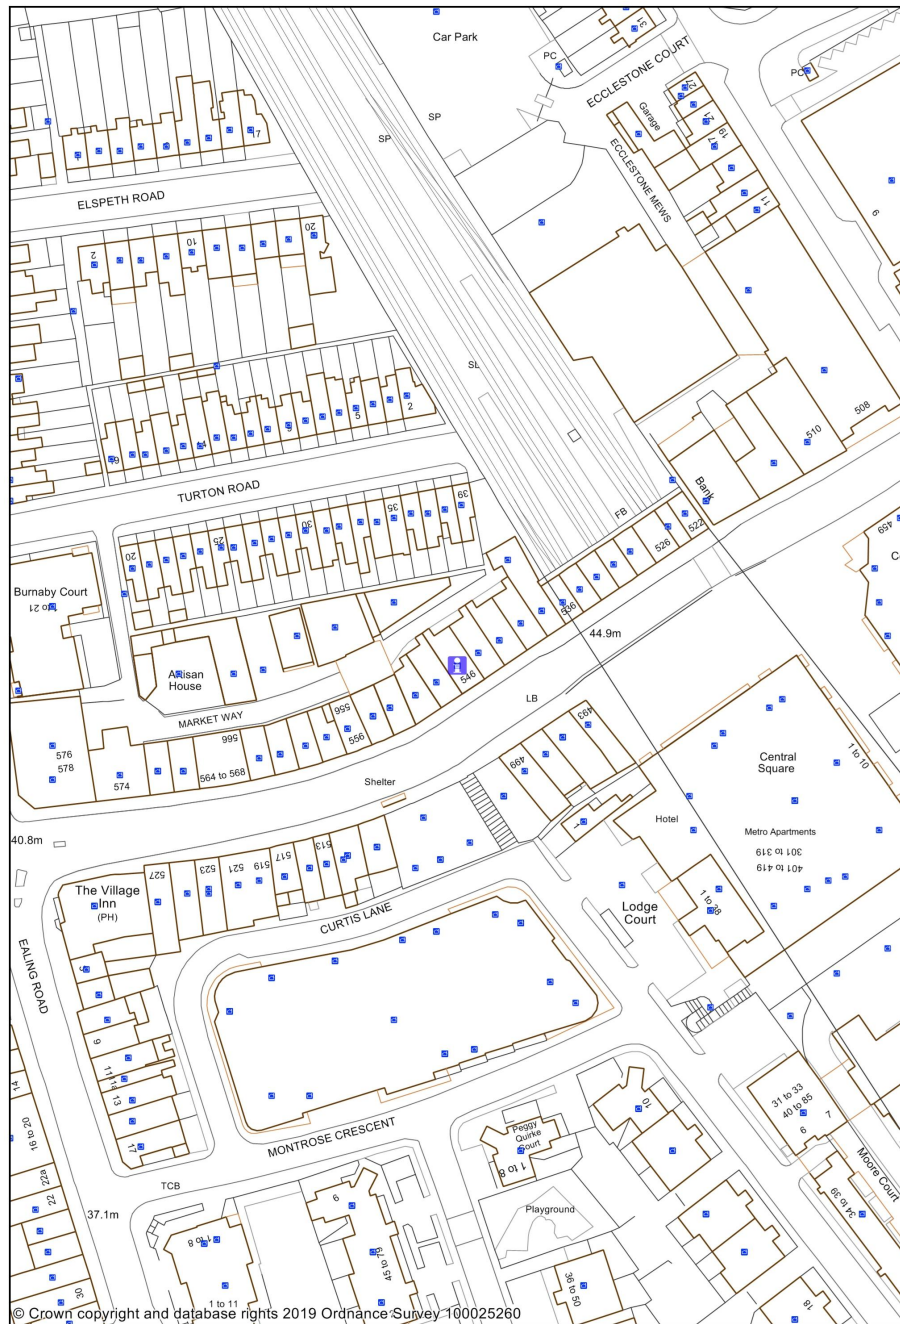

1. Music shall not be audible outside the premises.
2. All doors and windows shall remain closed during the regulated entertainment activities.
3. Designated site personnel shall monitor the boundary of the premises for any excessive sound breakout and take immediate action to remedy the situation.
4. When the premises turns out, a staggered dispersal strategy shall be employed to ensure minimal noise disturbance to local residents.
5. Signs shall be displayed in prominent areas informing guests of the residential nature of the area and to conduct their behaviour and moderate noise accordingly.

If you are willing to accept these conditions outlined above in respect to the proposed event, the Nuisance Control Team will be in a position to withdraw the representation and the event may be held without objection.
