Police representation to the application for a new Premises Licence for Eclipse Pizzeria & Club Limited, 212 High Street Harlesden NW10 4SY

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below. If these conditions were accepted in full **I would** withdraw my representation.

Officer: Damien Smith
Licensing Sergeant 253NW

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the act. The Police representations are primarily concerned with all four Licensing objectives : Prevention of crime and disorder, Prevention of Public nuisance, Public safety and the protection children from harm.

The applicant formerly ran a business at 159 High Street NW10, Bar Barrill. In December 2019 that premises was taken to a review of its premises licence and the sub-committee revoked the licence. This is relevant as the owner/DPS for that premises is the same applicant for this new premises licence.

Since the revocation of the licence for 159 High Street NW10 the applicant has started a new venture and invested heavily in this business named 'Eclipse Pizzeria & Club Limited'. The applicant has obtained a Personal Licence and has offered assurances that he has learnt from the previous failings associated with the old business and will run this new venture aligned to the licensing objectives and comply with any conditions that appear on the licence if it is granted.

The applicant has held a series of events by correctly applying for TENS at this premises. To date with the use of SIA the venue has held events on; Saturday 8th December and Sunday 9th December 2019 between 1100 hours until 0100 hours. Tuesday 24th December 2019 1100 -2330 Hours, Wednesday 25th December 2019 1100 – 2330 Hours, Thursday 26th December 1100 – 2330 Hours, Friday 27th December 1100 -2359 Hours, Saturday 28th December 1100 - 2359 Hours, Sunday 29th December 2019 1100 – 2330 hours. These dates were followed by NYE 31st December 2019 1100 – 0300 hours (**Premises closed at 0030 hours**), Wednesday 1st January 2020 1100 – 2359 hours, Thursday 2nd January 1100 – 2359 Hours Friday 3rd January 1100 -2359 Hours, Saturday 4th January 1100 – 2359 Hours and Sunday 5th January 2020, 1100 – 2359 Hours.

The applicant has applied for the opening hours of his business to be 7 days a week from 0600 hours through until Midnight. Within the operational hours the applicant has requested **live music** on Monday, Tuesday, Wednesday, Thursday and Friday between 1900 hours until 2330 hours and Saturday 1800 hours until 2330 hours and on Sunday between 1600 – 2330 hours. The applicant has requested **Recorded Music** for the same hours as with **The Performance of Dance. Late Night Refreshment** between 2300 until 2330 hours all 7 days. **On section J – supply of Alcohol**, The applicant has not indicated whether the provision for consumption of alcohol is for on or off or for both. **These police representations are based on provision of alcohol will be for on the premise only.**

The Police and Council officers visited the venue over the Christmas period and noted the applicant has been adhering to the conditions imposed at the hearing held on 4th December, namely SIA, CCTV and Operating hours. CCTV has been viewed and shows the venue closing on time for each Temporary event.

Bearing in mind the previous business Police note the progress of the applicant's attitude to running this new business. This is a new venture and to ensure the applicant continues to run his business aligned to the licensing objectives Police propose the following conditions.

New revised Police representation to the application for a new Premises Licence for Eclipse Pizzeria & Club Limited, 212 High Street Harlesden NW10 4SY

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

Officer: Damien Smith
Licensing Sergeant 253NW

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

This application is for a new premises licence under section 17 of the act. The Police representations are primarily concerned with all four Licensing objectives: Prevention of crime and disorder, Prevention of Public nuisance, Public safety and the protection children from harm.

The applicant formerly ran a business at 159 High Street NW10, named Barril. In December 2019 that premises following a review of its premises licence by the sub-committee had its licence revoked. This is relevant as the owner/DPS for that premises is the same applicant for this new premises licence.

Since the revocation of the licence for 159 High Street NW10 the applicant has started a new venture and invested heavily in this business named 'Eclipse Pizzeria & Club Limited'. The applicant has obtained a Personal Licence and has offered assurances that he has learnt from the previous failings associated with the old business and will run this new venture aligned to the licensing objectives and comply with any conditions that appear on the licence if granted.

The applicant has held a series of events by correctly applying for TENS at this premise. To date with the use of SIA the venue has held events on;

Saturday 8th December and Sunday 9th December 2019 between 1100 hours until 0100 hours. Tuesday 24th December 2019 1100 -2330 Hours, Wednesday 25th December 2019 1100 – 2330 Hours, Thursday 26th December 1100 – 2330 Hours, Friday 27th December 1100 -2359 Hours, Saturday 28th December 1100 - 2359 Hours, Sunday 29th December 2019 1100 – 2330 hours. These dates were followed by NYE 31st December 2019 1100 – 0300 hours (**Premises closed at 0030 hours**), Wednesday 1st January 2020 1100 – 2359 hours, Thursday 2nd January 1100 – 2359 Hours Friday 3rd January 1100 -2359 Hours, Saturday 4th January 1100 – 2359 Hours and Sunday 5th January 2020, 1100 – 2359 Hours.

On Saturday 11th January 2020 I was driving past 212 High Street Harlesden NW10. Knowing the premises is currently in the process of applying for a new premises licence application. Despite the events mentioned above, on Saturday 11th January 2020, I was not aware of any TEN in place. There was a security guard at the venue and the business appeared to be operating as it had done under the conditions agreed upon by the subcommittee over the Christmas period. I returned to my office and I checked the police records and confirmed there was no TEN applied for or agreed upon for the 11th January 2020.

On Sunday 12th January, I visited the premises and met with Agnaldo Dal Forno. Inside there were people sat in the rear area with alcohol and the stage was set up for a live performance. I asked Mr Dal Forno if he held a licence or if he had a TEN in place to which he replied NO. I pointed out that he was going to be reported to the council and that I would withdraw my representations for a new premises licence and replace them with a new representation that the application be refused. My rationale for such a refusal is that I am not satisfied that any of the 4 licensing objections will be adhered to and I have no confidence with Mr Dal Forno and the way in which he is trying to operate this new venture. I viewed CCTV and noted that on the 6th, 8th 11th and 12th January alcohol was sold or consumed in addition to entertainment. There were no TENS in place for these dates. CCTV also showed people coming in and out of the venue with glass bottles of beer in their hands and the front door was left wide open on more than one occasion. This continued past the midnight hour.

I have been left no choice but to request this application be refused,

Yours Sincerely,

PS Damien Smith 253NW

LICENSING ACT 2003

Licence: New Premises

Reference: 17982

Dear Sir/Madam,

Applicant: Eclipse Pizzeria & Club Ltd

Premises: Eclipse Pizzeria, 212 High Street, NW10 4SY

I certify that I have considered the application shown above and I wish to make a representation that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the Act.

The Licensing Authority representations are primarily concerned with the four licensing objectives;

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

It has been brought to the attention of the Licensing Authority that licensable activities were supplied at the premises without authorisation in January 2020. In light of the serious offences, the Licensing Authority wish to refuse the application until further enquiries have been sought.

Kind Regards

Dear Mr Dalforno

The council's Nuisance Control Team have considered this application for a new premises licence and are concerned that public nuisance may arise should the licence be granted with regulated entertainment and the proposed conditions listed in the Operating Schedule.

You are requesting regulated entertainment in a premises providing nightclub style entertainment. We are concerned the premises is not designed as a nightclub and we further understand the nearest noise sensitive premises is directly above your business.

Please see the following conditions which address our concern. If you are able to agree to these by reply we will consider withdrawing our representation:

- Regulated entertainment shall not be permitted as a licensable activity until such time as a documented scheme of acoustic treatment works commensurate with the premises operating as a club premises has been installed and tested by a registered Member of the Institute of Acoustics who shall be competent and qualified to undertake the testing of such works and these works are approved by the Council's Nuisance Control Team.

The following proposed condition on your Operating Schedule: "Ask customers not to talk loudly in the street or to loiter outside our premise; keep all lighting positioned in such a way that it will not cause any disturbances to our neighbours" shall be revised to:

- Customers will not be permitted the talk loudly in the street or to loiter outside the premises.
- Lighting shall be arranged in such a way that it will not cause nuisance to neighbouring and nearby residential premises.

Please contact me if you would like any discussion or advice on the above.

Dear Mr Dalforno and Diana

Following my meeting with you both at the above premises on Saturday 11 January, I was disappointed to later find you were operating that evening without a TEN – when it was evident customers were been served alcohol and were drinking alcohol. In addition, area inspections made at 00:20hrs and 01:00hrs on Sunday 12 January identified the premises was providing regulated entertainment, was advertised as open, was very busy inside with customers drinking alcohol, had a group of rowdy customers with alcoholic beverages outside the front of your premises and on the pavement directly in front of your premises.

In light of the above suspected offence under S.136 of the Licensing Act 2003, and the corroborative and additional findings made Brent Licensing Police, the Nuisance Control Team regret to advise we have no alternative option other than to withdraw our representation and request this application be refused.

Subject: CONSULT: New Premises - Eclipse Pizzeria, 212 High Street, NW10 4SY - 17982

Dear Mr Dalforno and Diana

It was good to meet you both at the premises on Saturday to see the layout of the premises. I was able to observe the rear room where you propose to provide regulated entertainment. I was also able to observe externally the proximity of this room to your upstairs neighbour and other neighbours on the High Street, Tubbs Road and Nightingale Road.

Mr Dalforno – you explained you had undertaken the sound insulation works to this room yourself. Given the works are complete I am unable to determine the standard of the works but I did observe the fire exit door to this room likely poses an acoustic weak spot, permitting amplified sounds to transmit more readily than through the ceiling or brickwork walls. There are no windows in this room. It would appear the residential neighbour above the premises is unlikely to be disturbed by amplified music playing in your rear room. The nearest noise sensitive premises would therefore appear to be rear elevation of the first few even-numbered properties on Tubbs Road.

I explained to you the onerous requirement of the following condition:

- Regulated entertainment shall not be permitted as a licensable activity until such time as a documented scheme of acoustic treatment works commensurate with the premises operating as a club premises has been installed and tested by a registered Member of the Institute of Acoustics who shall be competent and qualified to undertake the testing of such works and these works are approved by the Council's Nuisance Control Team.

On the basis of my inspection of the premises on Saturday I am proposing to revise this to the following condition:

- No noise or vibration shall be detectable at any neighbouring noise sensitive premises. The level of music shall be arranged so as not to cause a nuisance to local residents.

Please confirm by reply that you agree to all three conditions, as follows:

- No noise or vibration shall be detectable at any neighbouring noise sensitive premises. The level of music shall be arranged so as not to cause a nuisance to local residents.
- Customers will not be permitted the talk loudly in the street or to loiter outside the premises.
- Lighting shall be arranged in such a way that it will not cause nuisance to neighbouring and nearby residential premises.

On receipt of that agreement we will consider withdrawing our representation.

Please contact me if you have any questions.

Dear Pearce,

Unfortunately after several attempts to contact the company that has completed the survey at Eclipse Pizzeria club Ltd,

I was unable to speak directly with Mr Antony the risk assessor that had completed the survey.

I am so disappointed and sad with the reply.

How did Mr Antony performed so poorly with his fire risk assessment regulations.

Joao, the Pizzeria cleaner has opened the door to him and let him in now Mr Antony is blaming him. So, if Joao had told him 500 people what he would have done.

I will speak with their manager today and will research for a reliable fire risk assessment company.

Kind regards

Police representation to the Premises Licence application for Satay House Limited, T/A 'Sudu', 30, Salusbury Road, NW6 6NL.

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full **I would** withdraw my representation.

Police Officer: Paul Scott

Licensing Constable: PC 3302NW

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.

The Police representations are primarily concerned with crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm.

On Saturday 4th January 2020, police attended the venue and met with the applicant, Mr Irqam Shawal Fernando to discuss aspects of the new licence application and proposed use of the venue. The application stated the premises would open at 08.00hrs and would close at 0030hrs on Monday and Tuesday and Wednesday, 01.00hrs on Thursday, Friday and Saturday and midnight on Sunday.

The venue consists of two floors. The ground floor will be a restaurant with waiter/waitress service. The downstairs area will be a function room that can be hired out for private parties.

This would predominantly be a cocktail bar. It will not be a 'nightclub'. It was discussed that this would have to be managed correctly, with a booking procedure for customers hiring the venue.

All Licensable activities should also cease thirty (30) minutes prior to the closing time to allow customers to finish their meals and drinks and therefore stagger dispersal.

Seasonal variations were also discussed with the premises wishing to extend their hours during certain times of the year.

In relation to the separate restaurant and function room, police have included some additional conditions that should be included to assist defining the two separate areas and support the licensing objectives.

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturer's instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Operating Hours to be displayed on Premises

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item. Likewise the name of the Designated Premises Supervisor (D.P.S.) should be similarly displayed. This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

Hours for the sale of Alcohol

This restaurant is located in an area that has regularly had issues and continues to have issues regarding anti-social behaviour. Salusbury Road and surrounding streets also sees a high proportion of crime, particularly around alcohol related crime. The night time economy in and around the High Road often has a number of drunken crime related matters.

This is an issue that the police are working hard to eradicate and Police consider in order to promote the four licensing objectives that the authorised sales of alcohol do not begin daily

until 10.00 hrs and finish at 00.00hrs on Monday, Tuesday and Wednesday. On Thursday, Friday and Saturday these timings would differ slightly. The authorised sales of alcohol would begin at 10.00hrs and finish at 00.30hrs. On Sunday, the supply of alcohol will finish at 23.30hrs. This timings would also be applicable for regulated entertainment and late night refreshments.

It is proposed that there is a half hour drinking up time before the venue shuts to the public. Customers need a wind down period when music and entertainment has stopped, and a time to consume beverages. This also allows for orderly dispersal from the venue. Police recommend a thirty minute time difference between when licensable activities cease and when the premises closes to the public.

Personal Licence Holder

The sale of alcohol to drunken people and children is a major concern to police and is highlighted the Governments Alcohol Harm Reduction Strategy. Those who sell alcohol should be fully aware of the legislation and issues around alcohol and should be fully trained to a national standard.

Open Containers and Areas for the Consumption of Alcohol

Customers will not be permitted to take open containers outside the premises, as defined in the plan submitted with the operating schedule and approved by the Responsible Authorities. The consumption of alcohol will be restricted to those parts of the premises identified on the plan submitted with the operating schedule and approved by the licensing authority.

Noise Nuisance

The venue is situated close to residential properties. The personal licence holder will need to be aware of this and manage the venue correctly in order that noise nuisance does not become an issue for those local residents that would be affected by noise not only from the venue but also for those patrons leaving.

The Hire of a Private Function Room

It is imperative that the function room at the venue is managed in the correct way. Details of all outside hirers shall be logged and kept at the premises and made available for inspection by police and relevant authorities upon request. These contact details shall include; full name, address, telephone numbers and email addresses.

Police require the following points should be added as conditions on the premises licence as below.

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised officers from Brent Council upon request. This must comply with the Data Protection Act including signage.

The CCTV system shall display on any recordings the correct date and time of the recordings.

CCTV camera shall be installed to cover the entrance of the premises and further cameras installed to cover the full interior of the premises. This will include both the ground floor and basement areas.

A member of staff trained in the use of the CCTV system shall be available at the premise at all times that the premises are open to the public.

The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulders image of every person entering or leaving the premises.

The CCTV images shall be kept in an easily downloadable format.

A 'Challenge 25' policy shall be adopted and adhered to at all times.

A sign stating "No proof of age – no sale" shall be displayed at the point of sale.

Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

Alcohol shall only be provided as an accompaniment to a main meal in the restaurant area as defined on the plans submitted to the licensing authority.

The supply of alcohol at the premises shall only be to a person seated taking a table meal and for the consumption by such a person as ancillary to their meal. (Restaurant only).

The supply/sale of alcohol shall be by waiter or waitress service. (Restaurant only).

Customers must not be allowed to sit, stand or be served from the bar area or any other staff area used for the preparation of alcoholic beverages. (Restaurant only).

There shall be no vertical drinking. (Restaurant only).

Regular documented staff training on licensing legislation and operating procedures shall be given. The training shall be signed and dated and a copy of these training records will be made available for inspection by Police and local authority officers.

Customers shall not be permitted to take any open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

The designated smoking area (DSA) shall be located at the front of the premises facing Salusbury Road.

Patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall be limited to seven (7) persons at any one time.

A personal licence holder shall be present on the premises and supervise the sale of alcohol throughout the permitted hours for the sale of alcohol after 21.00hrs.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

An incident log shall be kept at the premises, and made available for

Inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- 1) All crimes reported to the venue.
- 2) Any complaints received.
- 3) Any faults in the CCTV system.
- 4) Any visits by a relevant authority or emergency service.
- 5) Any refusal of the sale of alcohol.
- 6) Any incidents of disorder.

All doors and windows shall remain closed during any licensable activities.

All deliveries shall take place during normal working hours (i.e. 09.00hrs to 18.00hrs daily).

Nudity, striptease and other entertainment of an adult nature shall not be permitted on the premises.

No children shall be permitted on the premises unless accompanied by a responsible adult.

Seasonal variations:

Notting Hill Carnival (Sunday) 08.00hrs – 01.00hrs.

Christmas Eve – 08.00hrs – 01.00hrs.

Boxing Day – 08.00hrs – 01.00hrs.

New Year's Eve – 08.00hrs – 01.00hrs.

Seasonal variations will still require the supply the sale of alcohol to cease half an hour before the premises closes to the public.

Yours Sincerely,

Paul Scott PC 3302NW
