Supplementary Information

Premises Location

The premises is a small public house located in Neasden Lane shopping centre.

Background

The premises was originally owned by a **Mr Tim Sheehan** under premises licence number 261872 and subsequently transferred to a Sharon Mullarkey (**SF001**). However, as a result of problems at the premises and the fact that the premises was still found to be related to Tim Sheehan, the premises licence was revoked in August 2018 (**SF002**).

A new application was then applied for and granted in May 2019 to a **Mr Mark Counihan** (**SF003**). The application appeared before the Licensing sub-committee as a result of concerns that Mr Sheehan was still involved in the business. The decision for this premises licence as per the committee (**SF004**), determined that the '*premises had an incredibly poor history, most of which is down to mis-management by Mr Sheehan*' (pg3) and '*It was emphasised that the basis of the application was that Mr Sheehan was going to remove himself from running the premises, and the Applicant would have day to day management of the premises*' (pg2).

The current Licence Holder Mr Counihan has never been available since prior to the initial lockdown in March 2020. Strong evidence has also been found that Mr Tim Sheehan is still involved in the premises. In May 2019 an application to vary the Designated Premises Supervisor (DPS) was applied for and changed from Margaret Harnett to a Ms Camelia Mihoc. **Camelia Mihoc** has been the DPS ever since. This was confirmed in a text message by Ms Mihoc on 11th May 2021 (**SF005**).

Complaints and Enforcement to Date

Based on the data provided by the Institute for Government Analysis on page 6 of this document, the following complaints were received and inspections undertaken at a time when Government restrictions prevented the premises from opening but subsequently were found to be contravening those restrictions. This is with the exception of the inspection undertaken on 4th July 2020 and 11th December 2020.

- On 23rd March 2020, a telephone complaint was received to state the premises are still operating and customers are entering via the rear.
- On 25th March 2020, the Licensing Enforcement Officer Esther Chan spoke to the DPS Camelia Mihoc who confirmed the premises had been closed.
- On 7th April 2020, a complaint was received to the police that drunks were stumbling out of the premises.
- On 11th April 2020, a complaint was received to the police stating that the previous licence holder **Tim Sheehan** is letting people call him to arrange letting them in via the rear of the premises to drink in the pub.
- On 29th April 2020, a complaint was received that the premises was open to members of the public, despite there being a national government lockdown. Information was also received that **Tim Sheehan** is still involved in the business.
- On 29th April Sgt Damien Smith attended the premises three times and then at 17.42hrs found persons on the premises. As officers drove past the front of the venue a male staggered out of the front door known as the licence holder, he said he'd been checking on the pub and pointed at the Field. He then informed officers he has the keys. Officers asked the male to open the door with his key or reasonable force would be used under the Licensing Act 2003 (Sec 179) as they suspected licensable activity was taking place inside. The male handed the keys to police. Entry using the key was made and inside the venue there were customers sat at the bar with pints of alcohol on the go and some were smoking with the DPS present.

The previous licence holder **Mr Tim Sheehan** was sat inside drinking alcohol and appeared drunk. All were asked to leave with immediate effect and all complied. Closer inspection of the venue revealed that two whole new barrels of alcohol had been delivered and ready for consumption. The DPS was told that Licensing will apply for a review of the premises licence and the Local authority will be informed. Two new beer barrels arrived whilst police were on the scene. A statement provided by Sgt Smith is attached **(SF006)**.

- On 30th April 2020 an email was received from Sgt Damien Smith stating that anonymous intelligence received to the police to state the premises is open to members of the public carrying out licensable activities
- On 4th May 2020 a call was made to 999, when police attended **Mr Tim Sheehan, Ms Mihoc** and another male were outside the premises door. The call had been made by Tim Sheehan. When officers went in, the taps were wet and the premises smelt strongly of cigarette smoke.
- On 7th May 2020 the police and I attended the The Field. Sgt Smith went to the rear of the premises to find a male sat on the steps. He stated he was waiting for **Tim Sheehan** to let him in. Tim arrived and was rude to officers. When the police said they would force entry, Tim Sheehan replied, that he would sue, which was suspicious because he should have nothing to do with the premises. The male (a priest from Gerrards Cross), collected the items he stated he came to collect and left.
- On 12th May 2020, I attended the premises to serve a prohibition notice **(SF007)** based on the visit undertaken by the Police on 29th April 2020 where the premises were found to be open and carrying out licensable activities. On this day, the police arranged removal of the CCTV hard drive as evidence. A replacement was to be given to the premises.
- On 17th May 2020, a complaint was received that the premises are opening on Friday's, Saturday's and Sunday's and letting customers in through the back door after making a call to **Tim Sheehan**.
- On 26th May 2020, I visited the premises to speak to the DPS regarding the prohibition notice that was served as further complaints were still being received.
- On 12th June 2020, a complaint was received that on Sunday 7th June 2020, stating the premises was busier than ever with at least 15 customers in the premises.
- On 19th June 2020, a complaint was received that there were at least 8 customers in the premises.
- On 4th July 2020, Esther Chan, a licensing enforcement officer visited the premises with the police. The premises were permitted to be open on this day. At the time of the visit, Ms Chan spoke to the DPS regarding the CCTV and the DPS stated that when the police took their hard drive and swapped it with another one, they did not give the premises the password to the CCTV system. A number of non-compliances were found in relation to the premises licence conditions.
- As a result of non-compliances during the inspection at the premises on 4th July 2020, Esther wrote a warning letter to the premises on 16th July 2020 **(SF008)**. The letter asked Mr Counihan to make contact as there was no telephone number or email address to communicate with him. Mr Counihan did not reply. A year earlier on 5th Jul 2019, I had

written a similar warning letter to the premises in relation to premises licence conditions that were breached (SF009).

- On 11th December 2020, I visited the premises and gave advice on manual registration and 2m spacing. The premises were again permitted to be open on this day. Whilst at the premises, checks were made to ensure the premises had the password given to the premises by the police for the CCTV hard drive. I checked past dates to ensure the CCTV was recording.
- On 18th December 2020, an anonymous call was received at approx. 15.00hrs stating the premises is open with customers currently there.
- On 18th December 2020, PC Paul Scott attended at 18.10hrs and did not find anyone at the premises.
- On 19th December 2020, PC Paul Scott attended the premises and did not find anyone at the premises.
- On 31st December 2020, during routine visits, PC Paul Scott attended the premises twice following a complaint that the premises was open, to find the premises appeared closed. Another police unit attended later and found the same outcome.
- On 6th January 2021 a complaint was received that the premises is open but no specific dates or times were given.
- On 8th January 2021, Covid Enforcement officers [REDACTED] and [REDACTED] visited the premises to find three males at the rear external area all appearing to be under the influence of alcohol. There was no definitive evidence they had come from inside the premises. There was no sound from within the premises.
- On 16th January 2021, Covid Enforcement officers [REDACTED] and [REDACTED] visited the premises @ 23.26hrs to find four men coming from the back of the premises. At 23.33hrs there were two men at the rear who were clearly drunk. No direct evidence that they had come from within the premises.
- On 17th January 2021, Covid Enforcement officers [REDACTED] and [REDACTED] visited the premises @ approx. 20.23hrs to find two men leave the rear of external area to the premises. At 20.57hrs another man was seen leaving the rear of the external area. Observations ceased at 21.21hrs.
- On Monday 25th January 2021 I sent a text message to the DPS to ask for CCTV footage in relation to the 16th/17th January 2021. The DPS agreed to download this. I was to collect on Wednesday 27th January 2021 (SF010).
- On Wednesday 27th January 2022 I attended the premises to collect the CCTV footage. The DPS stated the following:- she did not have the USB stick, the CCTV was not working, they were awaiting a technician, they had had a power cut, they could not get a technician in because they couldn't afford it. When I asked why Ms Mihoc had let me attend without informing me, she apologised and said it was because I may have wanted to come in to confirm it wasn't working. I did not go into the premises. Myself and Ms Mihoc checked the DPS's phone and there were no recordings.

- On 3rd February 2021, I sent a warning letter to the premises stating the premises were contravening a condition on their licence, primarily the one where CCTV must record for 31 days. The premises were given 7 days from the date of the letter to repair the CCTV or a review of the licence would be instigated (SF011). In the same letter, the licence holder was asked to again provide a contact email and telephone number in order to communicate with him. Mr Counihan did not reply to this letter.
- On 16th February 2021 on recognising that the premises may state they had not received the letter, I sent a text to the DPS (SF012) to ask whether the CCTV had been repaired. The DPS replied stating that it was still not working and would be repaired within the next few days. This was 7 days overdue from date on which the CCTV should have been functioning as per the letter above.
- As will be seen in the information below, the police again removed the CCTV hard drive when they attended on 19th February 2021 and found licensable activities being undertaken.
- I sent a text to the DPS (SF012) on 22nd February 2021 asking whether the CCTV was now functioning to which the DPS replied stating that the CCTV drive had been removed by the police on 19th February 2021
- Friday 19th February 2021

This business was visited on Friday 19th February 2021 at 15.35 hours when the rear door to The Field, 249 Neasden Lane, NW10 1QG was seen opening with one male exiting the rear of the premises. The male admitted he was drinking in the premises, that there were other persons in the premises. He was drunk and issued with an FPN. As the rear door was then shut by another male holding the door, the police officers were therefore unable to gain entry.

At 16.40hrs, after calling for back up, the Police forced entry into the rear of the premises to find the following:

- The lights were on in the premises
- There were 11 (eleven) beer glasses with alcohol on the bar tops. The alcohol was very cold to the touch
- There were 2 (two) televisions turned on
- There were 2 (two) walking sticks
- There were 4 (four) newspapers (3 dated with 19th February 2021 and 1 dated 18th February 2021)
- 4 (four) of the nozzles were attached to the beer pumps
- The nozzle for the Guinness tap was dripping
- A calendar at the property was showing the month of February
- There was a coat on one of the bar stools and when the pockets were checked it was found to belong to a **Mr Tim Sheehan**. The police called Mr Sheehan and he agreed to return to the premises. When asked questions relating to his presence, Mr Sheehan's answers did not add up. Mr Sheehan then stated he was at the premises to check on things. Under the previous premises licence, condition Mr Tim Sheehan was not permitted to be anywhere near the premises. He was the previous licence holder and as a result of the premises licence being revoked, there were concerns that someone else may become a new licence holder as a cover up to him still being the owner. Increasing evidence has shown that Mr Sheehan is still involved in the business.
- Till transactions for 13th January 2021, 14th January 2021, 24th January 2021, 18th February 2021 and 19th February 2021.
- 2 (two) cash & carry invoices dated 3rd February 2021 and 8th February 2021 during a time when the premises should be closed

- Reset reports for 22nd December 2020, 31st December 2020, 12th January 2021, 14th January 2021, 17th January 2021 and 19th February 2021 which show regular transactions from the start of December. There were also individual receipts for other dates which have all been seized.
- Sign in sheets from customers attending regularly since December

I attach statements from Police officers and a Covid Enforcement officer [REDACTED] who attended on the day (SF013), (SF014), (SF015), (SF016).

- As a result of the visit on 19th February 2021 a Fixed Penalty Notice (FPN) was issued to the premises via post on 25th February 2021 (SF017). At the time of writing this review application, payment has not been received for this.
- On 21st April 2021 a further complaint was received stating that the premises are letting people into the premises then locking the door, not responding to police or anyone who tries to check the premises.
- Friday 23rd April 2021

On Friday 23rd April 2021 at approximately 14.00hrs, I visited The Field as a result of complaint dated 21st April 2021 which stated that the premises was again opening at a time when Government restrictions prevented them from operating.

On entering the alleyway at the rear of the premises, I noticed an unknown male sat at a bench. He asked me if I was looking for the pub, to which I responded 'yes'. He then whistled over to a an older unknown male who appeared from behind a wall. The first male sat at the bench then told the male that I wanted to enter the pub. The male looked me up and down, asked if I wanted to go in, to which I nodded and he responded 'I don't know you, but I trust you', proceeded to unlock the door with a key, let me in and then close the door behind me and locked it.

I walked down a small corridor in the premises which led to a second door and upon opening this, entered to find nine males sat in the premises drinking alcohol and two members of staff behind the bar. I introduced myself, asked everyone to stop drinking and the males all stood up and slowly made their way to the back door.

The staff behind the bar immediately began to throw away the alcohol and clean up behind the counter. All of the beer pumps were lit up and had the nozzles attached. The till was also turned on and lit up. Once all of the males left, I spoke to the two members of staff who had both worked at the premises for approximately two weeks. They had both begun working as cleaners but had subsequently been asked to work behind the bar serving customers. They were both aware that they should not be serving any customers at the premises and when asked, stated that they knew it was wrong. I asked if they knew who the owner was and they responded 'Mark', but knew nothing else about him.

I then stated to the two females that I was going to go behind the bar to check for any evidence of paperwork, where I found receipts and delivery notes dated; 12th, 14th, 15, 17th and 22nd April 2021. I exhibit photographs of these and of the premises taken whilst onsite (SF018). I then left the premises at approximately 14.15hrs.

Further Information

- I am aware the business has applied for a Government grant issued to businesses that were unable to operate during the pandemic. This grant was issued to the business.
- The business rate payer is registered as Mr Mark Counihan when checked on 10th May 2021

Summary

On three different occasions, the premises have been found to be operating at a time when Government restrictions in relation to the Covid-19 pandemic, have prevented them from doing so. It is clear from the evidence shown that the persons running the premises have no regard for the law and have continued to operate as they so wish, causing continuous nuisance. They have also caused issues of public safety in terms of the pandemic by permitting persons to congregate in the premises. They have also locked customers in the premises via a key to the rear door. Should there have been an emergency, they may not have been able to get out.

In relation to CCTV, this has not been available and despite a deadline to provide CCTV, this was not met. It appears that the premises were knowingly avoided the recording of CCTV so that they could operate during the lockdown without being caught.

It has been impossible to make direct contact with Mr Counihan and despite efforts to contact him, the Licensing Team have received no response.

It is also clear that Mr Tim Sheehan is still involved in the premises. Since last year Mr Sheehan has either been seen or mentioned on seven (7) occasions in relation to The Field. As stated premises licence number 261872 previously held by Mr Tim Sheehan was revoked and the new premises licence was granted on the basis that Mr Sheehan no longer had any involvement in the business.

Despite an inspection and warning letter 2 months after the premises licence being granted in May 2019 where conditions were not being met, it was again found that in July 2020 the premises were once again not upholding the premises licence conditions.

Both Council officers and the Police have spent an enormous amount of time attending the premises as a result of contraventions, time that could have been more effectively spent elsewhere.

It is unquestionable that the premises are unable to uphold three licensing objectives, namely prevention of crime and disorder, prevention of public nuisance and public safety and the only option the Licensing Authority see for this premises licence is for it to be revoked with immediate effect.

London Borough of Brent

Decision of the Alcohol and Entertainment Licensing Sub-Committee following a hearing on 15 August 2018 at Brent Civic Centre, Engineers Way, Wembley HA9 0FJ

NOTICE OF DECISION

PREMISES

The Field
249 Neasden Lane
NW19 1QG

1. Members of the Sub-Committee

Councillors Ahmed (C) Long and Kennelly

2. The Application

Application for the Review of the Premises Licence by the Metropolitan Police.

3. Representation

PC Sullivan, Metropolitan Police
Aleta Dollin (Joint Licence Holder and DPS) attended, represented by Callum
Haddow (Solicitor)

4. The Hearing

PC Sullivan explained that the Review had been brought on two grounds (1) Public Safety and (2) Crime and Disorder. He explained that after the last Review on the 6 September 2018 [REDACTED] was excluded from having any involvement in the running of the licenced premises and from attending the premises, without giving prior notice to the police. The police position was that these conditions were being breached.

PC Sullivan submitted that since the last Review, [REDACTED] continued to attend the premises and has an active role in the business. PC Sullivan highlighted his email correspondence with Miss Dollin, in which she repeatedly requested [REDACTED] to attend the premises. In one of the correspondence Miss Dollin asked for [REDACTED] to work as "door staff".

On the 6 February 2018, Officers attended the premises and found [REDACTED] in the premises, heavily intoxicated. No prior notice had been given to the police.

Furthermore, it took place in the early hours of the morning after the appeal against the suspension of the licence had been dismissed by the court. Accordingly, the police suspicion was that the premises may have been trading whilst the licence was suspended.

On the 30 April 2018 [REDACTED] attended the premises, without giving prior notice to the police. Police received a call stating that a fight had broken out. Upon attending the premises Police saw [REDACTED] attack a customer.

On the 9 June 2018 a fight broke out outside the premises at 01:15, where a patron was sprayed with CS Gas. The SIA Officers did not call 999, nor was the incident reported to the police until days later. The police had requested the printout from the ID Scanner for the evening, however this had not been provided.

On the 7 July 2018 an intoxicated male had been allowed into the premises, again without use of the ID scanner.

PC Sullivan set out that, since the last Review, in his opinion, there had been no improvement in the running of the premises.

Lastly, PC Sullivan set out that as recently as the 2 August 2018 he attended the premises and saw [REDACTED] at the venue, again without prior notice.

PC Sullivan submitted that due to poor management, the licensing objectives were not being upheld. The police position was that the licence should be revoked.

Under questioning from the Licence Holder PC Sullivan confirmed that CCTV had been provided by the premises for the 30 April 2018 incident and no further action taken by the police in relation to [REDACTED] PC Sullivan however emphasised that if [REDACTED] had not been at the premises, as per the conditions, the incident would not have taken place. Likewise, on the 7 July 2018, had the door staff telephoned the police.

It was confirmed that there was no allegation of drug dealing inside the premises.

PC Sullivan was asked about the wider impact on the community of revoking the licence. He answered that if the licence was revoked it might, possibly, reduce crime and disorder in the area. However, he noted that the premises were adding to police problems, by taking up valuable police time.

The sub-committee were addressed on behalf of the premises licence holder by Mr Haddow. It was accepted that this premises had its problems but submitted that since the last review significant improvements had been made. It was further accepted that the premises was not perfect.

The sub-committee were asked to be cautious about attributing responsibility to issues outside of the premises to the management of the pub.

In relation to [REDACTED], it was explained that there had been occasions where he had been required to attend the premises to deal with leaseholder matters, for examples the leaks from upstairs. Furthermore, [REDACTED] had been required to act as "back-up" to the door staff. It was explained that [REDACTED] had a number of "personal issues" which he had been dealing with, and that this would lead to improvement in his behaviour.

It was submitted that the issues as outlined in the review could not be all attributed to the fault of the premises.

Under questioning Ms Dollin accepted that on occasions the ID scanner had not been used. She stated that she had not considered closing the premises if the scanner had not been working.

Ms Dollin was asked what more could she do to improve the situation at the premises. She could not give a time-frame but stated that she could make the changes necessary.

It was confirmed that an outside organisation changed the passcode to the scanner, and this was every few months. It was accepted that more training was needed.

Ms Dollin stated that she was "not good" with technological issues and this was why she had not brought the CCTV with her.

In relation to [REDACTED] attendance, Ms Dollin stated that there was "grey areas" in relation to his attendance, but she was learning how to deal with these issues.

It was confirmed that the Licence Holder's agent was putting together an induction process for the training of staff.

Ms Dollin accepted that she should have undertaken her training in relation to the CCTV much earlier.

In summing up PC Sullivan submitted that the steps taken at the last Review had not had the desired effect. [REDACTED] was still attending the premises, without notice. In short, the premises were not taking the licence conditions seriously. He suggested that at present the premises were struggling to comply with the current conditions, as such new conditions would not solve the issues. Likewise, a suspension would not serve any purpose.

The Licence Holder submitted that the sub-committee should take care to properly analyse the incidents. He suggested that with proper training the licensing objectives could be upheld. It was submitted that the current conditions were adequate.

5. Determination of the Application

The sub-committee determined the application in accordance the provisions of the Licensing Act 2003. Further the sub-committee considered the matter with a view to promoting the licensing objectives, namely:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

In making its decision the sub-committee also had regard to the Guidance issued under Section 182 of the Licensing Act 2003 and Brent's licensing policy. In addition, the sub-committee took account of its obligations under section 17 of the Crime and Disorder Act 1998.

The sub-committee were mindful of the need to reach a decision that was necessary, proportionate, and justified on the evidence before them.

6. Decision

The sub-committee have listened carefully to the submissions made by both parties.

This is the second time, in under a year that this premises has come before the sub-committee for Review.

At the Review on the 6 September 2017 the police sought revocation of the licence. Miss Dollin gave assurances that she would be robust in the management of the premises and that with new conditions, the licensing objectives would be upheld. The sub-committee, whilst being satisfied that grounds existed for the revocation of the licence, were content to give Ms Dollin an opportunity to turn the premises around.

Despite that, the situation has not improved. [REDACTED] has continued to frequently attend the premises, without giving prior notice to the police. The licence conditions imposed on the last occasion are not being adhered to. There is evidence to suggest that the premises were trading during their period of suspension.

It is suggested by the Licence Holder that the problems at this premises are related to a lack of training. We do not accept this. Clear conditions were imposed on the last occasion. Furthermore, the Licence Holder has had ample time to ensure her and her staff are properly trained.

We have considered whether a period of suspension would give Ms Dollin further opportunity to make improvement at the premises. However, a period of suspension was imposed on the last occasion. We have also considered whether further conditions along with a reduction in hours would be appropriate. However, we do not have confidence in the Licence Holder to properly implement them.

The Licence Holder has not presented us with a clear and detailed plan to improve this premises. Previous changes in the Licence Holder and DPS have not worked.

Accordingly, the sub-committee are satisfied that the only appropriate and proportionate step is to revoke the licence.

7. Right of Appeal

The parties have a right of appeal to Brent Magistrates' Court against this decision

If you wish to appeal you must notify Brent Magistrates' Court within a period of **21 days** starting with the day on which the Council notified you of this decision.

NOTICE OF DECISION

PREMISES

Sally's Bar
249 Neasden Lane
NW10 1QG

1. Members of the Sub-Committee

Councillors Ahmed (C) Long and Maurice

2. The Application

Application for a new premises licence for the Sale & Supply of Alcohol and Recorded Music from 10:00hrs to 00:00hrs Sunday to Wednesday, 10:00hrs to 01:00hrs Thursday and 10:00hrs to 02:00hrs Thursday & Friday; Live Music from 19:00hrs to 00:00hrs Sunday to Wednesday, 19:00hrs to 01:00hrs Thursday and 19:00hrs to 02:00hrs Thursday & Friday and to remain open from 10:00hrs to 00:30hrs Sunday to Wednesday, 10:00hrs to 01:30hrs Thursday and 10:00hrs to 02:30hrs Thursday & Friday.

3. Representation

The Applicant Mr Counihan did attend and was represented by Mr Sutherland.

The local resident objector did not attend.

4. The Hearing

Mr Sutherland commended the application to the panel, along with the agreements with the responsible authorities. It was noted that the only outstanding objection was from a local resident, who had not attended the hearing. It was noted that the opening and licensable hours has been amended by agreement since the application had been made.

The licensable hours agreed with the responsible authorities are as follows:

Supply of Alcohol

Monday to Sunday – 10:00hrs to 00:00hrs (changed)

Hours Premises is Open to the Public

Monday – Sunday – 10:00hrs to 00:30hrs (changed)

Non Standard Timings

There shall be no non-standard timings

In addition, it was agreed to remove the following licensable activities

- Live Music
- Recorded Music
- Anything of a Similar Description

It was emphasised that the basis of the application was that Mr Sheahan was going to remove himself from running the premises, and the Applicant would have day to day management of the premises.

Councillor Long, noting that the intention was to attract a “younger crowd” and questioned the Applicant as to how he intended to do this. The Applicant stated that he had identified a new client base.

The Applicant, under questioning, confirmed that the capacity had been set at 110, without the furniture. It was confirmed that between 40 – 45 could be seated at any one time. As to the capacity Mr Sutherland submitted that the Public Safety Officer had set the capacity and the sub-committee should accept the recommendation.

It was confirmed that an application for a new DPS needed to be made, but the premises was looking to open as soon as a licence had been granted. The Applicant stated that he was not sure, as yet, how busy the premises would be. The Applicant confirmed that, as far as he was aware, Mr Sheehan did not live about the premises.

It was confirmed under questioning that the lease had been executed.

There was no summing up from the Applicant.

5. Determination of the Application

The sub-committee determined the application in accordance the provisions of the Licensing Act 2003. Further the sub-committee considered the matter with a view to promoting the licensing objectives, namely:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

In making its decision the sub-committee also had regard to the Guidance issued under Section 182 of the Licensing Act 2003 and Brent's licensing policy. In addition, the sub-committee took account of its obligations under section 17 of the Crime and Disorder Act 1998.

The sub-committee were mindful of the need to reach a decision that was necessary, proportionate, and justified on the evidence before them.

6. Decision

The sub-committee have listened carefully to the submissions made by the Applicant. We have noted the agreement reached with the Responsible Authorities, although we remind the Applicant that, regardless of any agreement, the decision still rests with this sub-committee.

This premises had an incredibly poor history, most of which is down to mis-management by Mr Sheahan. We are, however, satisfied that with the agreed conditions the licensing objectives can be upheld at this premises.

We do have one area of concern. Whilst the capacity has been set by the Public Safety Team we consider 110, without furniture high. We note that the Applicant has stated that he expects the seating capacity to be 40-45. We expect the Applicant to take a pro-active approach in managing patrons capacity and to review the position should the necessity arise.

The Application will be granted with the agreed conditions.

7. Right of Appeal

The parties have a right of appeal to Brent Magistrates' Court against this decision

If you wish to appeal you must notify Brent Magistrates' Court within a period of **21 days** starting with the day on which the Council notified you of this decision.

Date: 7th May 2020

This statement refers to a visit to The Field Public House 249 Neasden lane NW10 ONL on the 29th April 2020 at around 1640 Hours. On Wednesday 29th April I was on duty in full uniform and patrolling Brent borough as part of a serial designated to engage with people out and about during the Corona virus pandemic and encourage them to stay at home. As the licensing sergeant for Brent I was aware of several reports of The Field PH still being open to the regular customers. Some calls were reported direct to police and some reports were received via crime stoppers. At approximately 1635 hours I noticed a male stumble from the front door of the Field public house. I recognised him from previous visits to the venue. This male was stopped by Police and asked where he had been? He eventually admitted to having been in the Field Pub and was very intent on calling someone. I suspected he was hoping to call people in the pub and requested he not use the phone. I mentioned I had the legal powers to force entry to the pub as I suspected licensable activity was taking place and the male stated he had keys to the pub. The male dropped these keys and police picked them up. Everyone walked to the pub and opened the main door with the key and walked in to the venue. Inside the venue you could hear a pin drop as several older males were sat around and at the bar with fresh pints in front of them. There was cigarette smoke at the end of the bar where a blonde haired female was standing. The DPS had been caught in the act of 'business as usual', certainly not adhering to the licensing objectives.

I recognised several people in the bar and reminded them that due to the Covid 19 virus being so deadly, each of them were putting their own lives at risk and to anyone else they encountered. Everyone was told to leave immediately or they could be liable to enforcement action against them. The blonde female produced her UK Provisional drivers licence as ID. I recognised her name as that of the DPS for the venue as of June 2019, Miss Camelia MIHOC. One of the males seen drinking confirmed his name as Tim Sheehan, the former owner of the bar. He was asked to leave or face enforcement.

Police remained with the DPS Camelia MIHOC. She seemed fairly calm when all the males were around but slightly agitated once they had all left. She wanted to know what happens next as she is the responsible party involved and aware the bar was open. I explained to her that I was extremely disappointed and expected better especially given the current circumstances. I told Miss MIHOC that I would be reporting her to the issuing authority at the London Borough of Brent. I also explained that since the new ownership for the venue every visit had revealed issues and it was highly likely the premises would now be taken to a review of its licence. Miss MIHOC acknowledged this and did not reply with much other than

Continuation of Statement of:

something like, so what happens now? I explained that further visits could take place and the venue must remain closed to the public.

While in the premises it appeared that there had been a delivery of two new beer barrels. This was pointed out to Miss MIHOC who declined to comment. Police waited while Miss MIHOC turned lights off and exited with her to insure she locked the premises up. Upon return to my station I emailed this matter to the Local authority.

On the 4th May 2020 a call was made to the 999 system. A male and female seemed to be heard arguing about staying away from the door. Police attended and found Mr Sheehan drunk with Miss Mihoc and another male. Officers in attendance spoke to all three and were suspicious that they had been in the pub despite being told NOT to open. Access was gained and officers checked the taps where pints are pulled and they appeared wet. The venue smelt strongly of cigarette smoke as in recently smoked. Officers believe the three had been in the venue, moments before they had arrived. The number to the Police call handler belongs to Mr Timothy Sheehan.

On Thursday 7th May 2020 I attended the Field Public House and at the rea a male was found sat on the steps. He informed officers he was waiting for Tim to let him in. Tim arrived a short while later and was quite abrupt and rude to officers. Police informed Mr Sheehan that entry would be forced if deemed proportionate or if any suspicion that there was licensable activity taking place inside. Initially Mr Sheehan remained uncooperative and then he gave the other male the keys to let police inside. Once inside it did not appear that the regular activity reported had been or was taking place. The male with the keys (A Priest from Gerrard's Cross) collected a watering can and another bag from inside which was in keeping as to why he was there. Mr Sheehan did not want to engage with officers directly and stated if Police kick the door down he would sue them. I find this comment interesting as Mr Sheehan has nothing to do with the management, ownership or lease of the premises according to his solicitor Robert Sutherland from Keystone Law. The DPS was called and said she can't make it to the venue until Monday.

Based on the reported activity and clear public safety concerns I have reported this venue to the council. All visits are supported by Body worn video as evidence. Police will submit an application for a review of the premises licence. The council will serve the DPS with a prohibition notice to cease trading. [REDACTED]

There were items missing from the incident book, such as the visit from PC [REDACTED] to request CCTV, the incident where a suspect ran through the premises, the visit from Damien last week etc. You must enter all incidents into the book.

You will need to ensure that all of the above conditions are met as a follow up inspection will be undertaken. If the conditions are still found not to be met, the premises licence **will be reviewed**.

You will not receive any further warnings.

Our Ref: Premise Licence 14861

Dear Mr Counihan,

Licensing Act 2003 - Breach of Premise Licence Conditions
Re: The Field, 249 Neasden Lane NW10 1QG

I am writing to you in relation to the recent complaints we have again received of the above premises opening to customers and carrying out licensable activities during the current government lockdown.

As you are aware there were previous complaints which once investigated were verified to be accurate, as the premises was found to be operating, carrying out licensable activities when in fact it should have been closed. On 12th May 2020, a prohibition notice was served under The Health Protection (Coronavirus, Restrictions) (England) Regulations 2020. At the time of my visit, I was informed that you were in Ireland due to family matters.

A warning letter was then sent to you on 16th July 2020 in relation to an inspection carried out by Licensing Inspector Esther Chan, which detailed the breaches in licence conditions, during her visit.

On 27th January 2021, I visited the premises to meet with the DPS Camila Mihoc to collect CCTV footage as a result of the most recent complaints. On attending, Ms Mihoc was unable to provide the CCTV footage as the drive had not been recording.

You are reminded that there are 6 conditions relating to CCTV, condition number 1 being ***'CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council. This must comply with the Data Protection Act including signage'***. This condition is not limited to when licensable activities are taking place or opening times/closing times. Regardless of whether there is government lockdown, you would

therefore be required to ensure your CCTV is recording for 31 days, which must be made available to officers upon request.

You now have 7 days from the date of this letter to produce evidence that the CCTV hard drive is recording. This will need to include:-

- A receipt to show the drive has been repaired.
- A recording of one hour of your choice showing a date and time since the hard drive was repaired.

Should you a) fail to produce this or b) fail to provide CCTV footage should it be requested again, the premises licence will be reviewed immediately. This is likely to be a request for revocation due to the number of issues to date.

What is also of concern, is that Mr Tim Sheehan should not be involved in the premises, but he attended the premises last year when I and the police carried out an inspection. He alluded to the fact that he still has involvement in the premises when he said he would sue the police if they attempted forced entry. If Mr Sheehan is found to be involved in the premises, this will again be a reason for a review of the premises licence.

I cannot convey enough, the seriousness of these matters and the subsequent consequences that will follow, should you fail to adhere to both government regulations and premises licence conditions.

Further, my colleague Esther Chan asked for a contact telephone number and email address for you, but you have not provided this. In addition, you have not confirmed whether the home address you have provided on the premise licence is still valid. Please email me using the email address at the top of this letter with the details as requested.

I look forward to hearing from you.

Yours Faithfully

Susana Figueiredo

Date: 19/02/2021

I am police constable [REDACTED] based at KILBURN police station in the QK-BCU. I am a Dedicated Ward Officer for WILLESSEN GREEN Ward which is also situated in the QK-BCU.

I am providing this statement in relation to the visit made to THE FIELD pub, NEASDEN LANE NW10 and the subsequent breaches of Covid Government Regulations carried out by the owners and customers of THE FIELD PUB, 249 NEASDEN LANE NW10 on FRIDAY 19TH FEBRUARY 2021. This statement refers to CAD 5093/19FEB2021.

On FRIDAY 19TH FEBRUARY 2021 I was conducting foot patrol with [REDACTED]. Myself and PC 2599NW were walking along NEASDEN LANE whilst PC 2046NW, PS 128NW, PCSO 7001NW AND PCSO 7887NW conducted patrols in the alleyway directly adjacent to NEASDEN LANE NW10. At approx. 1630hrs myself and PC 2599NW walked around to the alleyway which is directly adjacent to NEASDEN LANE and observed PC 2046NW talking to a male whom I later learned was called [REDACTED]. I was informed by PS 128NW that [REDACTED] had exited THE FIELD PUB using the BLACK back door when PC 2046NW and PCSO 7001NW were walking past. I was informed that the BLACK back door was being held open by an unknown person from the inside of THE FIELD pub and when sighting police, they have instantly shut the BLACK back door disallowing anyone from entering THE FIELD PUB. I was informed by PS 128NW that [REDACTED] had admitted that he had been inside THE FIELD pub and had been drinking. [REDACTED] had also admitted that there were other people still in THE FIELD pub. With this information, myself and PC 2599NW walked back round to NEASDEN LANE and approached the main customer entrance to THE FIELD pub. We both knocked on the door announcing that we were police. This generated no response. At approx. 1645hrs PC [REDACTED] arrived on scene with an enforcer and under S179 and S180 LICENSING ACT 2003. At approx. 1648hrs PC [REDACTED] used the enforcer against the door causing it to open. This was flagged up in CAD 5093/19FEB2021. I followed PC [REDACTED] into the pub and all the lights to the pub were on. This was very strange as the pub have to closed as per Covid Government regulations and if so then the lights to the pub should have been turned off. Importantly, I immediately observed eleven (11) beer glasses with alcohol within situated on the bar tops. Significantly, when I touched the glass the

 liquid inside was very cold. This shows that the liquid had only just been poured into the glass. I observed two (2) of the televisions switched on, two (2) walking sticks and four (4) newspapers. Three (3) of the newspapers had today's date (being FRIDAY 19TH FEBRUARY 2021) and one (1) had THURSDAY 18TH FEBRUARY 2021 on. I also noticed that the at least four (4) of the beer pumps had the nozzles attached. The nozzle for the GUINNESS tap was dripping indicating that it had just been used. The significance of these nozzles is that they are only attached onto the beer taps when they are being used. They are stored in soda water over night or when the pumps are not being used. This shows that the bar pumps had very recently been used. I also observed the calendar which was left on FEBRUARY. This indicates that someone had been in the pub to turn the calendar to the correct date, despite the pub being closed. On one (1) of the bar stalls I observed a dark coloured coat on and on the bar top was a pint glass with alcohol within. The ID found within the wallet of the coat had the name Timothy SHEAHAN on. After checking the police systems (IIP and PNC) the telephone number of SHEAHAN was identified. PC [REDACTED] contacted SHEAHAN using this number and SHEAHAN agreed to return to THE FIELD. When SHEAHAN arrived I asked SHEAHAN 'WHY IS THERE A BEER NEXT TO YOUR JACKET?' SHEAHAN did not provide an answer. I then asked SHEAHAN 'SO WHERE YOU HERE DRINKING?' SHEAHAN replied 'NO'. I then asked 'SO HOW COME THERE IS A HALF DRUNK GUINNESS BY YOUR COAT? AND THERE IS ANOTHER ONE, IS THAT NOT YOURS?' SHEAHAN replied in a slurred voice 'I DONT KNOW'. I asked YOU LOOK A BIT NERVOUS'. SHEAHAN said I AM NOT NERVOUS. I told SHEAHAN BECOUSE AT THE MOMENT YOU WILL GET A COVID FINE WHICH IS £200. SHEAHAN asked WHY and I replied BECOUSE YOU CLEARLY HAVE BEEN HERE, SHEAHAN said YEH. I continued AND YOU ARE NOT ALLOWED TO BE IN HERE AND THAT IS THE MINIMUM YOU ARE GETTING AT THE MOMENT. SHEAHAN then began talking however I could not understand as SHEAHAN was slurring his words. SHEAHAN then said I HAVE TO CHECK THINGS. I COME IN HERE TO CHECK THINGS. I replied asking SO YOU ARE NOT THE OWNER, SO WHY ARE YOU HERE APART FROM JUST COMING IN HERE TO CHECK THINGS? SHEAHAN replied NO REASON. I continued SO WHAT LEGAL REASON DO YOU HAVE TO BE HERE UNDER GOVERNMENT REGULATIONS? YOU ARE BREAKING COVID? SHEAHAN answered I HAVE TO CHECK TO MAKE SURE NO ONE BREAKS IN. I said WELL SOMEONE HAS BROKEN IN AND IT LOOKS LIKE THEY HAVE HAD A PARTY IN HERE. At this point PC [REDACTED] asked WHAT TIME DID YOU LEAVE HERE? SHEAHAN answered 1000 O CLOCK. PC [REDACTED] asked SO THE CCTV WILL SHOW YOU LEAVING AT 10 O CLOCK. SHEAHAN said YES. I asked ARE YOU A HUNDRED PERCENT SURE? AND IF I CHECKED BRENT CCTV OUTSIDE WOULD HAVE CAPTURED YOU AT 10 O CLOCK LEAVING? SHEAHAN answered I DIDNT GO THROUGH THE FRONT DOOR. I asked WHY DID YOU NOT GO THROUGH THE FRONT DOOR? WHY ARE YOU GOING THROUGH THE BACK DOOR? SHEAHAN answered BECOUSE I FELT LIKE IT. I then stated to SHEAHAN I THOUGHT YOU HAD LEGAL REASONS TO BE HERE? SHEAHAN remarked YEAH BUT WHAT DIFFERENCE DOES IT MATTER WHAT DOOR I GO THROUGH? I then stated TIM I AM GOING TO GIVE YOU A COVID FINE. I stated YOU ARE NOT ALLOWED TO BE HERE. THE PUB IS CLOSED. YOU HAVE SAID ON BODY WORN CAMERA THAT YOU HAVE BEEN HERE. AND YOU HAVE NO LEGAL REASON TO BE HERE APART FROM TO CHECK THINGS. BUT YOU DO NOT OWN THE PUB. YOU HAVE NOTHING TO DO WITH LICENSING. YOU TOLD MY COLLEAGUE ON THE PHONE SO YOU SHOULD NOT BE HERE. IRRESPECTIVE OF YOU COMING HERE TO CHECK THINGS, YOU SHOULD NOT BE HERE BECOUSE THE

 PUB SHOULD BE CLOSED. AND THE FACT YOU ARE COMING FROM THE BACK DOOR AND NOT THE FRONT DOOR. SO I AM GOING TO GIVE YOU A £200 COVID FINE. PC [REDACTED] asked SHEAHAN are you employed here? To which SHEAHAN said NO. I then confirmed YOU HAVE A COVID FINE. PC [REDACTED] informed SHEAHAN YOU CAN CHALLENGE IT AND GO TO COURT OVER IT AND YOU WOULD HAVE TO EXPLAIN WHAT YOU HAVE JUST STATED HERE TO A JUDGE. I informed SHEAHAN that if SHEAHAN pays the fine within 14 days then the fine would be £100 and not £200. To this SHEAHAN said YES. At approx. 1700hrs SHEAHAN left THE FIELD PUB and I began to conduct a search of the bar area. During this search I found and seized a large number of receipts for till transactions that were conducted on the 13TH JANUARY 2021, 14TH JANUARY 2021, 24TH JANUARY 2021, 18TH FEBRUARY 2021 and 19TH FEBRUARY. I also seized two (2) CASH AND CARRY invoices which stand as evidence for THE FIELD requesting orders to restock their merchandise during the period of time when all pubs are closed due to Covid. I have also seized four (4) newspapers. Three (3) of these have got today's date (being the 19/02/2021) and one of them had the 18/02/2021 on which is yesterday's date. This provides evidence that someone had been in the pub to deliver the newspapers and to place the newspapers on the bar top. The presence of the newspapers signifies that someone had visited the pub today and yesterday and planned to be there for a length of time. The newspapers were located near to beer glasses which were full with alcohol. This indicates the possibility that the person who the glass of alcohol belonged too were reading the newspapers. I have also seized a number of reset reports which provides evidence of regular transactions from the start of December. Lastly, I have seized a number of sign in sheets which provide details of those attending THE FIELD regularly from DECEMBER 2020.

From the items I have seized and the layout of the interior of THE FIELD I am beyond reasonable doubt that THE FIELD is still being used as a functioning business despite the Government regulations. The presence of the half drunk beer glasses, the newspapers, the receipts recording regular transactions, the lights being on, the male exiting the building, the admittance from SHEAHAN that he was within the pub clearly demonstrate that significant licensing and Covid regulations have been breached.

I have captured this on my body worn camera which I have exhibited as MLM/15 and MLM/16.

I have also seized a large number of exhibits from THE FIELD pub. These are;

This statement refers to my seizure of evidence with regards to breach of licence conditions and COVID regulations at THE FIELD pub, NEASDEN LANE NW10 1QG. I am the above named officer and I am currently attached to Dudden Hill SNT at Kilburn Police Station as PC 2046NW. During this incident, I was in possession of a body-worn video.

On Friday 19th February 2021, I was on duty in uniform posted on foot patrol in the vicinity of NEASDEN PARADE. I was in company of PS [REDACTED] PCSO [REDACTED] PCSO [REDACTED] and a member of Brent COVID-19 enforcement team.

At approximately 1535 hours on the given date, I had finished issuing a COVID FPN to an individual I had seen leaving the rear entrance to THE FIELD pub, NEASDEN LANE NW10 1QG. This venue has been consistently reported as remaining open for business during the Coronavirus pandemic, against regulations. I was informed by PS [REDACTED] that we would enter the premises under S179 and 180 of Licensing Act 2003. Myself, PCSO [REDACTED] and PCSO [REDACTED] remained at the rear entrance to ensure no persons could leave that way. At 1640, entry was gained through the front entrance. We were allowed in by other officers. I entered the venue and saw that there were no persons on the premises. However, there was evidence that the venue had recently been vacated and that the business was still operating. PC [REDACTED] was one of the officers who had assisted in gaining entry and he had found that the till was on, containing a large amount of cash. He asked me to assist in counting it. I did so and once we were finished, I seized the cash as evidence that the venue had been operating against its licencing conditions and Coronavirus regulations.

I list below my exhibits:

TPB/01 - Body-worn video of the incident.

TPB/02 - MPSA24820355 - 66/1070 - 105/1922 - £545 in banknotes.

TPB/03 - MPSA24820354 - 66/1070 - 105/1923 - £51.30 in loose change.

I am Sgt [REDACTED] of the Metropolitan Police Service. I am attached to Dudden Hill Safer Neighbourhood Team. This statement refers to a believed licensing and covid breach at The Field Public House 249 Neasden Lane NW10. My BWV malfunctioned so there is no footage regarding this incident from myself.

On Friday 19th February I was on duty and in full uniform in company with Pc [REDACTED], PCSO [REDACTED] and PCSO [REDACTED]. Also present was a Covid 19 council enforcement officer. Over the past month I was aware of some intel regarding The Field public house stating that they were still trading inside. Regulars were being given a number to call and they were entering via the rear door which is located down a access alleyway. This intel was recorded on the police Crimint system. At approx 1530 hours as part of our patrols in Neasden we were walking down the alleyway behind the field public house. The alleyway runs from Birse Crescent to a car park on Neasden Lane. We walked along this alleay and past the rear access area for the Field, this access area leads to a large black rear exit door of the Field public house. As I walked past I heard the door open and looked around and the large black door was open, I had an unobstructed view and it was about 10 metres away. A male I now know to be [REDACTED] stumbled out of the open door. Behind him was a IC1 male approx F510 male who immediately shut the door behind him. Pc [REDACTED] approached [REDACTED] and began to engage him, [REDACTED] appeared to be intoxicated. I walked to the large black door and knocked but I had no reply. A few minutes later we were joined by Pc [REDACTED] and Pc [REDACTED]. It appeared from what [REDACTED] was telling us that they were serving alcohol in the Field Public house and he didn't want them to get in trouble. Pc [REDACTED] issued [REDACTED] with a Covid Fine. Pc [REDACTED] and Pc [REDACTED] went to the front of the venue to try and make contact with the owners. Under licensing powers it was decided that entry could be gained by reasonable force if necessary as no contact could be made with anyone inside and it was believed offences were occurring. Additional units were requested. Entry was forced at 1640 hours and the address searched with no occupants still inside. The lights were on inside and both Tvs were on as well. There were around 10 alcoholic pints in the venue. 3 at least were full and still cold to the touch. There was a walking stick left by the bar and also a coat, wallet, bank card which was in the name of Tim Sheahan. It would appear the occupants at the venue left in a hurry. The venue can be described as a small public house approx 8 metres wide by 50 metres long. Via Police Indices Tims Sheahans number was found and he was called to attend the venue and collect his belongings. Tim did actually attend the venue approx 15 minutes later and stated that he was at the venue at 1000 this morning. He also appeared intoxicated. he collected his belongings and left the venue after He was issued with a covid fine by Pc [REDACTED]. It was clear that the pub had been trading. From various items seized its believed they have been trading for the past few weeks at least from the dates on the receipts. The pump nozzles were attached and the drip trays had liquid inside them. Till reciepts and over £500 in the till itself have been seized as evidence. The CCTV hard drive was also seized to try and identify suspects in breach of covid restrictions and also, believed breach of licence. The venue was secured using an approved boarding up service and the licensee a Mark Counihan was called on his mobile [REDACTED] with no answer. A note was left to pick up the keys to the venue from Wembley Police station. The property was placed at Wembley police station Keys and Cash on 66/1070. The rest of the items seized were booked in at Kilburn. 66 numbers 10002-10014

I am employed by the London Borough of Brent as a Covid Regulatory Support Officer, working within the Environmental and Regulatory Team Department. I do Covid-19 Patrols in the Borough of Brent. I keep an eye on Businesses and the Public to make sure the Covid-19 Government Legislation is adhered too. I also advise if need be.

This is a statement of mine in respect of Illegal Trading by the business named The Field (Pub), 249 Neasden Parade, Neasden Lane, Neasden NW10 1QG, outside Covid-19 Government Legislation Rules.

On Friday, 19th February 2021, at approximately 15:30pm, I, was involved in a joint Police Patrol, along with one PCSO, in Neasden Parade, Neasden Lane. I made a deliberate visit to the Rear Service Road of The Field Pub, as we suspected that there was activity going on inside the Pub.

While we were standing outside, the Black Rear Door opened and two white males came out. The male that opened the door saw us and quickly closed the door. The other male, who was wearing bright blue jogging bottoms and top, was so intoxicated, that he rammed into the railing. He even had wet himself. I was standing and observing what was going on, while the Police took the details of the two men. They asked him to call someone inside the Pub and ask them to open the door. But no one opened the door. I asked the Sergeant to see if they can enter the premises, because we had seen customers coming out. The Sergeant then arranged entry into the premises I stood in the Service Road with some of the Police. The rest of the Police, gained entry into the premises from the front door entrance, then the rear door was opened from inside. The Police went in and I stood outside by the rear door.

I was then asked to come in by the Sergeant. I went inside and I saw pint glasses on the tables and on the bar area. Some were empty, half full, and some were full and cold, as if they had just been poured into the glass. I saw approximately 7-9 glasses. The newspaper was dated 19th February 2021, and the Television was on.

I watched the Police completing their search, printing out till receipts and obtaining other evidence. I saw a black jacket on the back of a chair and asked the Police Officers if it belonged to any of them? They said 'No'. Then one of them emptied the pockets and found ID, a Bank Card and Keys, belonging to a Mr Tim Sheahan. I was asked by the Sergeant to call Mr Sheahan and ask him if he knew who the Licencee was. I called him and he kept on replying 'No', to my questions, as if he was programmed to say 'No'. I then put the phone down.

While in the premises, I saw a white male walked straight in from the Front Entrance. When asked by the Policewoman, what he was doing there, he replied, he had come to check something and left his keys in the Pub when he was there at 10.00 am the same morning. The male was Mr Tim Sheahan.

I asked the Sergeant if he needed me further, he replied, 'No, but thank-you for your help'. I left when the time was approximately 17:35.

During the inspection of the premises I took 23 colour digital photographs using my work mobile phone camera. I later downloaded these and now produce colour printouts of each image in evidence, exhibited by me as exhibits AA1 to AA23, inclusive.
