Please give a general description of the premises (please read guidance note 1)

Burger Bitez is a burger bar with a difference. All of the burgers are home-made to a unique recipe. The patties are 'smashed' in front of the customer and all food is made freshly to order. Although it will undoubtedly be billed as such, it is not a fast food premises per se, it is in essence a restaurant first, that offers the takeaway option. There is essence nothing rushed about the preparation or service.

This restaurant has been a long time coming for the proprietor, Mohammed Al-Ali who has spent his entire life learning the trade from his father, amassing 15 years of experience.

His father has owned a number of businesses over the years, all of which Mohammed has worked in, from part time while studying to full time. Previously the family owned Al-Sultan in Colindale, Sultan gardens in Kingsbury and most recently Noor Palace, a wedding and events venue in Ealing.

Mohammed stepped away from the family business for a brief time while he entered the motor trade industry, but soon returned when his father gave him the opportunity to set up and run his own business, in his own way.

The premises has only been open for a few months and already customers are coming from far and wide to dine or take away. Whilst it is early days, thoughts are already leading toward opening another Burger Bitez nearer to Ealing where a huge amount of custom originates.

Mohammed was brought up on the importance of customer service and it is something that he strives toward each and every day. Another goal is that he wants to assist his father into an early retirement given that he has committed his whole life to running the family businesses from dawn to the early hours 7 days a week.

The premises has been designed with attention to detail suggesting on first look that it is not a normal burger restaurant, there is a little class not just about the product but the premises too.

The dining area is spacious to ensure even when the premises is at capacity, that it does not look crowded. Admittedly a lot more people could be accommodated in the premises than actually are, but to permit that would compromise on the customer service.

The premises has a substantial CCTV system throughout ensuring that there are no black spots, all areas are covered with cross overs. The premises has a shutter to the front for security and a steel rear door.

This application has come a little earlier than the applicant imagined it would. This is entirely down to customer demand and requests.

Dear Licencing Team,

I have certain objections to this new premises licence application at 455 Kingsbury Road by Burger Bitez as set out in your email.

As everyone is well aware Kingsbury Road is not a night life area because we have residential properties above the businesses and the nearby streets would undoubtedly bear considerable brunt of noise pollution from late night vehicles and extra people traffic.

Therefore, in line with my objections raised previously with other licence applications I voice my objections to granting this new licence unless the operating hours conform to the rest of businesses ie to be granted opening times upto midnight only and definitely not beyond.

Further, in and around Queensbury and Kingsbury we are facing considerable anti-social behaviour issues and I am reluctant to add to the burden of our policing team to have to tackle late night disruptions which no doubt would be faced by businesses staying open until the early hours of the morning.

Kind regards,

**Cllr. Kanta Mistry**

Wednesday 16<sup>th</sup> November 2022

Dear Cllr Mistry,

I write to you on behalf of my client Burger Bitez Ltd. Firstly I'd like to apologise for the time it has taken for me to write a response to your letter dated 6<sup>th</sup> of October.

I wanted to wait until the consultation period had ended to establish whether we had attracted any other objections. Unfortunately, due a printing matter which was out of our hands, the consultation period was extended for a further 17 days to the 13<sup>th</sup> of November.

Firstly, I would like to re-iterate comments within the application with regard to my client's business. Whilst a burger restaurant does not at first thought seem niche, this small but expanding business is. The burgers are all handmade on site and cooked fresh along with every other ingredient. The premises has been furnished to a standard that does not usually associate with a burger restaurant. These are not empty meals; each individual food offering is substantial. Pricing of the goods is also another factor that often changes the type of customer a business attracts. As such these products could never be called fast food, they are not light on the pocket.

The family have built up a trusted reputation for their customer service, and above all this comes first. This is ingrained in the applicant from years of training from his father and assisting at his numerous hospitality businesses throughout the years.

One thing that was mentioned during my first conversation with my client was his relationship with his neighbours. Whilst he wants to provide a service

to his customers, many of whom have asked for this (such as numerous night workers in the area), he will not do so to the detriment of his neighbours.

There are a number of conditions attached to the operating schedule that we submitted that ensure every care is taken not to cause any disturbance. This was further enhanced after discussion with the police. Most notably we included the condition that all deliveries must be conducted by bicycle or electric vehicle only. This is something another client of mine has trialled and penned as 'silent delivery'.

We have also assured that no vehicle will be left idling, and that delivery drivers will keep noise to an absolute minimum. This is easily controlled as each driver will be aware of not just the licence conditions, but the reputation of the business, and those that do not adhere to the operation protocols of the business may well find that they don't deliver for the company again. It is in their best interests, and this is something I have found with other clients that does get results.

My client is not trying to turn the area into a 'night life' area. We are aware that there are other premises open at similar times to this application and interestingly not competition either. My client has a product that neighbours, local residents and night workers to the area have requested later opening for, and that may indicate why no members of the public have objected to this application.

With regard to the anti-social behaviour issues that the area is suffering, we have what we consider adequate conditioning within our proposed schedule to ensure that this business does not add to that. Furthermore, neither the police nor the environmental service requested any further conditioning to mitigate such issues, had they I am sure my client would have been happy to discuss.

At the conclusion of what was a 45 day consultation period, during which we ensured the blue notice remained on the window of the premises, no members of the public have submitted any objection. Nor have the licensing authority, the police or any other of the responsible authorities.

You will note below that conditions were agreed with the police during consultation, the majority of which are reworded versions of those we submitted on application. This is not because we 'left something out', it is merely that different authorities and police prefer their own wording from borough to borough. Also, the licensing authority requested an additional with regard to 'right to work documents'. I have combined our original operating schedule and that of what has been amended below. Amendments are in bold, additions in italics. Therefore, all that is seen below is what has been agreed going forward.

We totally understand your concerns for this application and that is why we have been sensitive and responsive to any issues raised. We hope that the fact no neighbours, businesses or members of the public have objected and that we have happily amended the operating schedule to suit allays any fears you have.

Kind regards

**Police representations to the application for a new Premises Licence for 'Burger Bitez, 455 Kingsbury Road, Kingsbury NW9 9DY'**

Police certify that we have considered the application shown above and wish to make representations that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

Police are of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below. If these conditions were accepted in full, police would be in a position to withdraw their representations.

**Officer: Phil Graves**  
**Licensing Constable 3122NW**

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under Section 17 of the Licensing act 2003. The Police representations are concerned with all four of the licensing objectives.

**Police require the following points should be included in the operating schedule or added as conditions on the premises licence.**

### **The Application**

The application is for a new 'high end' burger restaurant with an eat-in and take away service available for its customers. The only licensable activity is for late night refreshments. The venue is already in business and now wishes to add the late night refreshments to its operating schedule to expand the business.

My only concerns from a licensing perspective is the noise generated by these later hours, so consideration will need to be taken into account for the surrounding residents and community.

The applicant's opening hours are as follows:-

Monday	11.00 to 00.00 hours
Tuesday	11.00 to 00.00 hours
Wednesday	11.00 to 00.00 hours
Thursday	11.00 to 00.00 hours
Friday	11.00 to 02.00 hours
Saturday	11.00 to 02.00 hours
Sunday	11.00 to 00.00 hours

Late Night Refreshments are Requested as:-

Monday	23.00 to 23.45 hours
Tuesday	23.00 to 23.45 hours
Wednesday	23.00 to 23.45 hours
Thursday	23.00 to 23.45 hours
Friday	23.00 to 01.45 hours
Saturday	23.00 to 01.45 hours
Sunday	23.00 to 23.45 hours

#### **Closed Circuit Television (CCTV)**

Good quality CCTV is a basic requirement to help deter and detect criminal activity for all reputable license holders. Therefore a decent quality CCTV system is an essential tool and should be installed and maintained in accordance with Home Office Guidance. The system should be fully operational during the hours of business, with a member of staff present who can operate and if required download footage upon request of the police or other recognised authority from Brent Council.

Notices will also be displayed advertising the presence of the CCTV to help promote a secure and safe dining and working environment.

**Police require the following points should be added as conditions on the premises licence as below:**

1. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request.
2. CCTV cameras shall be installed to cover all the entrances and exits of the premises
3. A member of staff trained in the use of the CCTV system shall be available at the premise at all times that the premises are open to the public.

4. The CCTV system shall display on all recordings with the correct date and time of the recording.
5. The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulder image of every person entering or leaving the premises.
7. A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.
8. Notices asking customers to leave quietly from the premises shall be displayed by the Exit/entrance.
9. All deliveries (to the venue) shall take place during the normal working day i.e. 09.00hrs to 18.00hrs daily.
10. An incident and refusals log shall be kept at the premises and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following;
  - a) Any complaints received.
  - b) Any incidents of disorder.
  - c) Any faults in the CCTV system.
  - d) Any visit by a relevant authority or emergency service.
11. Staff training must be documented and based on legislation and operating procedures. All training shall be signed and dated, and a copy of such records will be available for inspection by Police and local authority enforcement officers
12. A Clear and unobstructed view into the premises shall be maintained at all times
13. No idling of delivery vehicles.
14. The licensee will provide adequate bins for use by customers and encourage their use
15. No person shall be permitted to sit on the floor, on stairs or in gangways and passageways
16. No persons carrying cans or bottles of alcohol shall be permitted into the premises at any time.
17. The licensee shall ensure all public areas within (5) metres of the premises are cleared of litter arising from the premises daily.
18. Adequate and appropriate first aid equipment shall be available on the premises.
19. The Premises Licence Holder shall produce proof of full compliance with the Home Office "AN EMPLOYERS GUIDE TO RIGHT TO WORK CHECKS" - April 2022 or any subsequent issue. Wednesday	11.00 to 00.00 hours
Thursday	11.00 to 00.00 hours
Friday	11.00 to 02.00 hours
Saturday	11.00 to 02.00 hours
Sunday	11.00 to 00.00 hours

**On Line / Take-away Orders**

23. Drivers shall not deliver to any person anywhere other than that at the residential / business address given when the order was placed. There shall be **NO** deliveries made to any open/public spaces

24. Delivery drivers should be asked to keep noise to a minimum when collecting takeaways and must not be permitted to loiter unnecessarily

25. During licensable hours all deliveries will be conducted by bicycle or electric vehicle only

Tuesday 6<sup>th</sup> December 2022

Members of the Committee,

I write as representative to the applicant Mr Mohammed Al-Ali of Burger Bitez Ltd. We are set for a committee hearing this coming Thursday the 8<sup>th</sup> of December and though it may be useful to give you further insight to the business.

As you are aware, Burger Bitez are seeking licensable hours to permit Late Night Refreshment 2300-2345 Sunday to Thursday and 2300-0145 Fridays and Saturdays.

As the application states, Burger Bitez is a burger bar with a difference. Independently owned, the burgers are all home-made and 'smashed' on the premises. The vast majority of their dishes and a number of the sauces are also home-made. In terms of food produce, this is what sets them apart from standard 'fast food' premises.

Added to the quality of the food on order is the high specification of the premises. The attention to detail when the premises was designed earlier this year was to present a venue set apart from other similar establishments. A venue that had the look of a restaurant not of a standard fast food premises. If you are not familiar with Burger Bitez, the photos below provide an insight, a menu is also attached.

#### Application

The application was submitted at the end of September with a final date for representations the 27<sup>th</sup> of October 2022. As a result of an issue with the printers, the legal notice was not published within the stipulated ten working days. I informed the authority of this matter, which was out of our hands, and offered to withdraw and re-submit the application. Thankfully the authority stated that there was no necessity to do so and extended the consultation period to the 13<sup>th</sup> of November 2022. During the entire period, which was

over 6 weeks my client kept the blue notice on display in the window of the premises.

Mr Al-Ali always planned on submitting an application for late night refreshment, but this came earlier than he anticipated due to calls from the public. This is no surprise given that his main focus is on customer service, the quality of food, the ambience of the premises and his high standards are clearly evidenced amongst the online reviews I have pasted below.

These high standards also came across the first time I met Mr Al-Ali, he informed and showed me that he had already purchased an electric bike to assist with deliveries. He was conscious of the environmental impact and that on the noise of vehicles informing me that he would only use electric vehicles for deliveries. Whilst discussing this we agreed to implement what I term as 'silent delivery' during the hours of darkness. Bicycles or electric vehicles to transport the deliveries, with the agent contacting the customer just before delivery to save any loud knocking on doors.

During consultation discussion was had with the police and the licensing authority. Some additional conditions were added, but most were amendments of those already offered. At the end of consultation, none of the responsible authorities had objected. Neither had any members of the public. The only representation was that of councillor Mistry.

This is an extremely important point. As stated, the notice was on the premises for an extended time some 6 weeks plus. Therefore, the public had sight and knowledge of the application for over two weeks longer than one would normally. No objections. Furthermore, it was the general public and customers of my client that actually asked for this service to be extended. Finally, on hearing that my client had received the one objection a number of signatures of support were gathered, as per the attached sheet.

I appreciate that there is an opportunity during the consultation process for anyone to submit a representation in favour of an application but, I have never experienced such. We are all very quick to try and stop something that we do not agree with, but if we agree with it we often say and do nothing. This is exactly what has happened here with these residents and businesses that wholeheartedly support this application. Not necessarily because they want to dine at the premises. But, because unlike you and I, they know the applicant extremely well, they trust him and his ethos and they want to put their heads above the parapet and state as the very people the councillor represents, that they actually want this to happen.

With regard to other premises in the area we cannot comment as we are only dealing with the merits of my client. But given that the public and the experts in the responsible authorities offered no objection one could reasonably assume that there are no issues or complaints in the area and as such we are firm in our belief that if granted, this application would have no negative affect on the night-time economy

We wholeheartedly respect and understand the councillors concerns for their constituents, but the neighbours and nearby residents have had several weeks to object if they wished to, and they have not. Unfortunately, we have not had a reply to our letter to the councillor so have not had the opportunity to discuss the matter with them as we did the responsible authorities.

We look forward to discussing the matter further at committee for which my client will be present and happy to assist you in making a decision.

Kind Regards

Peter

The restaurant was clean, staff were so friendly. The customer service was outstanding and the food was out of this world! Come and give Burger Bitez a try, I promise it'll be worth it :)*
- *I'm assuming this place has newly opened. It is really place I recommend. The prices and portions are extremely reasonable. I got the dynamite chicken burger meal as a meal which was really good, i would just recommend grilling the tomatoes personally. The dynamite shrimp were also great, lush and very delicious. That totalled £14. The wings were good too, a good little bite. The onion rings had good crunch and consistency. Also, the service here is top notch, it may be a burger place but they are super attentive and helpful. I would recommend this place and I hope it succeeds*
- *The food is absolutely amazing, best food I've ever had, service is great and the staff are phenomenal. Definitely worth coming all the time, second time here and I always get the best service and I don't have to wait long for the food. Best burger place I've ever been to and only place I'll be coming to.*

Friendly and helpful people. Wish them all the best on their business!!*

- *So where do I start. A group of us went for dinner today. All of us ordered different burgers. The burgers were absolutely amazing. The size, the flavour and the juiciness was just perfect. It that wasnt enough the homemade sauces added simply a new dimension in the flavours. To finish it off we had the deserts which I believe are all homemade and they were a fitting compliment to one of the best burgers I have had in ages. Well done to the owners. This is one place I will be visiting regularly without a doubt.*

*Finally, the price of the meals is very reasonable compared to the other burger places and with the quality and portion size of the meal it is very good bargain.*

The food didn't take long to arrive and was excellent- not just a regular burger but delicious real food. Will definitely go there again. The atmosphere was fine , clean and pleasant as we're the toilets.*
