Police representations to the application to vary a premises Licence for 'North London Tavern, 375 Kilburn Road, NW6 7QB'

Police certify that we have considered the application shown above and wish to make representations that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

Police are of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below. If these conditions were accepted in full, police would be in a position to withdraw their representations.

Officer: Phil Graves
Licensing Constable 3122NW

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made to vary a premises licence under Section 34 of the Licensing act 2003. The Police representations are concerned with all four of the licensing objectives.

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

Closed Circuit Television (CCTV)

Good quality CCTV is a basic requirement to help deter and detect criminal activity for all reputable license holders. Therefore a decent quality CCTV system is an essential tool and should be installed and maintained in accordance with Home Office Guidance. The system should be fully operational during the hours of business, with a member of staff present who can operate and if required download footage upon request of the police or other recognised authority from Brent Council.

The Application

The application has been submitted to vary the venues plans by adding the first floor as an additional licensable area. In principle the police have no issues with this application but there have been recent problems of crime and disorder at the venue on match days at the venue. The main points of concern from a policing perspective was the loss of control by the venue with football fans who spilled into the street carrying open drink containers which is prohibited under the Public Space Protection Order.

Another issue are the crime figures connected to the venue. A brief search on the venue shows twenty seven (27) recorded crimes linked to the venue, which is one of the highest figures across the borough for any public house.

Police licensing officers also attended on 05/05/2023 after 19.00 hours to find that there was no PLH working at the venue. No staff at the venue were aware of this condition, which is a matter of concern. Condition seven of the license states the following:-

7 A personal licence holder shall be present on the premises from 19:00 hours until the end of licensable activities.

Adding an extra floor to the venue will obviously increase the capacity, which on some occasions has got out of hand. To accommodate this variation police are of the opinion that an updated version of the existing license is required.

If the conditions below can be agreed, police would be in a position to agree to the variations listed

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.

1. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request. Any such request should be completed within seven (7) days, or for serious offences as soon as possible.
2. CCTV camera shall be installed to cover all the entrances and exits of the premises, as well as the outside seating area, the entrance gates and the interior bars.
3. A member of staff trained in the use of the CCTV system shall be available at the premise at all times that the premises are open for trading.
4. The CCTV system shall display on any recordings the correct date and time of the recording.

5. The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulder image of every person entering or leaving the premises.

6. The Licence holder /DPS/Manager shall inspect and test that the CCTV is operational and working correctly on a weekly basis. 7. A suitable intruder alarm complete with panic button shall be fitted and maintained.

8. A 'Challenge 25' policy shall be adopted and adhered to at all times.

9. Photographic proof of age shall be required from anyone appearing to be under the age of 25

The training shall be documented and signed off by the DPS and the member of staff receiving the training. This training log shall be kept centrally and made available for inspection by police and relevant authorities upon request.

15. A capacity specific risk assessment shall be conducted by a professional qualified risk assessor. This risk assessment shall be appraised annually or at the time of any building or layout structural works

16. Off-sales of alcohol in sealed containers only.

17. Customers shall not be permitted to take glassware or any other open drink containers, outside the premises as defined on the plan submitted to and approved by the Licensing Authority or the area directly outside this area which is marked with a barrier / pavement

area (Meaning alcohol can be consumed within the two pavement areas directly outside the venue).

18. When SIA Security are deployed, they shall wear clothing that can be clearly and easily identified on CCTV

19. Door supervisors of a sufficient number and gender mix, shall be employed from 20:00 hours on any day when the premises are open for the sale of alcohol past midnight

21. No noise or vibration shall be detectable at any neighbouring noise sensitive premises

22. Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

23. A personal licence holder shall be present on the premises from 19:00 hours until the end of licensable activities.

24. Nudity, striptease and other entertainment of an adult nature shall not be permitted on the premises.

25. The playing of live or recorded music shall not be permitted in any garden or external area.

26. All external doors and windows must remain closed at all times when amplified live or recorded music, karaoke or disc jockey is provided at the premises

Match Day Restrictions – These conditions apply to only football matches at Wembley Stadium

27. The DPS or deputy shall work in partnership with the Police and if necessary comply with any direction given by a senior Police Officer, or Licensing Authority, on duty at the event. These directions may include:

(a). Ceasing the sale of alcohol for a period of time. This will be monitored and the supply of alcohol reinstated as soon as is possible.

(b). Closing the entire premises for a period of time. This will be monitored and the premises reopened as soon as possible.

28. A personal licence holder shall be present on the premises to supervise the sale of alcohol.

29. Customers shall not be allowed to congregate outside the front of the venue. The only exception to this is to use the two designated areas detailed on the plan submitted to the local authority as a smoking area only. This shall be limited to a maximum of twenty people including staff and patrons. No drinks shall be consumed in this area.

30. No drinks shall be served in glass containers, but decanted into plastic, polycarbonate or toughened plastic drinking vessels.

31. The premises shall only take one set of football supporters on match days. (Details of the team splits will be communicated by the police / council on a game to game basis).

32. No children shall be admitted unless accompanied by a responsible adult.

33. The number and timings of SIA registered door staff required shall be risk assessed, but a minimum of two (2) SIA registered security shall be put in place at least 4 hours before the designated kick-off time. They will remain on site until at least 2 hours after the game has finished.

If the applicant is able to agree to the conditions below, police would be in a position to withdraw representations.

Yours Sincerely,

PC Phil Graves 3122NW

Good afternoon,

The above application has been forwarded to the Nuisance Control Team for consultation.

I have looked at the application and before we are able to comment on this application, we would need further information to advise on how the objective below will be met:

d) The prevention of public nuisance

In particular, proposed methods for the prevention of noise from adversely affecting local residents from both breakout noise from the premises (live music/ vocals, recorded music) and noise from patrons will need to be demonstrated. Methods of prevention of excessive noise from patrons outside of the premises will also need to be demonstrated.

Until such time as we receive this information, we wish to oppose this application.

Kind regards,

Diane Lewis

This pub is already problematic in terms of noise and nuisance late at night, already the noise from the live music and drunk customers keeps us awake some nights. Even with the current licence, customers often hang around late outside, urinate/drink more by our property and this would only get worse if their hours are changed. Extending their licence will have a very concerning impact on local residents.

Subject: Re: North London Tavern, 375 Kilburn High Road, NW6 - Variation Application

Good Morning,

I feel disappointed with the response I got. My concerns remain the same if the first-floor function room plans are varied. As stated in my initial observation: We are already struggling with the anti-social behaviour and noise associated with this venue, therefore we are objecting to any changes in how it operates unless the hours are reduced.

This page is intentionally left blank

Hi, I would like to object to the increased opening hours, increased times that live and recorded music can play until, and the removal of conditions that windows/ doors must be closed during loud live and recorded music. This is on the grounds of prevention of crime and disorder (largely disorder) and prevention of public nuisance. We live extremely close to the venue on this very residential road. our bedrooms are at the front of the neighbouring property and on the ground floor so very close. There is already a large amount of noise, disruption, disorder and litter from the venue - particularly on match days and when there is live music. I appreciate they need to run a business - but object to this being pushed to even later in the night when we are trying to sleep. Patrons loiter for a long time after closing. The main exit/ entrance used is onto the residential road - not the high road. And it is also the residential road where people hang around to smoke. This being later and later and with increased noise and level of alcohol would create substantial disturbance. I worry it would be unbearable given the level it is already at now.

Hello

Thank you for your response.

My concerns remain the same if the first-floor function room plans are varied. Having increased activity with more capacity later will mean more noise and anti-social behaviour.

Many Thanks

I want to see the pub doing well as it is an important part of the community. However, I do think that opening until 1:30 a.m. and selling alcohol until 1 a.m. is too late during the week. The noise and behavior, including fights, that this will bring will not be tolerable. I think closing at midnight and stopping serving at 11:30 more appropriate. I also think closing at 2:30 a.m. on the weekends will have too much of an impact on the community. This isn't a club! I think stopping serving at 12:30a.m. and closing at 1 a.m. more appropriate. I think doors and windows must be closed when music is being played. There are lots of residential addresses in the immediate vicinity.

Hi,

My concerns remain the same if it is the first floor only that is being extended. I don't agree with increasing the number of people present in the premises until the early hours of the morning.

I don't think the suggestions of the police that you have cited are sufficient to impact the violence that takes place as a result of people drinking. There was a stabbing at the Brondes Age pub across the road from this pub yesterday. Brent and Camden need to work together to reduce the violence on Kilburn High Road - extending hours, even if it is just for the first floor, will not help.

I meant to say the police suggestions are insufficient...

This page is intentionally left blank

Objection based on: 1. Prevention of Public Nuisance 2. Prevention of Crime & Disorder We live in an estate around 30 yards from the North London Tavern. Most weekend evenings there is some form of public nuisance, with patrons from the pub coming into our estate and urinating, and generally gathering and making quite a bit of noise late at night. While this is often intolerable, at least it's only on Fridays and Saturdays, as the following days are weekend days. However, extending their late license to include weekdays i.e school days is unacceptable. There are 6 families with young children in the estate alone (and many more in Cavendish Road close to the North London Tavern), and it's unacceptable to expose these young children to extra noise from music up to 01h30 on a school night. Not to mention the extra nuisance from loud, drunken patrons roaming the streets potentially every day at 01h30. Thank you for your consideration

For the record, I am objecting to any variation of the existing opening hours for both the downstairs and upstairs sections. I understand the variation application includes an extension to the existing opening hours on the first floor of the pub, as these currently end 1 hour earlier than the opening hours of the downstairs section. It is this extension of opening hours I am objecting to

Thank you very much

Regards

Subject: Application Number 28656 - OBJECTION

To whom it may concern,

I am writing to send in my formal objection to Application Number 28656 to vary their licence, essentially extending their alcohol licence until the early hours of the morning.

This will present some real challenges to the local community, including but not limited to: an increase in anti-social behaviour and violent crime, establishing a hot spot for night-time drinking and will also present challenges in terms of litter and the possibility of drug-selling.

I am sending in my formal OBJECTION.

Subject: OBJECTION - North London Tavern, application number 28656

Dear Licensing team

I write in order to object to the extension of the license for the North London Tavern, application number 28656.

Residents living in close proximity to the pub already experience high levels of anti-social behaviour from attendees at the North London. If the extension was granted, there is a high probability that their sleep would be interrupted by anti-social behaviour taking place during the early hours. The local police team are stretched so it is not a guarantee that if residents call the police, they will attend.

In addition, the extension would also lead to an increase in the number of people attending the pub. Whilst I acknowledge that an increase in customers is beneficial to the pub, any benefits should not be at the expense of local residents. An increase in attendees, would most likely lead to an increase in littering in the area. This particular area of Kilburn already suffers from a substantial amount of litter, which results in the council having to spend a vast amount of money to clear up the mess regularly. It is my submission that by granting the extension, this area would suffer from an increase of littering, which, when considering the broken window effect, could result in other types of anti-social behaviour.

Having looked at the application information, I cannot see any provisions in place which would help reduce noise levels such as ensuring all windows were closed. In light of the above submissions, I therefore formally object to this license application.
