

## Action Log

Kilburn Brent Connects, Spring round, Tuesday 12 March 2024

Status key	
Red	Not Completed
Yellow	Progressing
Green	Completed

Connect area:	Action	Status	Action step description	Assigned officer	Date Assigned	Due date
Kilburn	Concerns have been raised by residents in Clarence Road, Torbay, Plympton Road, and Streatley Road. These concerns primarily revolve around anti-social behaviour (ASB), instances of fly tipping, and the presence of rough sleepers. Considering these issues, it has been suggested that residents consider joining the Buckley Road residents' group, which has faced similar challenges and has successfully advocated for action in the past by attending previous Brent Connects meeting and demands for action have been put forth by concerned residents, prompting relevant departments to provide solutions.	Progressing	Neighbourhood Manager and ASB team to schedule a meeting with residents and to provide solutions.  Update to be provided at next Brent Connects meeting in Autumn 2024	Raakesh Shah Andrew Hewitt	12 March	Autumn 2024
