Harlesden	The resident raised issues around The Hyde housing site which is next to Harlesden Station. He detailed that there had been ASB (Anti-Social Behaviour) and local parking issues. Vehicle damage has occurred from people trespassing in the area. Considerable damage has also occurred to garages and gates. Recently installed light columns have not been working for over a year which has in turn brought more concerns around residents' safety.		ASB officer is aware of the issues in the locality and is working with Hyde Housing, the local police in problem solving the issues in the area.
