Notes for Members - Declarations of Interest:

If a Member is aware they have a Disclosable Pecuniary Interest* in an item of business, they must declare its existence and nature at the start of the meeting or when it becomes apparent and must leave the room without participating in discussion of the item.

If a Member is aware they have a Personal Interest** in an item of business, they must declare its existence and nature at the start of the meeting or when it becomes apparent.

If the Personal Interest is also significant enough to affect your judgement of a public interest and either it affects a financial position or relates to a regulatory matter then after disclosing the interest to the meeting the Member must leave the room without participating in discussion of the item, except that they may first make representations, answer questions or give evidence relating to the matter, provided that the public are allowed to attend the meeting for those purposes.

***Disclosable Pecuniary Interests:**

- (a) **Employment, etc.** - Any employment, office, trade, profession or vocation carried on for profit gain.
- (b) **Sponsorship** - Any payment or other financial benefit in respect of expenses in carrying out duties as a member, or of election; including from a trade union.
- (c) **Contracts** - Any current contract for goods, services or works, between the Councillors or their partner (or a body in which one has a beneficial interest) and the council.
- (d) **Land** - Any beneficial interest in land which is within the council's area.
- (e) **Licences**- Any licence to occupy land in the council's area for a month or longer.
- (f) **Corporate tenancies** - Any tenancy between the council and a body in which the Councillor or their partner have a beneficial interest.
- (g) **Securities** - Any beneficial interest in securities of a body which has a place of business or land in the council's area, if the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body or of any one class of its issued share capital.

****Personal Interests:**

The business relates to or affects:

- (a) Anybody of which you are a member or in a position of general control or management, and:
 - To which you are appointed by the council;
 - which exercises functions of a public nature;
 - which is directed is to charitable purposes;
 - whose principal purposes include the influence of public opinion or policy (including a political party or trade union).
- (b) The interests a of a person from whom you have received gifts or hospitality of at least £50 as a member in the municipal year;

or

A decision in relation to that business might reasonably be regarded as affecting the well-being or financial position of:

- You yourself;
- a member of your family or your friend or any person with whom you have a close association or any person or body who is the subject of a registrable personal interest.

Agenda

Introductions, if appropriate.

Item **Page**

1 Apologies for absence and clarification of alternate members

2 Declarations of Interest

Members are invited to declare at this stage of the meeting, the nature and existence of any relevant disclosable pecuniary or personal interests in the items on this agenda and to specify the item(s) to which they relate.

3 Deputations (if any)

To hear any deputations for which requests have been received from members of the public, in accordance with Standing Order 67.

4 Minutes of previous meeting 1 - 2

To confirm the minutes of the previous meeting held on Wednesday 12 June 2024 as a correct record.

5 External Audit Annual Report & Council's Statement of Accounts 2023-24 3 - 24

To receive an update on the progress in finalising the External Auditor Annual Report and Council's Statement of Accounts for the year ended 31 March 24 following consideration of the item at the preceding Audit & Standards Advisory Committee and in advance of the final Statement of Accounts 2023-24 being approved.

(Agenda republished to include the attached report on 21 February 2025)

Date of the next meeting: To be confirmed

- Please remember to **SWITCH OFF** your mobile phone during the meeting.
- The meeting room is accessible by lift and seats will be provided for members of the public. Alternatively, it will be possible to follow proceedings via the live webcast [HERE](#)

MINUTES OF THE AUDIT AND STANDARDS COMMITTEE
Held in the Conference Hall, Brent Civic Centre on Wednesday 12 June 2024
on the rising of the Audit & Standards Advisory Committee

PRESENT: Councillor Chan (Chair) and Councillors Benea, Choudry, Kabir, Long, Molloy and J.Patel.

Also Present: David Ewart (Independent Chair of the Audit & Standards Advisory Committee), Julie Byrom (Independent Person, Audit & Standards Advisory Committee – online), and Councillor Mili Patel (Deputy Leader & Cabinet Member for Finance and Resources).

1. **Apologies for absence and clarification of alternate members**

None received.

2. **Declarations of Interest**

There were no declarations of interests made at the meeting.

3. **Deputations (if any)**

None.

4. **Annual Governance Statement 2023-24**

The Committee received a report from the Corporate Director of Law and Governance that provided the draft Annual Governance Statement (AGS) for 2023-24 as required by the Accounts and Audit Regulations 2015.

Members noted that the AGS had been referred on to the Committee for formal approval following its detailed consideration at the preceding meeting of the Audit & Standards Advisory Committee. In considering the AGS the Audit & Standards Advisory Committee had identified the following amendments to be made given the focus at the meeting on action to improve the level and rate of audit actions being implemented within original timescales as part of the Internal Audit Plan Annual Report:

- (1) Inclusion of the following additional improvement action for 2023-24 within Table 1 of the Annual Governance Statement:

“To improve the level and rate of audit actions implemented within original timescales.”

On the basis of the discussion at the preceding Audit & Standards Advisory Committee it was therefore **RESOLVED** to approve the 2023-24 Annual Governance Statement for formal sign off, subject to inclusion of the following additional improvement action within Table 1 of the Annual Governance Statement:

“To improve the level and rate of audit actions implemented within original timescales.”

The meeting closed at 7.30pm

1.0 Purpose of the Report

1.1 This report provides an update on the statement of accounts for the Council and Pension Fund for 2023/24.

2.0 Recommendation(s)

2.1 That the committee note the draft audit opinions, as set out in appendices B and D.

- 2.2 To approve the final statement of accounts for 2023/24, subject to no material changes being required by the auditors.
- 2.3 Authorise the chair of the Audit and Standards committee to sign the final statement of accounts 2023/24, subject to a written assurance being provided that all outstanding matters and adjustments contained in the Audit Findings report had been made. If there were any material adjustments required as a result of the final Audit Findings report being issued, these would be reported back to the committee and also sent to the Chair of the Audit and Standards Advisory Committee.
- 2.4 To agree the audit fees for 2023/24, as set out in section 3.2.7 of this report

3.0 Contribution to Borough Plan Priorities and Strategic Context

- 3.1 The statement of accounts is the formal audited accounts of the Council. The purpose of the statement of accounts is to give clear information on the Council's overall finances and demonstrate stewardship of public money for the year. Being able to independently demonstrate that the Council's financial affairs are sound, will ensure the Council can achieve its Borough Plan priorities and objectives.

3.2 Detail

- 3.2.1 The Audit Committee has responsibility for considering issues raised by the external auditors as part of the process of approving the annual statement of accounts. The basis for this consideration is the "report to those charged with governance" also referred to as the ISA260 (Audit Findings Report). The Council's external auditors, Grant Thornton, produce the report following completion of the audit of accounts. The report is intended to identify any changes to the accounts, unadjusted mis-statements or material weaknesses in controls identified during the audit work.
- 3.2.2 At the time of despatch of this report, Grant Thornton are in the process of finalising the audit of the 2023/24 accounts and their ISA260 (Audit Findings Report). A detailed update on the Audit Findings Report was presented to the committee on 4 February 2025. Since then, the audit of Plant, Property and Equipment, which was the original cause of the delay in the audit, has concluded and adjustments to the accounts have been agreed. Unfortunately, a final AFR could not be issued in time for the committee meeting and therefore the auditors will provide a verbal update at the committee meeting. The final Statement of Accounts and AFR will be published after the meeting. The committee is asked to approve the Council's statement of accounts, subject to no other material changes required by the auditors. Representatives from Grant Thornton will attend the meeting to provide an update on the audit and respond to any matters raised by the Committee.
- 3.2.3 A series of 'backstop' dates were introduced by the government in 2024 as part of its plans to clear local authority audit backlogs. If the audit of the accounts

cannot be completed before the backstop date then the auditor can issue a modified or disclaimed audit opinion. A disclaimer of opinion states that the auditor does not express an opinion on parts of the financial statements. For 2022/23, the backstop date was 13 December 2024 and for 2023/24, the backstop date is 28 February 2025. It is understood that for 2022/23, 361 disclaimed opinions were issued. According to analysis by Public Sector Audit Appointments (PSAA), 43.9% of local government accounts for 2022/23 were disclaimed due to the backstop date of 13 December, while only 1.1% of audits for 2022/23 were delivered by the original publishing date. The unprecedented number of disclaimed opinions illustrates the scale of the challenges facing the sector and local audit. It is expected that a similar number of disclaimed opinions will be issued for 2023/24 accounts.

- 3.2.4 At the time of despatch of this report, it is expected that the accounts will be signed before the backstop deadline of 28 February 2025. The final accounts and final Audit Findings Report will be sent to the committee as soon as practically possible.
- 3.2.5 As part of the accounts sign off process, Brent are required to issue a letter to the auditors that sets out the responsibilities and representations made by Brent to the auditor to confirm that certain matters have been undertaken and confirm the responsibilities of Brent to ensure there is no misunderstanding. The draft letters for the Council and Pension Fund are set out in Appendices A and C.
- 3.2.6 The draft audit opinion highlights the key matters arising from the audit of the 2023/24 accounts and whether the council's financial statements present a true and fair view of the financial position, its expenditure and income for the year and whether they have been properly prepared. It is also used to report the audit findings to those charged with governance. The draft audit opinions for the Council and Pension Fund are set out in Appendices B and D.
- 3.2.7 Details of audit fees were set out for the committee on 4 February 2025 as part of the Audit Findings Report and discussed with committee members. In summary, the fees as per the original audit plan are £515,639 and the additional fees incurred as a result of the additional work required on Plant, Property and Equipment totals £60,120. Total fees are £575,759. As part of the accounts sign off process, members are asked to agree the additional audit fees.

4.0 Stakeholder and ward member consultation and engagement

- 4.1 There are no direct considerations arising out of this report.

5.0 Financial Consideration

- 5.1 There are no financial implications arising as result of this report.

6.0 Legal Considerations

- 6.1 There are no legal implications arising as result of this report.

7.0 Equity, Diversity & Inclusion (EDI) Considerations

7.1 Not applicable.

8.0 Climate Change and Environmental Considerations

8.1 Not applicable.

9.0 Human Resources/Property Considerations

9.1 Not applicable.

10.0 Communication Considerations

10.1 Not applicable

[Date] – (TO BE DATED SAME DATE AS DATE OF AUDIT OPINION)

Dear Grant Thornton UK LLP

**London Borough of Brent
Financial Statements for the year ended 31 March 2024**

This representation letter is provided in connection with the audit of the financial statements of London Borough of Brent and its subsidiary undertakings, First Wave Housing Ltd, i4B Holdings Ltd, Barham Park Trust and LGA Digital Services for the year ended 31 March 2024 for the purpose of expressing an opinion as to whether the group and Council financial statements give a true and fair view in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- i. We have fulfilled our responsibilities for the preparation of the group and Council's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the group and Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Council has complied with all aspects of contractual agreements that could have a material effect on the group and Council financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include plant, property and equipment valuations, pension fund net liability valuation, fair value estimates, PFI liability estimates, provisions estimates, estimates for income and expenditure accruals, and expected credit loss and impairment allowance estimates. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. During the year we reviewed our estimation process for material estimates and the no changes were made. We are satisfied that the methods, the data

and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements

- v. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- vi. Except as disclosed in the group and Council financial statements:
 - a. there are no unrecorded liabilities, actual or contingent
 - b. none of the assets of the [group and]Council has been assigned, pledged or mortgaged
 - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- vii. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- viii. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- ix. We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The group and Council financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- x. We have considered the unadjusted misstatements schedule included in your Audit Findings Report. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Council and the groups and its financial position at the year-end. The financial statements are free of material misstatements, including omissions.
- xi. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xii. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiii. The prior period adjustments disclosed in Note [X] to the financial statements are accurate and complete. There are no other prior period errors to bring to your attention.
- xiv. We have updated our going concern assessment. We continue to believe that the group and Council's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that :
 - a. the nature of the group and Council means that, notwithstanding any intention to cease the group and Council operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements;
 - b. the financial reporting framework permits the entity to prepare its financial statements on the basis of the presumption set out under a) above; and
 - c. the group and Council's system of internal control has not identified any events or conditions relevant to going concern.

We believe that no further disclosures relating to the group and Council's ability to continue as a going concern need to be made in the financial statements

- xv. We have considered whether accounting transactions have complied with the requirements of the Local Government Housing Act 1989 in respect of the Housing Revenue Account ring-fence.
- xvi. The group and Council has complied with all aspects of ring-fenced grants that could have a material effect on the group and Council's financial statements in the event of non-compliance.

Information Provided

- xvii. We have provided you with:
 - a. access to all information of which we are aware that is relevant to the preparation of the group and Council's financial statements such as records, documentation and other matters;
 - b. additional information that you have requested from us for the purpose of your audit; and
 - c. access to persons within the Council via remote arrangements, from whom you determined it necessary to obtain audit evidence.
- xviii. We have communicated to you all deficiencies in internal control of which management is aware.
- xix. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- xx. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- xxi. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the group and Council, and involves:
 - a. management;
 - b. employees who have significant roles in internal control; or
 - c. others where the fraud could have a material effect on the financial statements.
- xxii. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, analysts, regulators or others.
- xxiii. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
- xxiv. We have disclosed to you the identity of the group and Council's related parties and all the related party relationships and transactions of which we are aware.
- xxv. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

Annual Governance Statement

- xxvi. We are satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework and we confirm that we are not aware of any significant risks that are not disclosed within the AGS.

Narrative Report

- xxvii. The disclosures within the Narrative Report fairly reflect our understanding of the group and Council's financial and operating performance over the period covered by the financial statements.

Approval

The delegation of the approval to the Corporate Director of Finance and Resources of this letter of representation was minuted by the Council's Audit and Standards Committee at its meeting on 24 February 2024.

Yours faithfully

Signed on behalf of the Council

Independent auditor's report to the Members of London Borough of Brent

Report on the audit of the financial statements

Opinion on financial statements

We have audited the financial statements of London Borough of Brent (the 'Authority') and its subsidiaries (the 'group') for the year ended 31 March 2024, which comprise the Balance Sheet, Movement in Reserves Statement, Comprehensive Income and Expenditure Statement, Cash Flow Statement, notes to the financial statements including a summary of significant accounting policies, Housing Revenue Account Income and Expenditure Statement, Collection Fund Account, the notes to the Collection Fund accounts, Group Balance Sheet, Group Comprehensive Income and Expenditure Statement, Group Cash Flow Statement, Group Movement in Reserves, and notes to the group accounts including a summary of significant group accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the group and of the Authority as at 31 March 2024 and of the group's expenditure and income and the Authority's expenditure and income for the year then ended;
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law, as required by the Code of Audit Practice (2024) ("the Code of Audit Practice") approved by the Comptroller and Auditor General. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the group and the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are responsible for concluding on the appropriateness of the Corporate Director Finance and Resource's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group and the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Authority or the group to cease to continue as a going concern.

In our evaluation of the Corporate Director Finance and Resource's conclusions, and in accordance with the expectation set out within the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 that the Authority's and group's financial statements shall be prepared on a going concern basis, we considered the inherent risks associated with the continuation of services provided by the group and the Authority. In doing so we had regard to the guidance provided in Practice Note 10 Audit of financial statements and regularity of public sector bodies in the United Kingdom (Revised 2022) on the application of ISA (UK) 570 Going Concern to public sector entities. We assessed the reasonableness of the basis of preparation used by the group and Authority and the group and Authority's disclosures over the going concern period.

In auditing the financial statements, we have concluded that the Corporate Director Finance and Resource's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Authority's and the group's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Corporate Director Finance and Resources with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Governance Statement and the narrative report, other than the financial statements and our auditor's report thereon. The Corporate Director Finance and Resources is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Other information we are required to report on by exception under the Code of Audit Practice

Under the Code of Audit Practice published by the National Audit Office in November 2024 on behalf of the Comptroller and Auditor General (the Code of Audit Practice) we are required to consider whether the Annual Governance Statement does not comply with the requirements of the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24, or is misleading or inconsistent with the information of which we are aware from our audit. We are not required to consider whether the Annual Governance Statement addresses all risks and controls or that risks are satisfactorily addressed by internal controls.

We have nothing to report in this regard.

Opinion on other matters required by the Code of Audit Practice

In our opinion, based on the work undertaken in the course of the audit of the financial statements, the other information published together with the financial statements in the Statement of Accounts for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

Under the Code of Audit Practice, we are required to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make a written recommendation to the Authority under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or

- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014, in the course of, or at the conclusion of the audit.

We have nothing to report in respect of the above matters.

Responsibilities of the Authority and the Corporate Director Finance and Resources

As explained more fully in the Statement of Responsibilities, the Authority is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. In this authority, that officer is the Corporate Director Finance and Resources. The Corporate Director Finance and Resources is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24, for being satisfied that they give a true and fair view, and for such internal control as the Corporate Director Finance and Resources determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Corporate Director Finance and Resources is responsible for assessing the Authority's and the group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they have been informed by the relevant national body of the intention to dissolve the Authority and the group without the transfer of its services to another public sector entity.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Irregularities, including fraud, are instances of non-compliance with laws and regulations. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We obtained an understanding of the legal and regulatory frameworks that are applicable to the group and Authority and determined that the most significant which are directly relevant to specific assertions in the financial statements are those related to the reporting frameworks the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23, the Local Audit and Accountability Act 2014, the Accounts and Audit Regulations 2015, the Local Government Act 2003, the Local Government Act 1972, the Local Government and Housing Act 1989, and Local Government Finance Act 1988 (as amended by the Local Government Finance Act 1992 and the Local Government Finance Act 2012).

We enquired of management and the Audit and Standards Committee, concerning the group and Authority's policies and procedures relating to:

- the identification, evaluation and compliance with laws and regulations;
- the detection and response to the risks of fraud; and
- the establishment of internal controls to mitigate risks related to fraud or non-compliance with laws and regulations.

We enquired of management, internal audit and the Audit and Standards Committee, whether they were aware of any instances of non-compliance with laws and regulations or whether they had any knowledge of actual, suspected or alleged fraud.

We assessed the susceptibility of the Authority and group's financial statements to material misstatement, including how fraud might occur, by evaluating management's incentives and opportunities for manipulation of the financial statements. This included the evaluation of the risk of management override of controls, fraud in income and expenditure recognition, and potential management bias in determining accounting estimates for the valuation of land and buildings (including council dwellings), the valuation of the pension fund net liability, and the completeness of expenditure

accruals. We determined that the principal risks were in relation to manual journals that altered the Authority's financial performance for the year, post year-end and closing journal entries. Our audit procedures involved:

- evaluation of the design effectiveness of controls that the Corporate Director of Finance and Resources has in place to prevent and detect fraud;
- analysis of the journals listing and determination of the criteria for selecting high risk unusual journals;
- identification and testing of unusual journal entries made during the year and the accounts production stage for appropriateness and corroboration;
- reviewing and testing transfer between the General Fund and HRA and inter-group journals.
- Challenging assumptions and judgements made by management in its significant accounting estimates in respect of land and buildings valuations, council dwelling valuations, PFI valuations, the valuation of the defined benefit net pension fund liability, grants and income recognition, PFI provisions, minimum revenue provision, and manual expenditure accruals; and
- assessing the extent of compliance with the relevant laws and regulations as part of our procedures on the related financial statement item.

These audit procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error and detecting irregularities that result from fraud is inherently more difficult than detecting those that result from error, as fraud may involve collusion, deliberate concealment, forgery or intentional misrepresentations. Also, the further removed non-compliance with laws and regulations is from events and transactions reflected in the financial statements, the less likely we would become aware of it.

We communicated relevant laws and regulations and potential fraud risks to all engagement team members, including the potential for fraud in revenue and expenditure recognition, and the significant accounting estimates related to land and buildings valuations, council dwelling valuations, PFI valuations, depreciation, the valuation of defined benefit net pension fund liabilities, provisions, income and expenditure accruals, PFI liabilities, credit loss and impairment allowances, and fair value estimates. We remained alert to any indications of non-compliance with laws and regulations, including fraud, throughout the audit.

Our assessment of the appropriateness of the collective competence and capabilities of the group and Authority's engagement team included consideration of the engagement team's:

- understanding of, and practical experience with audit engagements of a similar nature and complexity through appropriate training and participation;
- knowledge of the local government sector in which the group and Authority operates; and
- understanding of the legal and regulatory requirements specific to the Authority and group including:
 - the provisions of the applicable legislation
 - guidance issued by CIPFA/LASAAC and SOLACE
 - the applicable statutory provisions.

In assessing the potential risks of material misstatement, we obtained an understanding of:

- the Authority and group's operations, including the nature of its income and expenditure and its services and of its objectives and strategies to understand the classes of transactions, account balances, expected financial statement disclosures and business risks that may result in risks of material misstatement.
- the Authority and group's control environment, including the policies and procedures implemented by the Authority and group to ensure compliance with the requirements of the financial reporting framework.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2024.

We have nothing to report in respect of the above matter except on 4 December 2024 we identified:

A significant weakness in the Council's arrangements to deliver financial sustainability and have concluded that there was a significant weakness in arrangements. In 2023-24 the Council faced financial pressures that resulted in an overspend of £13.5m. The latest forecasts for 2024-25 suggest a potential £14.4m. The Council has proactively managed pressures through in-year measures and the use of strategic reserves. The Medium-Term Financial Strategy (MTFS) outlines a cumulative £30m deficit by 2027-28. There are agreed savings proposals to manage this but addressing the challenge is crucial to avoid a further call of £20m on Council reserves. As at 31 March 2024 the Council has a general fund balance of £20.2m and earmarked general fund reserves of £134.1m. The Council's focus needs to remain on finding sustainable solutions that ensure the continued delivery of services without over-reliance on one-time sources of funding. The quantum of savings proposals pose risk to the financial sustainability of the Council if they are not able to be achieved. The Council's work to date on the MTFS has identified the challenges ahead and savings levels needed for a sustainable future.

We recommended that the Council needs to take the difficult decisions needed to ensure that a realistic budget can be set for 2025-26 and that this can be delivered without the need to further draw on reserves. It must be aware of the significant financial sustainability risk posed by the savings required in the medium term to deliver a balanced budget for 2025-26.

Responsibilities of the Authority

The Authority is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

Auditor's responsibilities for the review of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in November 2024. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Authority plans and manages its resources to ensure it can continue to deliver its services;
- Governance: how the Authority ensures that it makes informed decisions and properly manages its risks; and

- Improving economy, efficiency and effectiveness: how the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Authority has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

Report on other legal and regulatory requirements – Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate for London Borough of Brent for the year ended 31 March 2024 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice until we have completed the work necessary in relation to consolidation returns, including Whole of Government Accounts (WGA), and the National Audit Office has concluded their work in respect of WGA for the year ended 31 March 2024. We are satisfied that this work does not have a material effect on the financial statements for the year ended 31 March 2024.

Use of our report

This report is made solely to the Members of the Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 [and as set out in paragraph 85 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited]. Our audit work has been undertaken so that we might state to the Authority's Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's Members as a body, for our audit work, for this report, or for the opinions we have formed.

[Date] – (TO BE DATED SAME DATE AS DATE OF AUDIT OPINION)

Dear Sirs

Brent Pension Fund
Financial Statements for the year ended 31 March 2024

This representation letter is provided in connection with the audit of the financial statements of Brent Pension Fund for the year ended 31 March 2024 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- i. We have fulfilled our responsibilities for the preparation of the Fund's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the Fund and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Fund has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include the valuation of Level 3 investments, Level 2 investments and the Actuarial Present Value of Promised Retired Benefits. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the methods, the data and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements.

- vi. Except as disclosed in the financial statements:
 - a. there are no unrecorded liabilities, actual or contingent
 - b. none of the assets of the Fund has been assigned, pledged or mortgaged
 - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- vii. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- viii. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- ix. We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- x. We have considered the unadjusted misstatements schedule included in your Audit Findings Report. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Fund and its financial position at the year-end. The financial statements are free of material misstatements, including omissions.
- xi. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xii. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiii. We have updated our going concern assessment. We continue to believe that the Fund's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that that:
 - a. the nature of the Fund means that, notwithstanding any intention to liquidate the Fund or cease its operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements
 - b. the financial reporting framework permits the entity to prepare its financial statements on the basis of the presumption set out under a) above; and
 - c. the Fund's system of internal control has not identified any events or conditions relevant to going concern.

We believe that no further disclosures relating to the Fund's ability to continue as a going concern need to be made in the financial statements.

Information Provided

- xiv. We have provided you with:
 - a. access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - b. additional information that you have requested from us for the purpose of your audit; and
 - c. access to persons within the Fund via remote arrangements from whom you determined it necessary to obtain audit evidence.
- xv. We have communicated to you all deficiencies in internal control of which management is aware.
- xvi. All transactions have been recorded in the accounting records and are reflected in the financial statements.

- xvii. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- xviii. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the Fund, and involves:
 - a. management;
 - b. employees who have significant roles in internal control; or
 - c. others where the fraud could have a material effect on the financial statements.
- xix. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, analysts, regulators or others.
- xx. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
- xxi. There have been no communications with The Pensions Regulator or other regulatory bodies during the year or subsequently concerning matters of non-compliance with any legal duty.
- xxii. We are not aware of any reports having been made to The Pensions Regulator by any of our advisors.
- xxiii. We have disclosed to you the identity of the Fund's related parties and all the related party relationships and transactions of which we are aware.
- xxiv. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

Approval

The approval of this letter of representation was minuted by the Fund’s Audit and Standards Committee at its meeting on 04 February 2025.

Yours faithfully

Independent auditor's report to the members of London Borough of Brent on the pension fund financial statements of Brent Pension Fund

Opinion on financial statements

We have audited the financial statements of Brent Pension Fund (the 'Pension Fund') administered by London Borough of Brent (the 'Authority') for the year ended 31 March 2024, which comprise the Fund Account, the Net Assets Statement and notes to the pension fund financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24.

In our opinion, the financial statements:

- give a true and fair view of the financial transactions of the Pension Fund during the year ended 31 March 2024 and of the amount and disposition at that date of the fund's assets and liabilities;
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law, as required by the Code of Audit Practice (2024) ("the Code of Audit Practice") approved by the Comptroller and Auditor General. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the Pension Fund's financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are responsible for concluding on the appropriateness of the Corporate Director Finance and Resources' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Pension Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Pension Fund to cease to continue as a going concern.

In our evaluation of the Corporate Director Finance and Resources' conclusions, and in accordance with the expectation set out within the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 that the Pension Fund's financial statements shall be prepared on a going concern basis, we considered the inherent risks associated with the continuation of services provided by the Pension Fund. In doing so we had regard to the guidance provided in Practice Note 10 Audit of financial statements and regularity of public sector bodies in the United Kingdom (Revised 2022) on the application of ISA (UK) 570 Going Concern to public sector entities. We assessed the reasonableness of the basis of preparation used by the Authority in the Pension Fund financial statements and the disclosures in the Pension Fund financial statements over the going concern period.

In auditing the financial statements, we have concluded that the Corporate Director Finance and Resources' use of the going concern basis of accounting in the preparation of the Pension Fund financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Pension Fund's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Corporate Director Finance and Resources' with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Statement of Accounts, other than the Pension Fund's financial statements and our auditor's report thereon, and our auditor's report on the Authority's financial statements. The Corporate Director Finance and Resources' is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Pension Fund financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters required by the Code of Audit Practice (2024) published by the National Audit Office on behalf of the Comptroller and Auditor General (the Code of Audit Practice)

In our opinion, based on the work undertaken in the course of the audit of the Pension Fund's financial statements, the other information published together with the Pension Fund's financial statements in the Statement of Accounts for the financial year for which the financial statements are prepared is consistent with the Pension Fund financial statements.

Matters on which we are required to report by exception

Under the Code of Audit Practice, we are required to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make a written recommendation to the Authority under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014, in the course of, or at the conclusion of the audit.

We have nothing to report in respect of the above matters in relation to the Pension Fund.

Responsibilities of the Authority and the Corporate Director Finance and Resources

As explained more fully in the Statement of Responsibilities, the Authority is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. In this authority, that officer is the Corporate Director Finance and Resources. The Corporate Director Finance and Resources is responsible for the preparation of the Statement of Accounts, which includes the Pension Fund's financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24, for being satisfied that they give a true and fair view, and for such internal control as the Corporate Director Finance and Resources determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Pension Fund's financial statements, the Corporate Director Finance and Resources is responsible for assessing the Pension Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they have been informed by the relevant national body of the intention to dissolve the Pension Fund without the transfer of its services to another public sector entity.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the Pension Fund's financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Irregularities, including fraud, are instances of non-compliance with laws and regulations. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We obtained an understanding of the legal and regulatory frameworks that are applicable to the Pension Fund and determined that the most significant which are directly relevant to specific assertions in the financial statements are those related to the reporting frameworks (the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24, the Local Audit and Accountability Act 2014, the Accounts and Audit Regulations 2015 and the Local Government Act 2003).

We enquired of management and the Audit and Standards Committee, concerning the Authority's policies and procedures relating to:

- the identification, evaluation and compliance with laws and regulations;
- the detection and response to the risks of fraud; and
- the establishment of internal controls to mitigate risks related to fraud or non-compliance with laws and regulations.

We enquired of management, internal audit and the Audit and Standards Committee, whether they were aware of any instances of non-compliance with laws and regulations or whether they had any knowledge of actual, suspected or alleged fraud.

We assessed the susceptibility of the Pension Fund's financial statements to material misstatement, including how fraud might occur, by evaluating management's incentives and opportunities for manipulation of the financial statements. This included the evaluation of management override of controls. We determined that the principal risks were in relation to journals:

- using data analytics, we considered all journal entries for fraud and set specific criteria to identify the entries we considered to be high risk. Such criteria included journals with unusual values; journals posted after the year end; journals with a material impact on the surplus/deficit for the year; and journals created by senior managers.

Our audit procedures involved:

- evaluation of the design effectiveness of controls that management has in place to prevent and detect fraud,
- journal entry testing, with a focus on what we deem to be high risk journals,
 - challenging assumptions and judgements made by management in its significant accounting estimates in respect of Level 2 investments and Level 3 investments and IAS 26 pensions liability valuations; and
- assessing the extent of compliance with the relevant laws and regulations as part of our procedures on the related financial statement item.

These audit procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error and detecting irregularities that result from fraud is

inherently more difficult than detecting those that result from error, as fraud may involve collusion, deliberate concealment, forgery or intentional misrepresentations. Also, the further removed non-compliance with laws and regulations is from events and transactions reflected in the financial statements, the less likely we would become aware of it.

We communicated relevant laws and regulations and potential fraud risks to all engagement team members, including the potential for fraud in revenue and expenditure recognition, and the significant accounting estimates related to Level 2 investments, Level 3 investments and IAS 26 pension liability valuations.

Our assessment of the appropriateness of the collective competence and capabilities of the engagement team included consideration of the engagement team's.

- understanding of, and practical experience with audit engagements of a similar nature and complexity through appropriate training and participation
- knowledge of the local government pensions sector
- understanding of the legal and regulatory requirements specific to the Pension Fund including:
 - the provisions of the applicable legislation
 - guidance issued by CIPFA/LASAAC and SOLACE
 - the applicable statutory provisions.

In assessing the potential risks of material misstatement, we obtained an understanding of:

- the Pension Fund's operations, including the nature of its income and expenditure and its services and of its objectives and strategies to understand the classes of transactions, account balances, expected financial statement disclosures and business risks that may result in risks of material misstatement.
- the Authority's control environment, including the policies and procedures implemented by the Authority to ensure compliance with the requirements of the financial reporting framework.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 [and as set out in paragraph 85 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited]. Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Matt Dean, Key Audit Partner

for and on behalf of Grant Thornton UK LLP, Local Auditor
