The Premises Licence Holder, (PLH) is a registered company called Carlton Lounge (UK) Ltd, the company director is Mr Thavatheva Thevarajah also known as 'Tavi Thevarajah', who is also the Designated Premises Supervisor (DPS). Mr Thevarajah has been responsible for the Premises Licence since 29th May 2008.

On Sunday, 18th May 2025, at 03:31 hours Police were contacted by the London Ambulance Service (LAS) to a male that had been taken to hospital with a stab wound, and in a critical condition, it was then established that a fight at the Carlton Lounge (Tiger Bay) 232 - 234 Kingsbury Road, London, NW9 0BH, a fight started inside the venue, SIA door staff ejected both groups of males who continued fighting across the road from the venue, which resulted in people using weapons and a male being stabbed, resulting in the male later losing his life to his injuries.

Police opened a murder investigation, and a crime scene closing Kingsbury High Road, outside the venue, and surrounding roads were cordoned off.

Currently, there is an ongoing live investigation and at the time of writing this review, the exact facts around the incident are still being established Connect [REDACTED] Cad [REDACTED] refers.

What has so far been established is that no one from the venue called Police, the SIA appear to have removed the fighting groups from inside the premises, and made little to no attempt to take control of the incident that then escalated outside.

PROTECTIVE MARKING

The following failings have been noted:

- 1) Police were called at 03:31 hours on Sunday 18th May 2025 by LAS - which had in turn received a 999 call from a man reporting a stabbing at Tiger Bay. On police and medic arrival, no casualty was present. At 03:40 police had a call from a nurse at Northwick Park Hospital to report a man had come in with stab wounds.
- 2) CCTV shows a large-scale disorder immediately outside the venue from about 03:25 to 03:30, during which the victim received a stab wound and collapsed at the scene. He was taken to hospital by other people, before emergency services arrived. Estimated 20-25 people involved in the disorder.
- 3) There was no call from the venue staff or management to reports of the disorder, or anything else. Staff were present and witnessing events, and security personnel were involved in the disorder, in apparent attempts to separate people.
- 4) The suspect can be seen entering the venue at 02:00am, with others. There is no search of any of them, frisk, metal detector, wand or otherwise.
- 5) The suspect is later seen outside with a large knife, which was used in the disorder and appears to have been used to stab the victim, ultimately killing him (subject to pathology confirmation on cause of death).
- 6) Appears likely that the knife was in the suspect's possession *inside* the venue.
- 7) Police body worn video (BWV) shows a manager telling an attending CID officer that the groups involved in the disorder had not been inside Tiger Bay before the disorder. This was untrue, as they had been and indeed most, if not all, of the people had come from inside Tiger Bay, some having been specifically ejected by the staff/security.
- 8) Police BWV shows the manager [REDACTED] saying he thinks a bottle/bottles were involved. A customer approaches and says a knife was used and had been pulled out inside the venue. He was promptly ushered away by another manager/member of staff.
- 9) House to house enquiries revealed local residents complain there is frequently noisy anti-social behaviour from the venue.

Summary

This incident on 18 May 2025, constitutes serious crime and disorder, which has triggered this review. The Metropolitan Police have serious concerns that the premises management and staff members demonstrated a lack of control and failing to undertake pro-active searches. The staff initially indicated that the incident did not start in the venue and later retracted their statement, admitting that both groups were in fact inside the venue, where the altercation started.

Due to the ongoing criminal investigation, it is currently difficult to establish the full facts from a licensing perspective. However, from the information we have gathered so far, the Police have that the aforementioned points above demonstrate that the licensing objectives are not being upheld.

Police Recommendation – The Police request an immediate suspension of Carlton Lounge's premises licence pending a full review due the level of seriousness of the incident.

Notes for guidance

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.
Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:
 - conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
 - conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.
 Serious disorder is not defined in legislation, and so bears its ordinary English meaning.
2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

both serious crime and serious disorder

Name of premises supervisor (if known):

Mr Thavatheva Thevarajah

I am a Superintendent* in the Metropolitan Police Service.

*Insert rank of officer giving the certificate, which must be superintendent or above.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case because:

(Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned)

This incident constitutes serious crime and disorder, which has triggered this review. The Metropolitan Police have serious concerns that the premises management, and staff members demonstrated a lack of control of the venue.

A male has been murdered whilst visiting the premises, and Police suspect serious failings by the premises by them not upholding the licensing objectives.

The Police request an immediate suspension of Carlton Lounge's premises licence pending a full review due the level of seriousness of the incident, I have considered authoring a standard review of the premises licence, however i do not feel this step to be appropriate given the circumstances.

I have serious and immediate concerns regarding the management of this venue and no confidence that they can operate without posing a risk to the public.

It is my view that such critical failings and actions by management and staff constitute ongoing risk of serious crime.
