Notes for Members - Declarations of Interest:

If a Member is aware they have a Disclosable Pecuniary Interest* in an item of business, they must declare its existence and nature at the start of the meeting or when it becomes apparent and must leave the room without participating in discussion of the item.

If a Member is aware they have a Personal Interest** in an item of business, they must declare its existence and nature at the start of the meeting or when it becomes apparent.

If the Personal Interest is also significant enough to affect your judgement of a public interest and either it affects a financial position or relates to a regulatory matter then after disclosing the interest to the meeting the Member must leave the room without participating in discussion of the item, except that they may first make representations, answer questions or give evidence relating to the matter, provided that the public are allowed to attend the meeting for those purposes.

***Disclosable Pecuniary Interests:**

- (a) **Employment, etc.** - Any employment, office, trade, profession or vocation carried on for profit gain.
- (b) **Sponsorship** - Any payment or other financial benefit in respect of expenses in carrying out duties as a member, or of election; including from a trade union.
- (c) **Contracts** - Any current contract for goods, services or works, between the Councillors or their partner (or a body in which one has a beneficial interest) and the council.
- (d) **Land** - Any beneficial interest in land which is within the council's area.
- (e) **Licences** - Any licence to occupy land in the council's area for a month or longer.
- (f) **Corporate tenancies** - Any tenancy between the council and a body in which the Councillor or their partner have a beneficial interest.
- (g) **Securities** - Any beneficial interest in securities of a body which has a place of business or land in the council's area, if the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body or of any one class of its issued share capital.

****Personal Interests:**

The business relates to or affects:

- (a) Anybody of which you are a member or in a position of general control or management, and:
 - To which you are appointed by the council;
 - which exercises functions of a public nature;
 - which is directed is to charitable purposes;
 - whose principal purposes include the influence of public opinion or policy (including a political party or trade union).
- (b) The interests of a person from whom you have received gifts or hospitality of at least £50 as a member in the municipal year;

or

A decision in relation to that business might reasonably be regarded as affecting the well-being or financial position of:

- You yourself;
- a member of your family or your friend or any person with whom you have a close association or any person or body who is the subject of a registrable personal interest.

LICENSING ACT 2003

Application for New Premises Licence

1. The Application

Name of Applicant:	Mr Sathiaselvan Easwarakumar
Name & Address of Premises:	Craven Park Local, 28 Craven Park Road, NW10 4AB
Applicants Agent:	The Licensing Guys – Nick Semper

The application is for a new premises licence as follows:

The supply of alcohol and to remain open from 7am to 10pm Monday to Sunday.

2. Background

The review of the Statement of Licensing Policy has introduced Cumulative Impact Zones for all new or variation applications for 'Off' licences in the borough.

This application falls within a Cumulative Impact Zone.

The presumption is that any new licence or variation to an existing licence that increases the scope for the sale of alcohol will not be granted unless the applicant can evidence that the licence will not negatively impact on the licensing objectives.

3. Promotion of the Licensing Objectives

See separate page.

4. Relevant Representations

Representations have been received from The Licensing Police, Licensing Officers, and the Ward Councillor

5. Interested Parties

None

6. Policy Considerations

Policy 1 – Process for Applications

Conditions on the licence, additional to those voluntarily sought/agreed by the applicant, may be considered. Conditions will focus on matters which are within the control of individual licensee and which relate to the premises or areas being used for licensable activities, the potential impact of the resulting activities in the vicinity. If situations arise where the licensing objectives may be undermined but cannot be dealt with by the use of appropriate conditions the Licensing Authority will consider whether it is appropriate for a licence to be granted or continue to operate.

7. Determination of the Application

Members can take the following steps when determining a new premises licence application:

- grant the licence;
- exclude from the scope of the licence any of the licensable activities to which the application relates;
- refuse to specify a person in the licence as the premises supervisor;
- reject the application

8. Associated Papers

- A. Application Form & plan
- B. Police Representation
- C. Licensing Representation
- D. Councillor Kelcher Rep

Proposed Operating Schedule

28 Craven Park Road, HARLESDEN, NW10 4AB

1. PREVENTION of CRIME & DISORDER

CCTV:

CCTV will be provided in the form of a recordable system, capable of providing pictures of EVIDENTIAL QUALITY in all lighting conditions, particularly facial recognition. Cameras shall encompass all ingress and egress to the premises, fire exits, outside areas, and all areas where the sale/ supply of alcohol occurs.

A monitor shall be mounted on the wall at the premises where it is clearly visible to all members of the public. The monitor shall show the live CCTV footage being recorded.

Equipment MUST be maintained in good working order, be correctly time and date stamped.

Recordings MUST be kept in date order, numbered sequentially and kept for a period of 31 days and handed to Police on reasonable request.

The Premises Licence Holder must ensure at all times a DPS or appointed member of staff is capable and competent at downloading CCTV footage in a recordable format to the Police/Local Authority on reasonable request

The Recording equipment and tapes/discs shall be kept in a secure environment under the control of the DPS or other responsible named individual.

An operational weekly log report must be maintained endorsed by signature, indicating the system has been checked and is compliant, in the event of any failings actions taken are to be recorded.

In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS MUST report the failure to the Police on contact number 101 as soon as reasonably practicable.

INCIDENT LOG:

An incident log must be kept at the premises, and made immediately available on request to an 'authorised person' (as defined by Section 13 of the Licensing Act 2003) or the Police, which must record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received relevant to the Licensing Objectives
- (d) any incidents of disorder
- (e) any recovered drugs or offensive weapons
- (f) any faults in the CCTV system or searching equipment or scanning equipment

- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service

STAFF TRAINING:

All serving staff engaged in the sale of alcohol to be trained in Responsible alcohol retailing to the minimum standard of Responsible Alcohol Retailing Training - Level 1 or any other equivalent recognised training. This training shall include training on refusing sales to drunken persons, vulnerability and proxy sales.

Training records shall be kept on the premises and shall be produced to the police or an 'authorised person' (as defined by Section 13 of the Licensing Act 2003) or an authorised Trading Standards the Council on demand.

There shall be no sales of miniature bottles of spirits.

There shall be no single sales of cans of beer, cider or lager

There shall be no sales of cans or of beer, cider or lager exceeding 5.5% ABV.

2. PUBLIC SAFETY

All requirements and responsibilities pertaining to the lawful and responsible operation of the premises covered by primary legislation, will be complied with – e.g. building regs, health and safety, food labelling and fire prevention.

3. PREVENTION of PUBLIC NUISANCE

GOOD NEIGHBOURLINESS:

Noise or vibration shall not emanate from the premises so as to cause a nuisance to neighbours or residents.

Prominent, clear and legible signage shall be displayed at all exits to the premises requesting the public to respect the needs of local residents and to leave the premises and the area quietly.

4. PROTECTION of CHILDREN from HARM

AGE VERIFICATION

The premises shall operate Challenge 25.

Prominent, clear and legible signs shall also be displayed at all entrances to the premises as well as at, at least one location behind any counter advertising the scheme operated.

REFUSAL REGISTER

A written register of refusals will be kept including a description of the people who have been unable to provide required Identification to prove their age. Such records shall be kept for a period of 12 months and will be produced to the police or authorised officer of the Council on demand.

The only acceptable form of identification shall be a Passport, Photo Driving Licence or Proof of Age Standard Scheme card carrying the PASS hologram.

ALCOHOL SALES – ONLINE or via APP:

All sales of alcohol arising from an online order for delivery must be paid for, at the point of ordering, by credit or debit card.

The delivery of alcohol shall be made only to a residential or business address and to a customer ordinarily resident or employed at the address. Challenge 25 must be applied.

Orders will not be accepted or completed to any person in a public place (for example a street corner, park or bus stop).

Where a third-party courier is used to supply alcohol, only reputable courier services will be utilised and they must provide an age verification service or adopt a policy of checking age and ID at the time of delivery.

The courier must ensure that any order containing alcohol is received by a person over 18 years of age and measures must be in place for the refusal of delivery of items containing alcohol where no person over 18 years of age is able to receive the order.

Police representations to the application for a new Premises Licence for 'Craven Park Local, 28 Craven Park Road, Harlesden NW10 4AB'

Police certify that we have considered the application shown above and wish to make representations that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

**Officer: PC Phil Graves
Licensing Constable 3122NW**

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the Licensing act 2003. The Police representations are concerned with all four of the licensing objectives, namely:

- The prevention of crime and disorder;
 - Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

The Application

The application is for a new section 17 Premises License for an off license wishing for the sale of alcohol from 07.00 hours to 22.00 hours seven days a week. The venue is Craven Park Road which falls into the Harlesden Cumulative Impact Zones (CIZ). CIZ's were created by Brent council to combat crime, street drinking and ASB in the worst parts of the borough. Below is a link to the council's CIZ.

<https://www.brent.gov.uk/business/licences-and-permits/alcohol-club-and-entertainment-licences/premises-licence#ciz>

As you can see from the link there is an assumption that any new off license application will be refused unless the applicant can demonstrate that their venue would not have a negative effect on the licensing objectives.

“Where an application for a new off-licence or for variations to off-licences is received (which would increase the sale of alcohol, including through longer hours), the presumption is that the application will be refused unless the applicant can satisfactorily evidence that their application or variation will not negatively impact on the licensing objectives.”

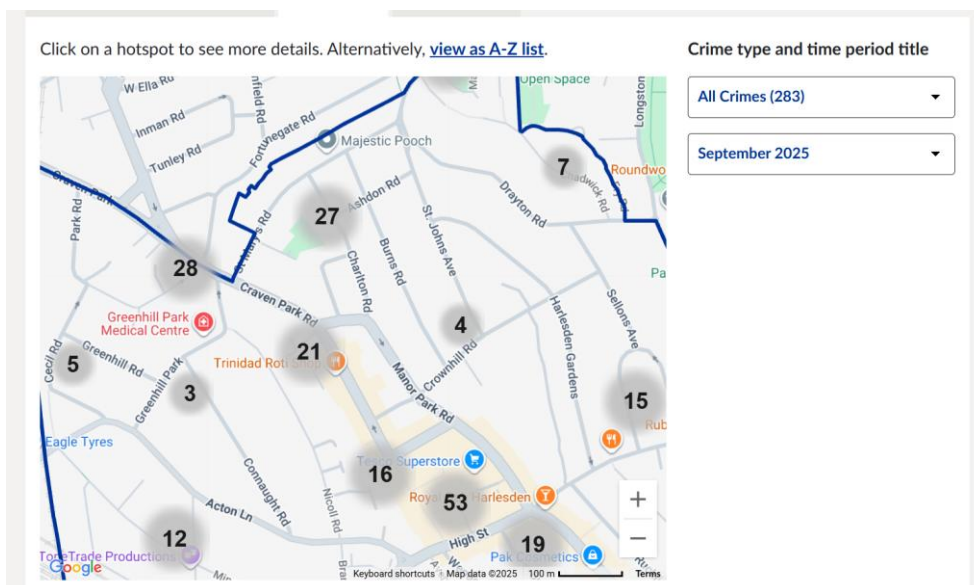

An almost identical application was submitted by Mr Easwarakumar in June 2024. This application was quite rightly refused by the subcommittee. Reading this current application and the last I see no real difference between the two, for example: -

- (i) The applicant is still asking for the sale of alcohol from 07.00 hours in a designated CIZ
- (ii) The venue makes no reference to a specialised theme, leaving the presumption that this is another bog standard off-licence.
- (iii) The application refers that it is ‘unlikely to add to cumulative impact already experienced in the area’. This statement acknowledges the area is suffering from crime and ASB but can only state that it is ‘unlikely’ to add to the existing problems.

The crime figures are similar to those of the last application, very high with ASB, violence and sexual assaults making up the majority of the figures. These crimes are typically fuelled by alcohol, which is one of the main purposes of the CIZ which is trying to lower the sale of alcohol and lower the crime figures in an area already suffering from a high crime rate.

The crime figures below are taken from the Met Police web page for September 2025. As per June 2024 the crime figures are still very high. If you look at the last image (zoomed in shot of Craven Park Road) you can see that the majority of the crime are all based around Craven Park Road where the CIZ quite rightly exists

Below is a list of off licenses in the immediate vicinity. As you can see there is already an ample supply of shops supplying alcohol to the community. The list below only shows off licenses, with no restaurants included.

Corner Shop	98, Craven Park Parade	Off License
Craven Park Off License	102, Craven Park Road	Off License
Housewife Cash & Carry	14, Craven Park Road	Wholesalers
Kotoko Mini Market	126, Craven Park Road	Convenience Store / Off License
Tamirez Deli	24, Craven Park Road	Convenience Store / Off License
The Liquor Store	43, Craven Park Road	Off License
Who's Next Food & Wine	6, Library Parade	Off License
New Atlas Café	69-71 Craven Park Road	Café / Off License
Surpesave	68, Craven Park road	Convenience Store / Off License

Summary

- (i) This appears to be an almost identical application that was refused by the subcommittee, to that submitted by Mr Easwarakumar in June 20024.
- (ii) The venue falls within a CIZ
- (iii) This is a standard off license offering no special theme.
- (iv) The applicant wants to sell alcohol from 07.00 hours in a CIZ
- (v) There is already a very high crime and ASB rate in the area.
- (vi) There are already more than enough off licenses in the area supply alcohol to the community.

Due to the above police oppose this application in full regardless of what stringent conditions could be added to the premises license. Failing to object to this application would undermine all four of the licensing objectives.

Yours Sincerely,

PC Phil Graves 3122NW

Our Ref: 36684

Dear Sir/Madam,

Licensing Representation to the Initial Application for the Premises Licence at Craven Park Local, 28 Craven Park Road, NW10 4AB

I certify that I have considered the application shown above and I wish to make a representation that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the Act.

The Licensing Authority representations are primarily concerned with the four licensing objectives;

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

Cumulative Impact Zone (CIZ)

In 2022, Brent Council reviewed its Cumulative Impact Policy after assessing crime data from various sources. This led to the implantation of the Cumulative Impact Zones (CIZs) in specified areas within Brent, as outlined in the latest Statement of Licensing Policy (2025 – 2030).

Evidence shows a strong correlation between concentrations of off-licences and incidents of alcohol related anti-social behaviour, particularly associated with street drinking.

The significant and notable increase in alcohol related crime and anti-social behaviour is having an adverse impact in some of the areas and neighbourhoods which generates complaints from residents, councillors and the Police. This undermines the licensing objectives and also has potential to undermine the vitality of Brent's town centres.

Harlesden has been identified as one of twelve Cumulative Impact Zones (CIZs) in Brent, where the authorising of further licences may undermine the promotion of the licensing objectives.

Harlesden

Harlesden town centre consists of multiple parades of shops that run along Craven Park Road, Park Parade and High Street, Harlesden.

The Statement of Licensing Policy describes the area as a hotspot for alcohol flagged calls to the Police for crime, anti-social behaviour and street drinking. Recent data shows the entire town centre suffers from high levels of alcohol related issues, including residential streets off the main town centre such as Rucklidge Avenue, Wendover Road, Buckingham Road and St Albans Road.

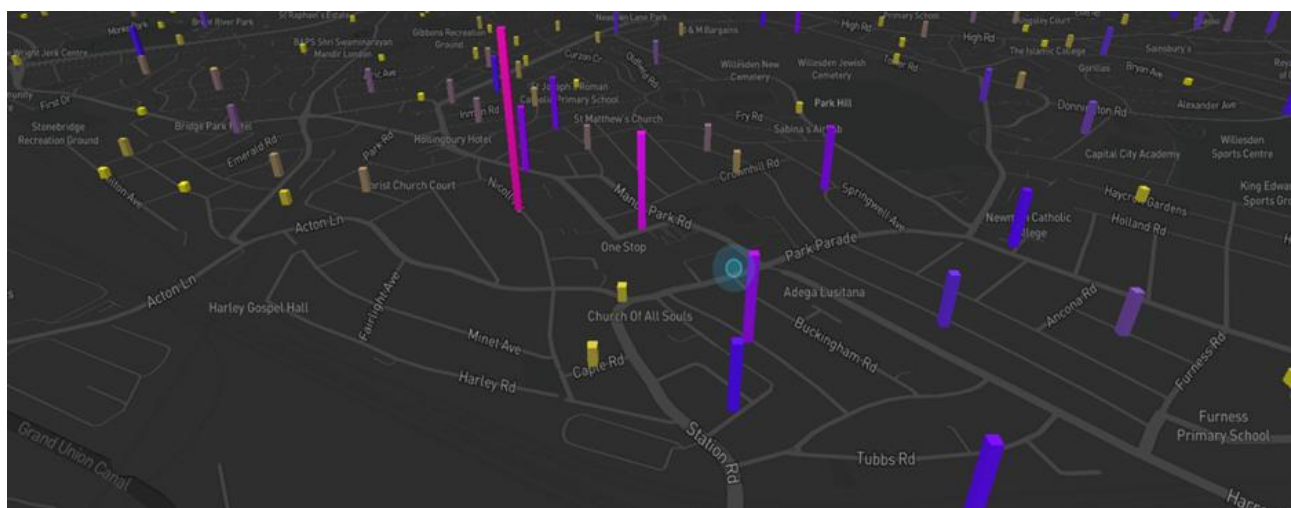

All other town centres in Brent suffers from street drinking; however, in parts of Harlesden such as Craven Park Road and High Street, the street drinking interrelates with drug misuse and violent crime.

Between 1 July 2021 and 30 June 2022 there were 321 reports to the police, including 184 relating to anti-social behaviour, 28 relating to public order breaches and 87 reports relating to violence/sexual.

The streets to be included in Harlesden are:

- Craven Park Road
- Craven Park
- High Street
- Park Parade
- Manor Park Road

The below map shows violence with injury crimes.

The purpose of the CIZ in Harlesden (Craven Park Road) is to address the issues mentioned above.

The Premises

The premises is located at 28 Craven Park Road, NW10 4AB within a ground-floor commercial unit beneath a residential block of flats, along a parade of shops that include existing off-licences and food-led businesses

The town centre falls between, Harlesden and Kensal Green ward and is one of the most deprived areas in the borough. A number of existing off licences are also within a 5 minute walk.

Public Space Protection Order (PSPO)

The entire Borough of Brent is subject to a Public Space Protection Order for street drinking, and it is an offence if a person fails to comply with a request to cease drinking alcohol by an authorised officer.

If a police officer reasonably believes that a person is, or has been, consuming intoxicating liquor within these areas, the officer may require the person concerned:

- a) not to consume in that place anything which is, or which the officer reasonably believes to be, intoxicating liquor
- b) to surrender anything in his/her possession which is, or which the officer reasonably believes to be, intoxicating liquor or a container for such liquor (other than a sealed container)
- c) An officer may dispose of anything surrendered to him/her as above.
- d) Issue fixed penalty notices on offenders
- e) Prosecute persistent offenders

However, in reality there are limited police officer resources, which in practice would prevent the above from being enforced. This therefore places a greater emphasis on the responsibility of those premises that are selling alcohol for consumption off the premises. If off licences did not exist, the number of street drinkers would decline.

Consultation visit:

A visit was conducted to the premises in respect to the new application on Friday 28 November 2025 at approximately 11:00hrs.

The premiss plan indicates a traditional off-licence layout which also provides the service of a post office.

The applicant and proposed DPS, Mr Sathiasseelan Easwarakumar, was not present at the time of my visit however, we spoke over a telephone call and arranged a subsequent telephone appointment to discuss the application in more detail.

Discussion with applicant:

On Thursday 4 December 2025, I spoke with Mr Sathiasseelan Easwarakumar via telephone whereby the following questions were asked and recorded below:

- Rhea Vagarwal (LA):** Did you read the application and are you happy with the content?
Sathiasseelan Easwarakumar (LH/DPS): Yes.
- Rhea Vagarwal (LA):** Are you aware the premises falls within a CIZ, and do you know what that means?
Sathiasseelan Easwarakumar (LH/DPS): Yes, I do. I have other shops under the same zone in Burnt Oak with Barnet Council which I got last year.
- Rhea Vagarwal (LA) –** What has changed in this new application compared with the one that was refused last year?
Sathiasseelan Easwarakumar (LH/DPS): Nothing was concrete last time; I didn't have any lease on my name or post office contract. Now I have been running for last 1 year and I have no issues with the community.
- Rhea Vagarwal (LA) –** What new or strengthened measures are you proposing to promote the licensing objectives and ensure that no further cumulative impact is caused?
Sathiasseelan Easwarakumar (LH/DPS): There are other issues such as drugs that I am aware of, but I will be compliant with all the licensing objectives...no single cans or miniatures so it leads to cutting down people drinking on the street. When a customer comes and asks, we will turn them back and say we don't have.

5. **Rhea Vagarwal (LA):** Can you list the 4 licensing objectives?
Sathiaseelan Easwarakumar (LH/DPS): Prevent of crime and disorder, public safety, prevention of public nuisance and protection of children of harm.
6. **Rhea Vagarwal (LA):** Do you know about Public Space Protection Order in Brent?
Sathiaseelan Easwarakumar (LH/DPS): To help particular issues with local residents. Since we have taken over the shop, we had councillors that had concerns with parking, and we have controlled it.
7. **Rhea Vagarwal (LA):** There are many existing off licences in the local area, why do you want to open another off licence?
Sathiaseelan Easwarakumar (LH/DPS): It's not purely selling alcohol. We want our customers to purchase all goods in one place to make it easier. This area on record might have crime but since I took over, I only had a break in with stolen cigarettes, but they are arrested now because we worked with Police.
8. **Rhea Vagarwal (LA):** If the application is refused, will you keep the lease and continue to trade?
Sathiaseelan Easwarakumar (LH/DPS): I am applying for a certain time because I am really keen to get more footfall and increase sales. I already told post office, they are giving it, I have amazon services now so I hope I can.
9. **Rhea Vagarwal (LA):** During my visit on Friday 28 November 2025, I observed two males who appeared to be intoxicated enter the premises. If the application was to be granted, how would you manage intoxicated individuals entering the premises to purchase more alcohol?
Sathiaseelan Easwarakumar (LH/DPS): They aren't allowed to drink. And we won't sell alcohol to them. I don't have issues in the last 1 year.

Based on my conversation with applicant, Mr Easwarakumar has demonstrated some understanding of the area profile. Whilst I appreciate the applicant's intention to introduce numerous services to the community and willingness to accept proposed conditions from respective responsible authorities, the proposed business model lacks distinctiveness.

Summary

The Statement of Licensing Policy stipulates that any new premises licence application falling within a specified Cumulative Impact Zone will not be granted unless the applicant provides compelling evidence that the proposed licensable activities will not contribute to the issues the CIZ seeks to address, such as street drinking and alcohol-related anti-social behaviour.

Whilst a business plan has been provided, it fails to demonstrate that granting this application would avoid negative cumulative impact on one or more of the licensing objectives and to the contrary, add to the issues of an existing saturated area.

There is nothing to suggest that the premises will be offering any niche products other than typical goods you would expect to find at a local off licence bearing in mind, there are many existing grocery and off licenced premises within the vicinity.

Harlesden is a challenging area of the Borough fuelled with anti-social behaviour, including street drinking, therefore adding another off licence in the area will not benefit the wider community in my opinion. It is on this basis, that the Licensing Authority ask that the application for a new premises licence is **refused** by the Licensing Sub-Committee.

Adding conditions to a premises licence, in the Licensing Authority's opinion, is not adequate however, if the Sub-Committee decides that there is sufficient evidence to the contrary, the Licensing Authority would request the following points be included in the operating schedule or added as conditions on the premises licence:-

1. The premises shall operate and maintain a digital colour CCTV system. The CCTV system shall continually record whilst the premises are open for licensable activities, and all recordings shall be kept for 31 days.
2. The CCTV system shall capture clear images of every person entering or leaving the premises with further CCTV cameras covering the publicly accessible areas stipulated on the premises plan, including the frontage of the premises.
3. A member of staff trained in the use of the CCTV system shall be available at the premise at all times that the premises are open to the public. This member of staff shall be able to view, download and make copies of any CCTV requests made by the police or authorised officer(s).
4. CCTV footage shall be provided within 24 hours upon request by Police and any authorised Officers from Brent Council, in a readily accessible format on removable media (i.e., USB, hard drive, CD etc..) or via digital transfer.
5. The CCTV system shall display the correct date and time on any footage.
6. Signage stating that CCTV is in operation shall be clearly and prominently displayed at the premises.
7. A "Challenge 25" policy shall be adopted and adhered to. Acceptable proof of age shall include identification bearing the customer's photograph, date of birth and integral holographic mark or security measure. Suitable means of identification would include PASS approved proof of age card, photo-card driving licence and passport.
8. A notice stating "No proof of age – No sale" shall be displayed at the point of sale.
9. A notice asking customers to leave quietly from the premises shall be displayed by the exit/entrance.
10. A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.
11. Any staff directly involved in selling alcohol for retail to consumers, staff who provide training and all managers will undergo regular training (every 12 months) of Licensing Act 2003 legislation. This will be documented and signed for by the DPS and the member of staff receiving the training. This training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.

The training records shall detail:-

- a) Staff member's name
- b) Staff member's signature
- c) Name of person providing the training
- d) Date of training
- e) Training on the licensing objectives
- f) Training on use of the incident log

- g) Training on refusal of sale
- h) Training on challenge 25 policy
- i) Training on the use and downloading (providing copies) of the CCTV system

This training shall be kept at the venue and made available immediately upon request to the police or authorised officers from Brent Council.

12. An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:
- a) all crimes reported to the venue
 - b) all ejections of patrons
 - c) any complaints received
 - d) any faults in the CCTV system
 - e) any visit by a relevant authority or emergency service

Any entries into the log shall be made within 24 hours of any incident and shall contain the time/date of the incident, the nature of the incident, a description of the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident.

13. A refusal book detailing date and time of the refused sale, the name of the person refusing the sale and a description of the person attempting to purchase alcohol, shall be kept and maintained and made available for inspection at the premises.

Any entries into the log shall be made within 24 hours of any incident and shall contain the time/date of the incident, the nature of the incident, a description of the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident.

14. All deliveries (to the premises) shall take place during the normal working day (i.e. 09:00 to 18:00 daily).

15. A clear and unobstructed view into the premises shall be maintained at all times.

16. There shall be no single cans or bottles of beer or cider shall be sold at the premises.

17. There shall be no miniatures of spirits or wine sold at the premises.

18. No high strength beers, lagers, and ciders above 6.0% ABV shall be stocked or sold.

19. There shall be no self-service of spirits on the premises with all spirits being located behind counter.

20. All alcoholic drinks shall be clearly labelled or marked with the name of the premises.

21. A suitable intruder alarm and panic button shall be fitted and maintained.

22. A personal licence holder shall be at the premises at all times whilst open for licensable activities.

23. The premises licence holder shall display notice warning customers against drinking on the street in line with Brent Council's Public Spaces Protection Order.

24. The premises licence holder shall ensure that all tills in operation at the premises automatically provide age-related prompts to staff to check the age of the buyer when alcoholic products are passed through the till, or entered onto the till, for sale.
25. A lockable safe with deposit slot and anti-fishing mechanisms must be used at the counter till area in order to prevent crime.
26. Drivers shall not deliver to any person anywhere other than that at the residential / business address given when the order was placed. There shall be NO deliveries made to any open/public spaces.
27. Delivery drivers should be asked to keep noise to a minimum when collecting deliveries and must not be permitted to loiter unnecessarily.
28. Outside of the hours authorised for the sale of alcohol, all alcohol within the trading area is to be secured behind locked grills, locked screens or locked cabinet doors so as to prevent access to the alcohol by customers or staff.

Subject: Representation Against Application 36684 – Harlesden Cumulative Impact Zone

Dear Licensing Team,

I wish to make a formal representation against Application 36684 on the basis of all four licensing objectives, as the premises are located within the Harlesden Cumulative Impact Zone (CIZ), referred to by the applicant as the Cumulative Impact Assessment (CIA) area.

I am sure my co councillors in copy would join me in advocating for a refusal.

Grounds for Representation

1. Cumulative Impact Zone Policy

- The presence of a CIZ means that granting a new licence should only occur where the applicant can demonstrate in the operating schedule that they would not be adding to the cumulative impact.
- The applicant states that granting the licence would be “unlikely to add to cumulative impact already experienced in the area.” This does not meet the policy requirement of “would not add impact.” By their own admission, the applicant cannot guarantee zero additional impact, which is the standard required under the guidance.

2. Evidence from CIA and Local Issues

- Guidance under Section 182 states:
“Anyone making a representation may base it on the evidence published in the CIA, or the fact that a CIA has been published.”
- Craven Park Road, within the Harlesden CIZ, has a recognised problem with street drinking linked to drug dealing, driven by the high availability of alcohol from numerous outlets.
- At the most recent Safer Neighbourhood Ward Panel meeting on 19 November, attended by residents, police, and councillors, street drinking on Craven Park Road was identified as one of the three ward priorities.

3. Public Safety and Crime Prevention

- Increased alcohol availability in an area already suffering from street drinking and associated crime will undermine efforts to reduce anti-social behaviour and drug-related activity.

4. Public Nuisance and Protection of Children

- Street drinking contributes to disorder and creates an unsafe environment for families and children in the area.

Policy and Decision-Making

If Brent Council decides to grant this licence, it must provide the applicant, the Chief Officer of Police, and all parties who made relevant representations with clear reasons for granting the application, including any reasons for departing from its own policy.

Given the existing situation on Craven Park Road and the applicant's inability to demonstrate compliance with the CIZ policy, I respectfully request that Application 36684 be refused.

Best wishes,

Matt

Summary

The [Licensing Act 2003](#) governs the sale and supply of alcohol in England and Wales. The act has four licensing objectives:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

Under the act, licensing authorities have responsibility for issuing [premises licences](#) and [club premises certificates](#).

[Section 5 of the 2003 act](#) requires a licensing authority to publish a statement of its licensing policy at least every five years. A policy must consider any cumulative impact assessment (CIA) the authority has published under [section 5A](#). The purpose of a CIA is to help the authority limit the licences that it grants in areas where there is evidence to show that the number or density of licensed premises may be contributing to problems that are undermining licensing objectives.

Detailed information on statements of licensing policy and CIAs is available in chapter 14 of [Home Office guidance issued under section 182 of the Licensing Act 2003](#) (PDF) (February 2025).

1 The Licensing Act 2003 and cumulative impact

[Sections 5 and 5A of the 2003 act](#) refer to CIAs. However, CIAs did not have a statutory basis until 6 April 2018 when [section 141 of the Policing and Crime Act 2017](#) came into force. Until that date, “cumulative impact” and cumulative impact policies (CIPs) were only described in Home Office guidance on the 2003 act. The guidance issued in March 2015 described cumulative impact as “the potential impact on the promotion of the licensing objectives of a significant number of licensed premises concentrated in one area.”¹

Why was the 2003 act amended?

The then government’s [modern crime prevention strategy](#) (PDF) (March 2016) included a range of measures to prevent alcohol-related crime and disorder.² One of these was to put CIPs “on a statutory footing, to strengthen the ability of authorities to control the availability of alcohol and reduce alcohol-related crime and disorder, as well as providing industry with greater clarity about how they can be used”.³

A November 2016 [impact assessment](#) (IA) (PDF) on giving CIPs a statutory basis said the system at that time could, among other things, lead to disproportionate restrictions on new business.⁴ According to the IA, licensing and enforcement partners welcomed the government’s proposal. Most industry partners were “not opposed in principle” but “wanted to use the opportunity to ensure clarity on the process and function of CIPs and transparency over the evidence used to implement CIPs”.⁵

When introducing the changes through the Policing and Crime Bill 2016/17, the government said that CIPs needed reform because not all licensing authorities were making effective or consistent use of them.⁶

2 Cumulative impact assessments (CIAs)

A licensing authority must publish a statement of its licensing policy at least every five years. This sets out how the authority intends to operate and promote the licensing objectives in its area. It must be published before the authority carries out any function in respect of individual applications and notices made under the terms of the 2003 act. Before determining its policy, an authority must consult the following:

- the chief officer of police for the area
- the fire and rescue authority for the area
- each local authority's Director of Public Health in England or Local Health Board in Wales
- persons/bodies representative of local premises licence holders
- persons/bodies representative of local club premises certificate holders
- persons/bodies representative of local personal licence holders
- persons/bodies representative of businesses and residents in its area⁷

In determining or revising its policy, an authority must consider any CIA it has published under the act.

2.1 Cumulative impact and the licensing objectives

Home Office guidance on the 2003 act gives examples of how the density of licensed premises can impact on the licensing objectives:

14.21 In some areas where the number, type or density of licensed premises, such as those selling alcohol or providing late night refreshment, is high or exceptional, serious problems of nuisance and disorder may arise outside or some distance from those premises. Such problems generally occur as a result of large numbers of drinkers being concentrated in an area, for example when leaving premises at peak times or when queuing at fast food outlets or for public transport.

⁷ [Section 5\(3\) of the 2003 act](#)

14.22 Queuing in itself may lead to conflict, disorder and anti-social behaviour. Moreover, large concentrations of people may also attract criminal activities such as drug dealing, pick pocketing and street robbery. Local services such as public transport, public lavatory provision and street cleaning may not be able to meet the demand posed by such concentrations of drinkers leading to issues such as street fouling, littering, traffic and public nuisance caused by concentrations of people who cannot be effectively dispersed quickly.

14.23 Variable licensing hours may facilitate a more gradual dispersal of customers from premises. However, in some cases, the impact on surrounding areas of the behaviour of the customers of all premises taken together will be greater than the impact of customers of individual premises. These conditions are more likely to arise in town and city centres, but may also arise in other urban centres and the suburbs, for example on smaller high streets with high concentrations of licensed premises.⁸

2.2 Publishing a CIA

A licensing authority can publish a CIA to help limit the number or types of licence applications granted where there is evidence showing that the number or density of premises in an area is having a cumulative impact and leading to problems which are undermining the licensing objectives. Section 5A of the 2003 act sets out what a licensing authority needs to do to publish a CIA. Chapter 14 of [Home Office guidance on the 2003 act](#) (PDF) (February 2025) provides further detail.

Evidence of cumulative impact

There must be an evidential basis for the decision to publish a CIA. Information which licensing authorities can use includes:

- local crime and disorder statistics, including statistics on specific types of crime and crime hotspots
- statistics on local anti-social behaviour offences
- health-related statistics such as alcohol-related emergency attendances and hospital admissions
- environmental health complaints, particularly in relation to litter and noise
- complaints recorded by the local authority, which may include complaints raised by local residents or residents' associations

⁸ Home Office, [Amended guidance issued under section 182 of the Licensing Act 2003](#) (PDF), February 2025 (accessed 9 July 2025)

- residents' questionnaires
- evidence from local and parish councillors
- evidence obtained through local consultation ⁹

In addition to the above, a licensing authority can consider its own evidence of the impact of licensable activities within its area.

2.3

Effect of CIAs

According to the Home Office guidance, a CIA is a “strong statement of intent” about an authority’s approach to licence applications.¹⁰ A CIA will explain that it is likely that granting further premises and/or club premises certificates in an area would be inconsistent with an authority’s duty to promote the licensing objectives.¹¹

The publication of a CIA does not change the way that licensing decisions are made. Applications for new licences or variations to existing licences must still be considered on an individual basis. Applications that are unlikely to add to the cumulative impact on the licensing objectives should be granted.¹² The Home Office guidance explains:

14.28 While the evidence underpinning the publication of a CIA should generally be suitable as the basis for a decision to refuse an application or impose conditions, it does not change the fundamental way that decisions are made under the 2003 Act. Each decision in an area subject to a CIA therefore still needs to be made on a case-by-case basis and with a view to what is appropriate for the promotion of the licensing objectives. Importantly, the publication of a CIA would not remove a licensing authority’s discretion to grant applications for new licences or applications to vary existing licences, where the authority considers this to be appropriate in the light of the individual circumstances of the case.

2.4

Reviewing CIAs

A licensing authority must review a CIA within three years. In doing so, it must consult with the persons listed in section 5(3) of the 2003 act. If, after consultation, an authority no longer holds the opinion set out in the CIA, it must publish a statement making clear that any reference to the CIA in its

⁹ As above, para 14.29

¹⁰ As above, para 14.40

¹¹ As above, para 14.39

¹² As above, para 14.44

licensing policy statement no longer applies. Reference to the CIA within the licensing policy statement should be removed at the earliest opportunity.¹³

If an authority's opinion remains as set out in a CIA, it must revise the CIA setting out why this is the case.¹⁴

2.5

Examples of statements of licensing policies and CIAs

Statements of licensing policy, CIAs, and reviews of CIAs can be found on the websites of individual licensing authorities – see, for example:

Evaluation of CIAs

A September 2019 paper [examined CIAs in Southwark’s “thriving night-time economy”](#).¹⁶ The paper concluded that CIAs could “be used as policy levers to shape local alcohol environments to support the licensing goals of specific geographical areas and diversify the night-time economy”:

... While we found no evidence that [CIAs] limit the density of different types of licensed venues, [CIAs] may be used as a means to encourage certain types of outlet over others and thereby change the tone of an area’s night-time economy. To further support the development of local licensing policies, an evidence-base for the diversification of the night-time economy is needed, and further work to understand the impact of different outlet types on alcohol-related harm outcomes is required.¹⁷

The authors claimed their research findings were “generalisable to similar urban centres both in the UK and internationally” and that the methodology used was reproducible and scalable. Similar studies across local authorities, or on a regional or national scale were recommended.¹⁸

Subject: Representation in support of an alcohol licence application for Craven Park Local at 28 Craven Park Road, Harlesden, NW10 4AB.

Dear Sir/Madam,

We are writing to express our full support for the premises licence application submitted by Craven Park Local located at 28 Craven Park Road, Harlesden, NW10 4AB.

We believe that granting this licence will have a positive effect on the local community and will promote the four licensing objectives in the following ways:

The Prevention of Crime and Disorder / Public Safety

This Post Office is a well-managed business that contributes positively to the area. The owners are responsible members of the community who have installed CCTV, good lighting, plans for staff training on responsible alcohol sales, and a commitment to checking ID. In my experience, the shop is a safe and well-run environment.

The Prevention of Public Nuisance

The shop's proposed hours of operation are very reasonable and show consideration for local residents and neighbours. The nature of the business, which focuses on the Post Office, is unlikely to attract the kind of late-night footfall or rowdy behaviour sometimes associated with other types of venues. Having more active businesses in the early evening could potentially increase footfall and deter anti-social behaviour in the vicinity.

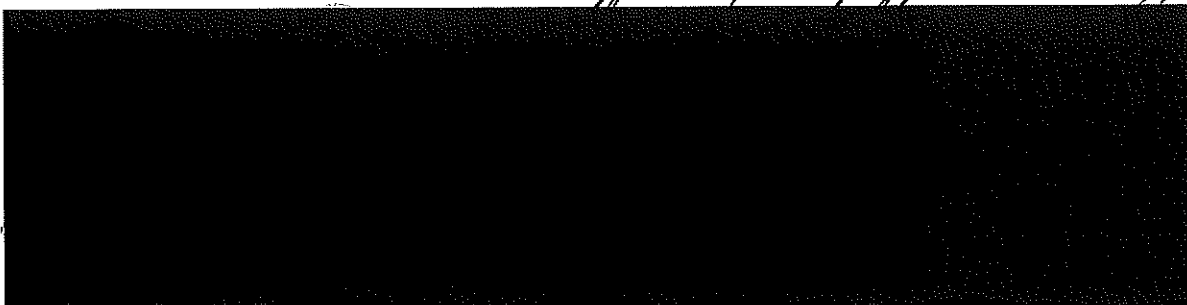

General Support and Community Benefit

Craven Park Local is already a valuable asset to the street, bringing vibrancy and a welcoming space to the area. The services offered by this Post Office are essential to the local community and has been something we have needed for a long time. An alcohol licence would enable them to enhance their current offerings, providing a convenient and quality addition for local customers.

For these reasons, we respectfully request that you look favourably upon this application.

Thank you for your time and consideration.

Yours faithfully,

Below is a breakdown of calls made to police made each calendar month for Craven Park Road. The first column shows the number of calls made to police. The second shows criminal investigations of all types. This is followed by the number or arrests and searches made each month. The final column shows the remaining calls to police which are a variety of ASB (Anti-Social Behaviour), street drinking, noise complaints etc.

The figures show a rise in crime, ASB and arrests in the warmer summer months. Police expect a rise in street crime during the summer months which is more than often fuelled by alcohol and street drinking.

The entire length of Craven Park Road suffers from continual ASB, littering, street crime and street drinking, which I believe is highlighted in figures below. These figures are taken directly from the met police data base giving an overall picture of Craven Park Road for a six month period.

Craven Park Road - Crime Statistics - 2025

Month	Total calls to police	Crimes reported	Arrests	Searches	Other - ASB / street drinking / calls to police etc
