Grounds for review:

We have grounds to believe the license holder has failed to meet the licensing objectives of prevention of crime and disorder, as illegal working has been identified at this premises.

Section 36 and Schedule 4 of the Immigration Act 2016 (the 2016 Act) amended the Licensing Act 2003 (the 2003 Act) to introduce immigration safeguards in respect of licensing applications made in England and Wales on or after 6 April 2017. The intention is to prevent illegal working in premises licensed for the sale of alcohol or late-night refreshment.

The Home Secretary (in practice Home Office (Immigration Enforcement)) was added to the list of Responsible Authorities (RA) in the licensing regime, which requires Home Office (Immigration Enforcement) to receive premises licence applications (except regulated entertainment only licences and applications to vary a Designated Premises Supervisor (DPS)), and in some limited circumstances personal licence applications. In carrying out the role of responsible authority, Home Office (Immigration Enforcement) is permitted to make relevant representations and objections to the grant of a licence or request a review of an existing licence as a responsible authority where there is concern that a licence and related licensable activity is prejudicial to the prevention of immigration crime including illegal working.

# Case Summary

On 22 March 2025, the West London Immigration, Compliance and Enforcement (ICE) team visited Recanto Kings 25, Sapcote Trading Centre, High Road, London, NW10 2DH, after intelligence was received that the business owner was employing illegal workers.

The officers encountered four individuals working at the premises, two of whom were found to be employed without the lawful right to work.

## Civil Penalty

Following the visit, the ICE officers referred the case to the Civil Penalty Compliance Team (CPCT). As a result, on 27 August 2025 a civil penalty of £40,000 was issued to Recanto K Limited for employing an individual who did not have the right to work in the UK.

Recanto K Limited objected to the penalty. The case was reconsidered, and on 01 October 2025 it was decided to maintain the penalty.

Recanto K Limited had until 30 October 2025 to lodge an Appeal against the penalty at the County Court. CPCT has not been notified of an Appeal.

The penalty was due for payment on 31 October 2025. No payment has been received.

The penalty remains outstanding in full.

# Licensed Premises History

The premises licence for Recanto Kings (licence number 31677) was issued by the London Borough of Brent on 6 June 2024. At the time of the enforcement visit, the licence was held by Recanto K Limited, whose director is Milson RAMOS SILVA. Jose Neves De Faria Junior was recorded as the Designated Premises Supervisor (DPS), holding personal licence number 16032 issued by Brent Council.

Following the immigration enforcement visit on 22 March 2025, an application was submitted to transfer the premises licence from Recanto K Limited to Restaurant Bar Simprao Limited, whose director is Sueliane CHAGAS BARRETO RAMOS. The application was granted, together with the change of Designated Premises Supervisor from Jose Neves De Faria Junior to Milson RAMOS SILVA. Milson RAMOS SILVA holds personal licence number PER002276, issued by Ipswich Borough Council. The new licence was issued on 10 January 2026.

It should be noted that Sueliane CHAGAS BARRETO RAMOS, the director of Restaurant Bar Simprao Limited—the company that currently holds the premises licence—is the wife of Milson RAMOS SILVA, the director of Recanto K Limited, which held the premises licence prior to the enforcement visit.

## Enforcement Visit: 22 March 2025

Entry to the premises was gained at approximately 10:41hrs under Section 179 of the Licensing Act 2003. Within the premises the officers encountered the following individuals.

[REDACTED]

When the officers entered the premises, they observed [REDACTED] walking away from the BBQ area and heading toward a nearby café. As she walked, it appeared she was on the phone, although she was not speaking while holding the device. When approached by the officers, she claimed she was having lunch, despite the café appearing closed and having no customers inside. She also denied having been at the premises previously.

Home Office records indicate that [REDACTED]'s second application for leave to remain in the UK under the EU Settlement Scheme was refused on 17 December 2024. At the time of the visit, she did not hold any right to work in the United Kingdom.

During the questioning, [REDACTED] stated that she did not work at the premises, explaining that she worked at a beauty salon doing nails. When asked what she had been doing next to the grill machine outside, she claimed she was waiting for her takeaway. She denied attempting to walk away upon seeing the officers, stating that she did not realise they were from Immigration Enforcement and that she was on her way to collect another takeaway from a different shop.

[REDACTED] acknowledged being aware that she was not permitted to work. When informed that other arrested staff had stated she worked there as a maid, she denied this and maintained that she was not employed at the premises. She further stated that officers were trying to force her to admit to something she had not done and continued to deny working there, including in a cleaning role.

It is to note that during the encounter, officers observed that when the manager of Recanto Kings arrived, his first action was to approach [REDACTED] directly and speak to her in what appeared to be Portuguese, despite her being seated away from the main entrance—indicating a deliberate approach. Additionally, throughout the duration of the officers' presence, no other individual attended the outdoor BBQ area to tend to the food that was being prepared, reinforcing concerns that [REDACTED] had been working there immediately prior to the visit.

[REDACTED]

Upon arrival, officers observed [REDACTED] exiting the business premises after noticing their presence. He was escorted back into the restaurant, where he appeared visibly nervous and anxious when questioned.

Home Office records confirm that, at the time of the visit, [REDACTED] had an outstanding protection claim submitted in December 2024 and held no right to work. He has never held permission to work in the UK.

When interviewed by the officers, [REDACTED] explained that he was a chef in Portugal and had only worked at the business the day before and on the day of the visit, for around two to three hours each day. He said his role at the premises was as a chef. He stated that he had approached the business himself to ask for work, and that the manager, named Milson, had given him the job and decided the days and hours he worked.

[REDACTED] confirmed that he had not yet been paid and was waiting for the manager to pay him once he completed his work. He stated that the manager was responsible for paying him. He also confirmed that he did not pay income tax and did not have a National Insurance number. Regarding right-to-work and immigration status checks, he stated that the manager had only asked whether he had a passport, to which he replied yes, and he had not provided any documents or a share code. When asked how the manager intended to pay him, he said that the manager had not specified this.

## Milson RAMOS SILVA (Employer)

Around 30 minutes into the visit, additional staff arrived and a male identifying himself as the manager queried the officers' presence. He contacted the owner and challenged the officers' authority, showing online information suggesting a warrant was required. Officers explained that entry had been made under Section 179 of the Licensing Act due to intelligence indicating illegal working. He later requested officers' names; warrant numbers were provided, with names given only by those who chose to do so.

Shortly afterward, the owner, Milson RAMOS SILVA, arrived and was vocal, accompanied by a female legal representative on the phone. Upon arrival, RAMOS SILVA was already in communication with his solicitor, who continually provided him with advice. He insisted on taking photographs of all officers' identification and became agitated when officers did not comply with this request. An illegal working employer interview was attempted with him; however, on the advice of his solicitor, he refused to answer any questions. As a result, the interview was abandoned, as it was clear the owner would not participate.

RAMOS SILVA continued to question the officers' authority and again requested officer details. He displayed agitated and aggressive behaviour toward all members of staff and instructed one of his employees to approach the officers on site and request their identification. During the interaction, he raised his voice on several occasions and, at one point, lifted his T-shirt in a confrontational manner.

The owner also complained about the number of officers present and claimed that the visit was affecting customers. One staff member filmed throughout, and the legal representative advised the owner not to answer any questions.

## Reasons for Review

Section 36 and Schedule 4 of the Immigration Act 2016 amended the Licensing Act 2003 to introduce immigration safeguards for licensing applications made in England and Wales on or after 06 April 2017. The purpose of these provisions is to prevent illegal working in premises licensed for the sale of alcohol or the provision of late-night refreshment.

During the enforcement visit on 22 March 2025, Immigration Enforcement officers encountered four individuals working at the premises, two of whom were confirmed to have no lawful right to work in the United Kingdom. These individuals were both found to be working in breach of immigration law and one of them admitted he had been employed by the manager, Milson RAMOS SILVA, who set his hours, directed his tasks, and was responsible for paying him.

No statutory right to work checks had been carried out, and neither worker had provided documents, share codes, tax information, or National Insurance details. These breaches were consistent, deliberate, and facilitated by those managing and controlling the premises.

There are further significant concerns regarding the conduct of the management during and after the enforcement visit. During the visit, the owner, Milson RAMOS SILVA, was hostile, aggressive, and obstructive towards officers. He repeatedly challenged the officers' authority, attempted to photograph official identification, raised his voice, lifted his T-shirt in a confrontational manner, and refused to participate in an employer interview after receiving advice from his solicitor. His behaviour hindered lawful enforcement activity and demonstrated an unwillingness to comply with the regulatory framework.

Shortly after the visit, an application was submitted to transfer the premises licence from Recanto K Limited, directed by Milson RAMOS SILVA, to Restaurant Bar Simprao Limited, whose director is Sueliane CHAGAS BARRETO RAMOS, the owner's wife. The Designated Premises Supervisor role was also transferred from Jose Neves De Faria Junior to Milson RAMOS SILVA. The immediate transfer of both the premises licence and control of the DPS role to close family members strongly indicates an attempt to avoid accountability following the identification of illegal working at the premises. This restructuring does not represent a genuine change in control but rather demonstrates continuity of management under the same family unit.

A £40,000 civil penalty was issued to Recanto K Limited on 27 August 2025 for employing a person without the right to work. The business objected, but following review, the penalty was maintained on 1 October 2025. No appeal was lodged by the statutory deadline, no payment has been made, and the penalty remains

outstanding in full. The failure to engage with the civil penalty process or to make any payment demonstrates ongoing non-compliance and disregard for legal obligations.

The noncompliance with the civil penalty was taken into account when considering action against the licence.

Section 182 Guidance at paragraph 11.27 states that employing a person who is disqualified from that work by reason of their immigration status is an offence that licensing authorities should treat particularly seriously. Paragraph 11.28 further advises that the revocation of the premises licence - even in the first instance - should be seriously considered where such offences occur.

Immigration Enforcement submits that those involved in the management and operation of these premises have knowingly employed illegal workers for commercial gain, have failed to undertake even the most basic statutory checks, and have subsequently taken steps to obscure responsibility through rapid transfers of the premises licence within the same family network.

The obstructive behaviour displayed during the enforcement visit further erodes confidence in the operators' ability or willingness to uphold the licensing objectives. A warning or any action short of a review would be inappropriate.

For these reasons, Immigration Enforcement has proceeded to review the premises licence.

# Outcome Sought

The objective of the Licensing Act 2003 (the Act) is to provide a clear, transparent framework for making decisions about applications by individuals or businesses wishing to sell or supply alcohol or provide certain types of regulated entertainment and late-night refreshment.

There are four licensing objectives which underpin the Act, and which need to be taken into account and promoted throughout the licensing process. The licensing objectives are:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance and
- the protection of children from harm.

Recanto Kings, under the control of Milson RAMOS SILVA as licence holder or DPS, has been found employing illegal workers. The business has clearly failed to meet the prevention of crime and disorder objectives. The license holder would have been aware of his responsibilities to uphold the licensing objectives as they are clearly defined as part of the premises license application.

Immigration Enforcement asks that the premises licence is **revoked**.

Merely remedying the existing situation (for instance by the imposition of additional conditions or a suspension) is insufficient to act as a deterrent to the licence holder and other premises' licence holders from employing illegal workers and facilitating disqualified immigrants to work illegally.

This submission and appended documents provide the licensing subcommittee with background arguments and information pertinent to that contention. These provide the sub-committee with a sound and defensible rationale as to why it should **revoke** the licence.

Title	Female seen leaving and acting suspiciously when officers arrived
Text	<p>On arrival at Recanto King's Bar and Resturant my role was to stay in front cover, I noticed an open gated area to the left hand side where there was a number of mopeds and an outdoor BBQ cooking area. As Officers entered the premises a stout middle aged female with tattoo's on her forarms, black tied back hair wearing a green long sleeved top and black leggings walked away from the BBQ cooking area and approached "Zebu Butchers" opposite the visit address, she stood momentarily with a male from Zebu Butchers talking and watching as Immigration Officers entered Recanto King's Bar and Resturant. At this moment I asked a male stood near the external BBQ cooking area if it was part of Recanto King's Bar and Resturant, he confirmed that it was part of the kitchen and on closer inspection I could see the open sidedoor entrance to the kitchen area. I returned back to front cover where I noticed the female had started to walk away in a rushed manner, repeatedly looking back while speaking on her phone. I spoke with rear cover officers IO [REDACTED] and [REDACTED] who were spare as there was no rear cover, to inform them what I had seen, on my advice they followed the female to bring her back to Recanto King's Bar and Resturant as I believed she had been working preparing food in the BBQ area when we arrived.</p>

I now know the female's name to be [REDACTED], she was arrested by IO [REDACTED] as an overstayer who has failed EUSS application.

During the arrest and encounter by IO [REDACTED], [REDACTED] [REDACTED] was sat to the left hand side near the entrance of Recanto King's Bar and Resturant when the claimed manager of Recanto King's Bar and Resturant entered the premises at approximately 11:40, I observed his first action to be approaching [REDACTED] and immediatly speaking to her in what I believe to be Portugueese. This was noted as she was sat to the far left hand side away from the main entrance, he had to make a determined move to approach and speak with her.

I also noted that since Immigration Officers' arrival at 11:02 to departure 13:03 no one else came out to the BBQ area to tend to the food that was being prepared.

He was advised thar was fine. He approached me a few mins later while the owner was still on the phone, and asked me who we were looking for, showed a screenshot from a site (possibly gov.uk) regarding warrants and stated we needed a warrant, I explained that we did not have a warrant and the Intel was that illegal working was taking place at the premises, and that we had entered under section 179 of the licencing act. This was all relayed to the owner and I was advised the owner was making his way to the premises.</p> <p>I was also at this point asked to provide all names of officers, I gave my name and warrant number and oic (mentee) swarming gave her details, and advised the other officers would provide warrant numbers but it was up to each officer if they wanted to provide their names.</p> <p>After about 10 mins a male entered and introduced himself as the owner Wilson ramps Silva, he was very vocal and had a female legal rep on the phone.</p> <p>Again they were querying our entry and demanding officer details. Dear Sir/Madam,

**Licensing Representation to the Review Application for the Premises Licence at Recanto Kings, 25 Sapcote Trading Centre, High Road, NW10 2DH**

I certify that I have considered the application shown above and I wish to make a representation that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made to review the premises licence under section 51 of the Act.

The Licensing Authority representations are primarily concerned with the four licensing objectives;

- public safety
- the prevention of public nuisance
- the protection of children from harm

**Background**

The premises is located at 25 Sapcote Trading Centre, High Road, NW10 2DH falling within the Roundwood ward. It is situated in an industrial site with predominantly car repair businesses and residential dwellings are located within a five-minute walk of the premises.

The surrounding area has a mix of commercial and residential activity, with regular vehicle movement associated with nearby workshops and light industrial units.

The premises describes itself as the "Best Sertanejo Bar in London" serving Brazilian music and food.

## History

The premises has a history of multiple complaints, breaches of licence conditions, and enforcement action. A number of applications relating to the premises licence have also been submitted and granted over time.

- A review application was received by the Home Office (Immigration Enforcement) on 14 April 2026, which seeks to revoke the premises licence following the discovery of illegal workers at the premises.

## Complaint History:

### July 2024 (SR-16662)

- Complaint received in relation to overcrowding, the sale of alcohol to intoxicated patrons, disorderly conduct taking place without any mitigation by staff, glass drinking vessels being taken outside to the front area and patrons using their vehicles antisocially upon ingress/egress to the premises. It was also reported that an individual was run over.
- An inspection was conducted to investigate the matter further. An employee stated a singer from the premises was injured and the speeding cars are not linked to their patrons, it is a local issue. It was also advised that alcohol is only served in conjunction with a seated table meal and CCTV of the incident has been provided to the Metropolitan Police.
- A warning letter was issued following breaches of the premises licence and due to usage of the front external area as it does not form part of the approved premises plan. **(Appendix RV1)**

### September 2024 (SR-17743)

- Head of Regulatory Services, Simon Legg, received and responded to a complaint that referenced loud/live music being played at the premises every night from 00:00 to 01:00 and general anti-social behaviour, such as individuals shouting and screaming.
- An inspection was carried out to address the complaint and review previous breaches. While some improvements had been made, CCTV remained non-compliant (only a 7-day retention period) and no incident log was able to be produced. The reviewed footage showed no licensable activities taking place beyond the permitted hours.
- The matter was referred to Brent Council's Nuisance Control Team, and an advisory letter was issued advising of noise control measures, the requirement of a 31-day CCTV retention period, and the use of an incident log. **(Appendix RV2)**
- The premises licence holder subsequently confirmed that an incident log had been implemented and provided evidence that CCTV retention had been increased; further advice was given regarding the management of live music and prevention of noise breakout.

### January 2025 (SR-33173)

- A noise complaint was received via the Noise App on 8 January 2025 and referred to the Licensing Authority by the Nuisance Control Team for investigation under the Licensing Act 2003.
- The premises was visited and Mr Ramos was notified of the complaint, advised further in regard to noise control measures and to provide specific CCTV footage.
- Due to limitations in the complainant's use of the Noise App, specific dates could not initially be confirmed. A further visit by the Nuisance Control Team on 25 January 2025 at 23:15hrs found no excessive noise.
- The complainant provided further details, including their location and diary sheets of alleged noise incidents, which were submitted to the Nuisance Control Team for assessment, Out-of-hours monitoring was also offered.
- As no further substantiated complaints were received, the case was closed.

### July 2025 (SR-23821)

- Metropolitan Police served a Section 19 Closure Notice for the breach of licensing conditions on 11 July 2025.
- Licensing Authority received a copy of the Section 19 Closure Notice. **(Appendix RV3)**

### August 2025 (SR-24471)

- Complaint received that alleges on 11 August 2025, a £5 per person charge (including children) was imposed for live music without prior notice, with refusal resulting in patrons being asked to leave; the fee was paid as some members of the party were still dining.

It was also reported that a patron who briefly left was refused re-entry. Additional allegations included regular overcrowding after 19:00 on weekends, public urination due to limited facilities, frequent fights (including incidents involving staff/owner intervention and injury), a serious assault involving a bottle, and concerns regarding patrons' right to remain in the UK.

- The matter was referred to Brent and Harrow Trading Standards to investigate the unadvertised entry fee under the relevant legislation.
- The complaint was also shared with the Metropolitan Police, and the Licensing Authority conducted further enquiries to assess potential breaches of the licensing objectives.

### November 2025 (SR-26518)

- Notification from Jose Neves De Faria Junior received stating that he wished to remove himself from the premises licence.
- A subsequent email was sent to the premises licence holder confirming receipt of this, and that he would have to apply to vary the DPS before any sales of alcohol could lawfully be made. The PLH acknowledged and agreed.

### February 2026 (SR-29001)

- Email received from Nuisance Control Team stating 15 reports have been received since December 2025 for music noise until 02:36hrs.

### April 2026 (SR-30442)

- Complaint received from Anti-Social Behaviour Team citing concerns relating to drug use, nuisance, harassment and selling counterfeit clothing.
- Licensing Authority advised the Anti-Social Behaviour Team that the complainant can submit a representation in support of the review application.

### **Recommendation**

Having assessed the above information, there is no substantive evidence to demonstrate that the premises licence holder or designated premises supervisor are upholding the licensing objectives.

Given the seriousness of the criminal activity, the repeated breaches, and the lack of improvement, there is no confidence that the imposition of additional conditions would be effective. The Licensing Authority therefore requests for the premises licence to be **revoked**.

Yours sincerely,

Dear Milson Silva Ramos,

**Licensing Act 2003:  
Section 136 - Unauthorised licensable activities (Non-compliance of conditions)**

**Recanto Kings, Unit 25 Sapcote Trading Centre, 374 High Road, NW10 2DH  
(Premises licence number: 31677)**

Following on from an inspection carried out at the above premises on Wednesday 17 May 2024, Brent London Borough Council's Licensing Department do not have any major concerns regarding your management of the premises.

The reason for my visit was that I had recently received a complaint alleging that the premises had issues with overcrowding, staff selling alcohol to intoxicated patrons, disorderly conduct taking place without any mitigation by staff, patrons taking glass drinking vessels outside to the front area and patrons using their vehicles antisocially upon ingress/egress to the premises.

Although I am mindful that some complaints made to the Council might be malicious, it should be worthwhile noting that the Licensing Authority has a duty to investigate any complaint made. As this premises licence has only been recently granted, I am happy to treat the above complaint in isolation. With that said, should further complaints be made, there will be further levels of scrutiny applied (I.e., checking CCTV of random dates etc..).

Nonetheless, as a consequence of my visit to the premises, it is the view of the Licensing Authority that whilst there is not any evidence to suggest that you are undermining any of licensing four objectives (The prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm) – there does seem that there are a few issues regarding the compliance of certain conditions set out within annex two of your premises licence.

I do appreciate that your employee Valdcy Junior was fully co-operative and helpful during my visit. It was however fairly apparent that some annex two conditions were clearly not being compiled with, although I did note there was an element of willingness to become fully compliant.

I think you should be mindful of the fact that failure to adhere to any of the conditions stipulated within your premises licence could result in you committing a criminal offence each you undertake licensable activities (i.e., the sale of alcohol). This is pursuant to Section 136(1)(a) of the Licensing Act 2003 (Unauthorised licensable activities) as any sale of alcohol made would not be in accordance with the lawful authorisation of your premises licence.

Offences committed under the Licensing Act 2003 and/or further non-compliance of conditions in addition to further complaints being made could result in the premises licence being called into review where it could ultimately be revoked.

Furthermore, as you are personally liable for any offences committed under the Licensing Act 2003 in relation to the premises licence, you could also face an unlimited fine and/or be imprisoned for up to 6 months if prosecuted.

As such, I believe it's only fair that we give you one calendar month to try and rectify the matters relating to the non-compliance of your conditions. I don't foresee any of them being particularly difficult to resolve.

I therefore request that you contact me by **Friday 23 August 2024** via email to confirm that you have carried out the necessary provisions to be compliant with the conditions of your premises licence. I have included guidance that can be found enclosed at the rear of this letter.

Of course, if you do have any questions regarding this letter, please feel free to email me using the above details at any time and I will be willing to assist you as much as possible.

Yours sincerely

### Annex Two, Condition 4

*4. A member of staff trained in the use of the CCTV system shall be available at the premise at all times that the premises are open to the public.*

Inspection – Whilst your CCTV operation adheres to the conditions 1, 2, 3 & 5. I am of the viewpoint that this condition is not being fully complied with. Whilst your staff do have access to the CCTV monitor, I believe the intention of this condition is to be able to provide CCTV to any authorised Officer or Police Officer upon request. I understand that most modern CCTV footage are stored/retained on mobile devices these days, however this is usually only accessible for one person. As such, unless you are always at the premises whilst it is open to the public and undertaking licensable activities, then perhaps it could be possible that premises are breaching this condition each time that you leave physically the premises.

Recommendation – I would advise you to add an additional condition by submitting a minor variation to the Licensing Authority. A condition such as “*CCTV footage shall be made available to the Police and any authorised Officers from Brent Council upon request. CCTV footage shall be provided by email, drop box link or any kind of removable media (i.e., USB, hard drive, CD etc..) within 24 hours of request.*” would suffice. Equally, you can ensure that all staff can provide CCTV if requested.

### Annex Two, Condition 7 & 8.

*7. A "Challenge 25" policy shall be adopted and adhered to at all times*

*8. A sign stating "No proof of age -- No sale" shall be displayed at the point of sale.*

Inspection – A challenge 25 policy has been undertaken by the premises; however, the respective poster was not displayed. Further to this, there was not a notice stating “No proof of age – no sale” either.

Recommendation – Whilst Valdcy confirmed that he would put up the challenge 25 poster behind the service area, an additional poster will need to be displayed that states “No proof of age – no sale”.

**Offence – Failure to adhere to this condition breaches Section 136(1)(a) of the Licensing Act 2003 (Unauthorised licensable activities).**

### Annex Two, Condition 6 & 10.

*6. CCTV signage will be displayed, reminding customers that CCTV is in operation.*

*10. Notices asking customers to leave quietly shall be conspicuously displayed at all exits*

Inspection – No such signage was displayed at the premises.

Recommendation – To put up signage stating that CCTV is in operation and a notice by the exit requesting that patrons leave the premises quietly. I have included examples of these below:

<https://www.amazon.co.uk/Operation-Premises-Silver-Restaurant-Notice/dp/B0871JM6LK>

[https://www.amazon.co.uk/s?k=please+leave+quietly+pub+sign&ref=nb\\_sb\\_noss](https://www.amazon.co.uk/s?k=please+leave+quietly+pub+sign&ref=nb_sb_noss)

**Offence – Failure to adhere to this condition breaches Section 136(1)(a) of the Licensing Act 2003 (Unauthorised licensable activities).**

Annex Two, Condition 15.

*15. Customers shall not be permitted to take any open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.*

Inspection – Valdcy confirmed that patrons take open alcoholic drinks outside to the front area of the premises. As such this would usually be in breach of this condition, given the external area used by the premises is not on the premises plan.

It should be noted however that this condition is suspended pursuant to 172F(5) of the Licensing Act 2003 in which the Business and Planning Act 2020 temporarily amended the legislation. This effectively means that any conditions that pertains to off sales being sold in any open container are suspended for all intents and purposes.

This legislative provision that suspends the conditions pertaining “open alcoholic drink containers” is due to expire on 31 March 2025.

Recommendation – Once this legislative provision expires, should any patron take their drink outside the plan (which only covers the internal area of the premises), then an offence under the Licensing Act 2003 would take place. To rectify this, you can submit a minor variation application to update the premises plan and have the front area included for “consumption purposes only”.

**Offence – Failure to adhere to this condition breaches Section 136(1)(a) of the Licensing Act 2003 (Unauthorised licensable activities).**

Annex Two, Condition 17.

*17. A suitable intruder alarm complete with panic button shall be fitted and maintained.*

Inspection – Unless there was a misunderstanding, there was no such alarm installed at the premises.

Recommendation – If you feel it’s unnecessary to install an intruder alarm with a panic button, you can request to remove this condition by way of a minor variation.

**Offence – Failure to adhere to this condition breaches Section 136(1)(a) of the Licensing Act 2003 (Unauthorised licensable activities).**

Annex Two, Condition 21

21. *Staff training must be documented and based on legislation and operating procedures. All training shall be signed and dated and a copy of such records will be available for inspection by Police and local authority enforcement officers.*

Inspection – Valdcy confirmed that no training takes place at the premises.

Recommendation - Whilst I appreciate that this condition leans heavily upon one's interpretation of what "Legislation and operating procedures" exactly entails as a topic of training - I believe that there are reasonable steps that you can take as a licence holder to comply with this condition and to show responsible management of a licenced premises.

As mentioned previously, there is a duty placed upon you as the licence holder to promote the four licensing objectives. Ensuring all staff who are engaged in selling alcohol are adequately trained in doing so would consequently be seen as a pro-active measure undertaken by you to promote all four licensing objectives. Furthermore, evidencing that this training/refresher training has taken place would go even further in satisfying this condition.

Therefore, I have attached a document at the rear of this letter named "*Authorisation list for the sale of alcohol*". Completing this document with each member of your staff who sells alcohol at the premises works two-fold for you. It ensures compliancy with the above condition and evidences a written record that you have provided "Legislation and operating procedures" training to staff members. Additionally, it also shows that the DPS has given authorisation for that member of staff to sell alcohol. Upon completion of the training, the staff member can include their name, signature, and date to the list.

I would also advise that all staff members are trained on a yearly basis, with new staff members trained upon employment.

**Offence – Failure to adhere to this condition breaches Section 136(1)(a) of the Licensing Act 2003 (Unauthorised licensable activities).**

#### Annex Two, Condition 24

24. *An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:*

- (a) all crimes reported to the venue*
- (b) all ejections of patrons*
- (c) any complaints received*
- (d) any incidents of disorder*
- (e) all seizures of drugs or offensive weapons*
- (f) any faults in the CCTV system*
- (g) any refusal of the sale of alcohol*
- (h) any visit by a relevant authority or emergency service.*

Inspection – There was no incident log kept on the premises.

Recommendation – As this condition is self-explanatory, you should keep a log with the above information. All that is required is for you put the time/date and reason according to the above (a-h).

Example of an incident logs can be found by following the below link:

Upon purchasing one of these logs, you can put the first entry as “Brent Council Licensing Inspection 17.07.2024, 15:00” and then it can be signed off by Valdcy. Thereafter, you can complete it as and when any incidents take place that would fall into the description of (a) – (h) from the above list. It is probably also worthwhile to include the incident in which the singer was injured, despite that not happening on your premises.

**Offence – Failure to adhere to this condition would be considered a criminal offence pursuant to section 136(1)(a) of the Licensing Act 2003 (Unauthorised licensable activities).**

### Conclusion

I fully appreciate that this is a lot of information for you to take in all at once. I would advise you to carefully read the above and carry out the recommendations. I have nonetheless condensed the below so that it is more palatable:

- 1) Put up the signage/notices that pertain to CCTV, requesting patrons leave the premises quietly, challenge 25 poster and “No ID, no sale” notice.
- 2) Purchase an incident log and include my visit on 17.07.2024 and the incident in which a singer was run over.
- 3) Conduct training for all members of staff who are engaged with selling alcohol at the premises. Ensure that the training is signed off by the DPS and the respective staff member.
- 4) Submit a minor variation application to include the astroturf frontage of the premises. You can also request to add the condition relating to CCTV being provided, and request to remove the condition relating to the intruder alarm. If you need any assistance with submitting the minor variation application, please feel free to email me using the details provided above.

Dear Milson Silva Ramos,

**Licensing Act 2003:  
Section 136 - Unauthorised licensable activities (Non-compliance of conditions)  
Chapter 7: Promotion of the four licensing objectives**

**Recanto Kings, Unit 25 Sapcote Trading Centre, 374 High Road, NW10 2DH  
(Premises licence number: 31677)**

After the follow up inspection carried out at the above premises on Thursday 5 September 2024, Brent London Borough Council's Licensing Department do not have any major concerns regarding your management of the premises, although there are some important advisory matters that I believe should be brought to your attention.

The reason for my visit was that I had recently received a secondary complaint on 2 September 2024 pertaining to live music and the behaviour of patrons at the premises. A snippet of this complaint states that:

*"Loud music every night and general antisocial behaviour.", "a place that has live music every night till about 12-1 am every night", & "Shouting and screaming people."*

As this was a second complaint of a similar nature, I thought that it would be remiss of me not to make you aware of this allegation.

Further to this, the Licensing Authority has also received the following additional complaint made to Brent Council's Noise Nuisance Team on 5 September 2024:

*"Every night they have live music events and it's become unbearable to live with this constant noise pollution It goes on most nights into the early hours.", "It's like living next door to a*

Page 1 of 5

*nightclub.”, “I cannot get to sleep because of the music literally vibrating my home.” & “This needs to be stopped or completely soundproof the property.”*

As such, given the context of these complaints, and that there have been three complaints made in total since the licence was issued in June 2024 - I would say that it is probably worthwhile being mindful about the level of noise emitting from your premises. This is predominantly in relation to the live music, recorded music, and noise from patrons at the premises.

It therefore might be beneficial to introduce measures that help minimise this disturbance. Such measures can include soundproofing the premises, ensuring that the volume of any live/recorded music is reduced, investigating any weak points inside your premises to reduce noise breakout, ensuring that all doors and windows are shut and instructing staff to ensure that all patrons keep conversational noise to a minimum.

Should complaints continue to be received, it might be considered that the licensing objective of “the prevention of public nuisance” is being undermined. The promotion of the four licensing objectives remains an integral responsibility of licence holders under the legislation and failing to promote the objectives could give rise to a review of your premises licence.

Continued issues leading to substantiated noise nuisance complaints may also result in the issuing of a noise abatement notice for the premises under the Environmental Protection Act 1990 from Brent Council’s Nuisance Control Team.

As such, it is of the utmost importance that as the premises licence holder, you should consider the possible impact of any activities on local residents and continue to promote the four licensing objectives at all times.

In respect of the inspection and compliance of the conditions, I was pleased to see that you have undertaken measures as detailed within the warning letter that I had sent 23 July 2024, following on from my inspection on 17 July 2024. Consequently, I gratefully acknowledge that you have rectified most of the conditions and are now compliant with the below:

6. CCTV signage will be displayed, reminding customers that CCTV is in operation - *New CCTV signage is displayed throughout the premises.*

7. A "Challenge 25" policy shall be adopted and adhered to at all times - *Challenge 25 policy signage is displayed twice at the point sale, one in front and one behind the bar.*

8. A sign stating "No proof of age -- No sale" shall be displayed at the point of sale – *“No proof of age – No sale” signage is displayed twice at the point sale, one in front and one behind the bar.*

10. Notices asking customers to leave quietly shall be conspicuously displayed at all exits – *Signage was displayed near the exit to the premises.*

15. Customers shall not be permitted to take any open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority – *You confirmed that you do not allow patrons to take their alcoholic drinks outside.*

21. Staff training must be documented and based on legislation and operating procedures. All training shall be signed and dated and a copy of such records will be available for inspection by Police and local authority enforcement officers – *You presented me with evidence that each*

*member of staff had undertaken the relevant staff training, signed off by the relevant staff member. The topics included on this list went over and beyond what is stipulated within the condition.*

Further to this, you also confirmed that you would replace "Part A" which is currently displayed behind the service area, with the two pages of "Part B" of your premises licence summary.

It should be noted that your willingness to comply with the conditions of your premises licence demonstrates good management and co-operation with the Licensing Authority insofar that you take your responsibility as the premises licence holder seriously.

The only outstanding issues are in relation to the two below conditions:

1. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council. – *While you were able to show CCTV footage from the previous 7 days (which didn't show any licensable activities take place beyond your permitted hours), you could not go back further than 7 days. As such, this is in breach of this condition. I understand that you're engineer stated that due to the high definition of the cameras, it reduces the memory available to retain footage however this is something that will need to be addressed.*

24. An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any faults in the CCTV system
- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

*I understand that you were under the impression that you had an incident log, however as you were unable to provide it upon request, this would also mean that you were in breach of this condition.*

As stated previously in my correspondence, I think you should be mindful of the fact that failure to adhere to any of the conditions stipulated within your premises licence could result in you committing a criminal offence each time you undertake licensable activities (i.e., the sale of alcohol). This is pursuant to Section 136(1)(a) of the Licensing Act 2003 (Unauthorised licensable activities) as any sale of alcohol made would not be in accordance with the lawful authorisation of your premises licence.

Offences committed under the Licensing Act 2003 and/or further non-compliance of conditions in addition to further complaints being made could result in the premises licence being called into review where it could ultimately be revoked.

Furthermore, as you are personally liable for any offences committed under the Licensing Act 2003 in relation to the premises licence, you could also face an unlimited fine and/or be imprisoned for up to 6 months if prosecuted.

I believe it's only fair that we give you one calendar month to try and rectify the matters relating to the non-compliance of your conditions. I don't foresee any of them being particularly difficult to resolve.

I would also like you to confirm that you have undertaken measures to mitigate against the noise complaints that Brent Council have received.

I therefore request that you contact me by **Friday 18 October 2024** via email to confirm that you have carried out the necessary provisions to be compliant with the remaining two conditions of your premises licence and have taken steps to reduce any potential noise related issues. I have included guidance that can be found enclosed at the rear of this letter.

Of course, if you do have any questions regarding this letter, please feel free to email me using the above details at any time and I will be willing to assist you as much as possible.

Yours sincerely

## List of conditions and recommended actions.

I fully appreciate that this is a lot of information for you to take in all at once. I would advise you to carefully read the below and carry out the recommendations. I have nonetheless condensed this information so that it is more palatable:

1) To comply with Annex Two, Condition 24, I would suggest purchasing an incident book. An example of an incident logs can be found by following the below link:

<https://www.amazon.co.uk/incident-report-book/s?k=incident+report+book>

Upon purchasing one of these logs, you can put the first entry as “Brent Council Licensing Inspection 17.07.2024, 15:00” and then a secondary entry can be included as “Brent Council Licensing Inspection 05.09.2024, 15:30”.

Once you have entered these entries into your incident log, I would be most grateful if you could email me a photo confirming that you have entered these visits into your log as required as per the condition of your premises licence.

2) To comply with Annex Two, Condition 24, I would advise that you speak to your CCTV engineer so that the retention is increased from 7 days to 31 days. Once this has been rectified, I would be most grateful if you could let me know via email.

3) Put in measures to negate any noise related issues at your premises. This can be done by reducing the volume of music, changing the hours of the live music so that it finishes earlier, ensuring that all doors and windows are shut during any performance of live music, ensuring that patrons keep conversational levels to a minimum and considering any other additional measures.

4) Submit a minor variation application to include the astroturf frontage of the premises. If you need any assistance with submitting the minor variation application, please feel free to email me using the details provided above.

Licensing Act 2003 – Section 51, Review of Premises Licence**

Police representation in respect of the application to review the premises licence for Recanto Kings, Unit 25 Sapcote Trading Centre, High Road, NW10 2DH.

This representation is made by an officer of the Metropolitan Police Service, being the authority within whose area the premises are situated and duly authorised to exercise its statutory function as a Responsible Authority under the Licensing Act 2003.

I confirm that I have considered the above application and wish to make representations on the grounds of the prevention of crime and disorder in support of the review initiated by the Home Office (Immigration Enforcement Compliance Team).

A review of the application history indicates that, notwithstanding multiple administrative changes to the premises licence including transfers of ownership and variations of the Designated Premises Supervisor (DPS), there is a clear continuity in the individuals involved in the operation and management of the business.

The premises licence was originally granted in June 2024 to Recanto K Ltd, with Mr Milson Ramos Silva as director and Mr Jose Neves De Faria Junior as the DPS. Subsequent months saw several changes to the DPS role, including the removal of Mr De Faria Junior in October 2024, the appointment of Mr Fabio Mauricio Prazeres Da Conceicao Marcelino in November 2024, and the reappointment of Mr De Faria Junior in March 2025. Mr De Faria Junior was again removed in November 2025.

In December 2025, the premises licence was formally transferred from Recanto K Ltd to Restaurant Bar Simprao Ltd. However, shortly thereafter in

January 2026, Mr Milson Ramos Silva, previously the director of the original licence holder was appointed as the DPS, indicating his continued involvement in the business despite the change in licence holder.

Overall, the pattern of repeated DPS variations and the reappearance of the same individuals in key roles, alongside the transfer of the licence between corporate entities, demonstrates that the underlying control and management of the premises has remained substantially the same. This continuity is further relevant in the context of the review application submitted in April 2026 by the Home Office (Immigration Enforcement), which raises concerns regarding the operation of the premises.

Since February 2025, Police have received reports of complaints concerning altercations, intoxication, drug use and nuisance in the form of loud music emanating from the premises and illegal workers, see below for extracts of the details from the Cad references:

Police officers have carried out a visit to the premises as part of both proactive and intelligence-led operation on Friday 11 July 2025. During the visit, breaches of licence conditions were identified, including:

*Condition 13 - The supply/sale of alcohol shall be by waiter or waitress service.*

*Condition 14 - Alcohol shall only be provided as an accompaniment to a main meal in the restaurant area as defined on the plans submitted to the licensing authority.*

*Condition 15 - Customers shall not be permitted to take any open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.*

*Condition 21 - Staff training must be documented and based on legislation and operating procedures. All training shall be signed and dated and a copy of such records will be available for inspection by Police and local authority enforcement officers.*

*Condition 24 - An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:*

- (a) all crimes reported to the venue*
- (b) all ejections of patrons*
- (c) any complaints received*
- (d) any incidents of disorder*
- (e) all seizures of drugs or offensive weapons*
- (f) any faults in the CCTV system*
- (g) any refusal of the sale of alcohol*
- (h) any visit by a relevant authority or emergency service.*

Officers identified instances of non-compliance with conditions intended to ensure lawful operation and therefore issued a Closure Notice – Section 19 Criminal Justice and Police Act 2001, which was served to Mr Jose Neves De

Faria Junior who acted in the capacity of the DPS at time of visit. A copy was provided to the Licensing Authority ([Appendix MJS/01 & MJS/02](#)).

Despite being afforded opportunities to comply, the premises has failed to demonstrate adequate adherence to its obligations under the licensing framework, following findings from the Immigration Enforcement Team.

The Police consider that the continued operation of the premises in its current form presents a risk to the promotion of the licensing objectives, particularly the prevention of crime and disorder. In light of the seriousness and persistence of breaches, the Police support the revocation of the premises licence as a necessary and proportionate measure.

The Police therefore invite the Licensing Sub-Committee to give due consideration to the evidence presented and to take appropriate action to uphold the licensing objectives and protect the wider community.

**Yours Sincerely,**
