Dear Sir/Madam,

I am writing with regards to the Notice for Application that was posted to me on 1 March 2021.

I would like to refuse the application for The Use of the back Garden for Customers.

A previous owner of the Bar, did use the back garden prior to the Police and Licensing having to close the area as it created too much noise and they didn't have a licence. I do believe they tried to apply for a licence but at Wembley council meeting which I attended they withdrew the licence and apologised for the nuisance they had caused. I believe this was around 2015 though I am unable to remember the exact date,

The issues with the back garden area is that the noise travels down through all the gardens and especially late at night when it's supposed to be quiet the noise is loud from shouting /Cheering / general Euphoria. It's like an enclosed stadium with Brick built houses on both sides which make the noise travel,

If you could acknowledge you have received this mail and I would like to confirm I do not want them using the back garden as a Bar/Drinks area
