Dear Vanesha,

After carefully acknowledge the matter of representation I can confirm that no music will be played in a garden and no late seating outside will be allowed.

All garden will be refurbished with surrounding panels so any noise will be kept to a minimum. Maximum 4 people for each table will be allowed to seat outside and of course only summer time. winter time the garden will be closed.

in regarding to the music issue I'm confirming that it's a background music in an authentic Italian Restaurant. For sure we will not allow any loud music as people having a nice dinner.

Hi Vanesha,

After our phone conversation I will confirm that all of the Police conditions have been accepted, once again I would like to reassure the members of public that no late or party seating outside will be allowed and will tend to get people back in a restaurant at the latest 22.30. No music will be played outside and only summer time we will use the space.

We do run a restaurant in a listed building situated in Fairford called Colosseo please see our feedback from TRIP ADVISOR, GOOGLE, FACE BOOK PAGE

COLOSSEO RESTAURANT FAIRFORD and food & hygiene rating all of the above 5 star. We do take our pride on what we do and achieve. The premises as had a complete sound isolation by the landlord and noise pollution it's virtually none.

Many Thanks
Carmine Di Liso

Hi Vanesha,

My last point it's that we will create 12 full time positions and 6 part time positions, so in this difficult time we try to help as much as we can to create work for people.

Many thanks
