MRS. BEJING NOOYES.

Dear Sir/Madam.

I object to another nuisance for 199
premises drinking until 1 am & 12 am.
Residential Area Houses, Flats, Church
and Balas College for youngsters oppos
The first 11 Opposites with flats
above are 8 Fast Food / Drink / Food and
2 Public Houses and 1 Beauty Shop.
Both sides of No 13 already have
a nuisance until 11 pm.

Noise Nuisance between 11 pm & 7 am
is a Statutory. Right so where does
another Pate of premises sit in.

Crime. Most of us have had broken
Windows, shops door smashed and
break-ins, drinks sitting on our Windows
Sills, quite frightening. Please
check police reports from No. 19.

Parking. None outside this premises
and very little along the Road,
and extremely busy Road.
I also feel this nuisance is not

good for College or the young
children going to School who
have to get up early.

How can a \$5.99 Chow Mein
warrant a 1 Am Drinks license
on a Sat/Sunday morning Regent
Street smells like a UGinal.
Drinkers have to believe that
selves somewhere badly by us
fairness. The other half of Kilburn
have have no street drinking signs
so its obvious drinkers sat/ed
gratitude to this piece of fast food
and Drink. The Residents pick-up
Cans bottles and plastic glasses
chicken bones pizza boxes every
week-end most of us have paid
for Rats to be removed and some
premises pay every month.
I ask you to turn down yet
another license for drinking in this
small area. With many thanks
Yours Sincerely.
