Dear Neighbours

Some of you I know personally some just by sight and some of you this will be the first time that we have communicated.

My greetings to you all and my hope is that this letter offers a little cheer after the last 18-months that we've all endured.

I am a stand-up comedian and have lived in this area for over 30 years. I consider this my home and more importantly the place where I have chosen to raise my family.

Like mostly everyone, the pandemic has disrupted my workflow making it impossible to do what I love most, make people laugh!! That being said, I got together with some of my comedy chums to put together the event ComedyFest. The aim is to be the 'Ultimate Festival of Comedy' but not just comedy, a celebration of better things to come. To make that happen, we have lots in store:

- George Irvin children's funfair
- International Street food
- Community stage featuring young performers from around the borough
- 18 Comedy shows
- Representations from a number of charities including Actt, Lupus, Sickle Cell
- Dominoes and Ludo tent

As You can see it's a lot more than just comedy and includes so much for the whole family to enjoy.

We have considered many precautions, including security and sound control to prevent as much disruption over that weekend as possible. An Acoustics engineer has been employed to ensure that we respect the cited noise levels and that they are kept below government regulated

thresholds. We do not anticipate any problems except from the raucous laughter flooding from the comedy stages.

Entry to the event is free, giving you access to all of the above in one venue so the whole community has a chance to get together safely.

The launch is Friday 27th of August and I would like to invite you, your family and your friends to come along and join us. There is a special discount for Neighbours, like yourself as well as a drinks reception before the Launch Show.

Please have a look at the event website for more details www.comedy-fest.com or you can email me directly info@comedy-fest.com if you want to discuss this further now or on the day.
