

Dear Brent Council

We are situated directly next to the VIP Lounge on high road Wembley. We have never had to complain about noise, nuisance, anti social behaviour or even rubbish ie cigarette butts or vessels being left in front of our shop. We know that they use the area at the front of our shop as the bars smoking area and its general clean and tidy after.

The owners are very nice people and their business being situated there has added to the general trade to its neighbouring shops. To read that their licence has come under review for the prevention of crime and disorder as well as public nuisance is hard to believe.

Yours Sincerely

Wonderland 548 Wembley high road
