The contents of this report relate only to the matters which have come to our attention, which we believe need to be reported to you as part of our audit planning process. It is not a comprehensive record of all the relevant matters, which may be subject to change, and in particular we cannot be held responsible to you for reporting all of the risks which may affect the Pension Fund or all weaknesses in your internal controls. This report has been prepared solely for your benefit and should not be quoted in whole or in part without our prior written consent. We do not accept any responsibility for any loss occasioned to any third party acting, or refraining from acting on the basis of the content of this report, as this report was not prepared for, nor intended for, any other purpose.

Grant Thornton UK LLP is a limited liability partnership registered in England and Wales: No.OC307742. Registered office: 30 Finsbury Square, London, EC2A 1AG. A list of members is available from our registered office. Grant Thornton UK LLP is authorised and regulated by the Financial Conduct Authority. Grant Thornton UK LLP is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. Services are delivered by the member firms. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions.

1. Headlines

This table summarises the key findings and other matters arising from the statutory audit of Brent Pension Fund (‘the Pension Fund’) and the preparation of the Pension Fund's financial statements for the year ended 31 March 2021 for those charged with governance.

Financial Statements	
Under International Standards of Audit (UK) (ISAs) and the National Audit Office (NAO) Code of Audit Practice (‘the Code’), we are required to report whether, in our opinion: - the Pension Fund’s financial statements give a true and fair view of the financial position of the Pension Fund and its income and expenditure for the year; and - have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting and prepared in accordance with the Local Audit and Accountability Act 2014.	Our work is substantially complete and there are no matters of which we are aware that would require modification of our audit opinion [Appendix C], subject to the following outstanding matters; - response to the queries raised in relation to the contributions analytical review; - final manager, and partner review of the audit file and resolution of any residual queries arising; - receipt of management representation letter; and - review of the final set of financial statements. We have concluded that the other information to be published with the financial statements, is consistent with our knowledge of your organisation and the financial statements we have audited. Our anticipated audit report opinion will be unmodified.
Our audit work was completed on remotely during July-September. Our findings are summarised on pages 4 to 12. We have not identified any adjustments to the financial statements that have resulted in an adjustment to the Pension Fund’s reported financial position.	

2. Financial Statements

Overview of the scope of our audit

This Audit Findings Report presents the observations arising from the audit that are significant to the responsibility of those charged with governance to oversee the financial reporting process, as required by International Standard on Auditing (UK) 260 and the Code of Audit Practice ('the Code'). Its contents will be discussed with management and the Audit and Standards Committee.

As auditor we are responsible for performing the audit, in accordance with International Standards on Auditing (UK) and the Code, which is directed towards forming and expressing an opinion on the financial statements that have been prepared by management with the oversight of those charged with governance. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities for the preparation of the financial statements.

Audit approach

Our audit approach was based on a thorough understanding of the Pension Fund's business and is risk based, and in particular included:

- An evaluation of the Pension Fund's internal controls environment, including its IT systems and controls;
- Substantive testing on significant transactions and material account balances, including the procedures outlined in this report in relation to the key audit risks

Conclusion

We have substantially completed our audit of your financial statements and subject to outstanding queries being resolved, we anticipate issuing an unqualified audit opinion following the Audit and Standards Committee meeting on 22 September 2021, as detailed in Appendix C.

Acknowledgements

We would like to take this opportunity to record our appreciation for the assistance provided by the finance team and other staff.

2. Financial Statements

Our approach to materiality

The concept of materiality is fundamental to the preparation of the financial statements and the audit process and applies not only to the monetary misstatements but also to disclosure requirements and adherence to acceptable accounting practice and applicable law.

We have revised the performance materiality due to the actual net assets changing significantly from that at the planning stage resulting in a review of the appropriateness of the materiality figure.

We detail in the table below our determination of materiality for Brent Pension Fund.

Pension Fund Amount (£) Qualitative factors considered

Materiality for the financial statements	£10,300,000
Performance materiality	£6,180,000
Trivial matters	£515,000

2. Financial Statements - Significant risks

Significant risks are defined by ISAs (UK) as risks that, in the judgement of the auditor, require special audit consideration. In identifying risks, audit teams consider the nature of the risk, the potential magnitude of misstatement, and its likelihood. Significant risks are those risks that have a higher risk of material misstatement.

This section provides commentary on the significant audit risks communicated in the Audit Plan.

Risks identified in our Audit Plan

Commentary

Management override of controls

Under ISA (UK) 240 there is a non-rebuttable presumed risk that the risk of management over-ride of controls is present in all entities. The Fund faces external scrutiny of its spending and stewardship of funds and this could potentially place management under undue pressure in terms of how they report performance.

We therefore identified management override of control, in particular journals, management estimates and transactions outside the course of business as a significant risk requiring special audit consideration.

We have:

- Evaluated the design effectiveness of management controls over journals;
- Analysed the journals listing and determined the criteria for selecting high risk unusual journals;
- Identified and tested unusual journals made during the year and the accounts production stage for appropriateness and corroboration; and
- Gained an understanding of the accounting estimates and critical judgements applied by management and considered their reasonableness.

Our audit work has not identified any issues in respect of management override of controls.

2. Financial Statements - Significant risks

Risks identified in our Audit Plan

Valuation of Level 3 investments

You revalue your investments on an annual basis with the aim of ensuring that the carrying value of these investments is not materially different from their fair value at the balance sheet date.

By their nature, level 3 investment valuations lack observable inputs. These valuations therefore represent a significant estimate by management in the financial statements due to the size of the numbers involved and the sensitivity of this estimate to changes in key assumptions.

Under ISA 315, significant risks often relate to significant non-routine transactions and judgemental matters. Level 3 investments by their very nature require a significant degree of judgement to reach an appropriate valuation at year end.

Management utilise the services of investment managers as valuation experts to estimate the fair value as at 31 March 2021.

We therefore identified valuation of Level 3 investments as a significant risk.

Commentary

We have:

- Evaluated management's processes for valuing Level 3 investments;
- Reviewed the nature and basis of estimated values and considered the assurance management has over the year-end valuations provided for these types of investments, against the requirements of the Code;
- Independently requested year-end confirmations from investment managers and custodian;
- Obtained audited financial statements for Capital Dynamics (Private Equity/infrastructure) and Alinda (Infrastructure) as at 31 December 2020 and we have reconciled any cash movements between the intervening period to 31 March 2021. Where the audited financial statements are not available, we have ensured that the impact of this is immaterial;
- Compared the audited fund valuation for LCIV (Infrastructure) as at 31 March 2021 with the Fund Manager provided capital statements as of the same period; and
- For all three funds, reviewed investment manager service auditor report on design effectiveness of internal controls.

Our audit work has not identified any issues in respect of the valuation of Level 3 investments.

2. Financial Statements - Other

Other risks

Risk of recognition in Contributions

Normal contributions, both from the members and from the employer, are accounted for on an accruals basis at the percentage rate recommended by the Fund actuary in the payroll period to which they relate.

Commentary

We have:

- Performed an analytical review to ensure that the contributions recognised in this financial year is in line with expectations. Where this deviates from the expected balance, we have obtained a satisfactory explanation from the Management and gained assurance over completeness.
- Tested a sample of starters and leavers to the Pension Fund to gain assurance over the member data balances used in this testing.
- Substantially tested a sample of employee and employer contributions for accuracy and occurrence.

Based upon our sample testing, our audit work has not identified any issues in respect of pension contributions received.

2. Financial Statements – key judgements and estimates

This section provides commentary on key estimates and judgements inline with the enhanced requirements for auditors.

Significant judgement or estimate	Summary of management's approach	Audit Comments	Assessment
Level 3 Investments – £81.1m	The Pension Fund has investments in the following: - Capital Dynamics (Private Equity and Infrastructure) that in total are valued on the balance sheet as at 31 March 2021 at £46.2m; - Alinda (Infrastructure) that in total are valued on the balance sheet as at 31 March 2021 at £23.1m; and - LCIV (Infrastructure) that in total are valued on the balance sheet as at 31 March 2021 at £11.8m. Management have reviewed the year end valuations provided by the Fund Managers including the audited financial statements dated 31 December 2020. These investments are not traded on an open exchange/market and the valuation of the investment is highly subjective due to a lack of observable inputs. In order to determine the value, management have used the cash flows adjusted valuation provided by the custodian, Northern Trust. The value of the investment has decreased by £3.2m in 2020/21, largely due to change in market value during the year.	From the procedures undertaken: - We have deepened our risk assessment procedures performed including understanding processes and controls around the valuation of Level 3 investments. - We are satisfied that the movements between 31 December 2020 and 31 March 2021 are reconciled to appropriate and known movements in the intervening period. - We are satisfied that the method, data and assumptions used by management to derive the accounting estimate is appropriate. - We are satisfied that the disclosure of the estimate in the Fund's financial statements is sufficient. - We have reviewed the accounting policies and valuation techniques stipulated within the financial statements and these are in line with expectations. No issues have been identified through our assessment which require reporting to those charged with governance. We are therefore satisfied that the estimate of the valuation of Level 3 investments is materially fairly stated.	Light Purple

Assessment

- [Purple] We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- [Blue] We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- [Grey] We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- [Light Purple] We consider management's process is appropriate and key assumptions are neither optimistic or cautious

2. Financial Statements - key judgements and estimates

Significant judgement or estimate	Summary of management's approach	Audit Comments	Assessment
Level 2 Investments – £897.4m	The Pension Fund have investments in Pooled investments and Pooled property investments, which in total are valued on the balance sheet as at 31 March 2021 at £897.4m. The underlying investments are traded on an open exchange/market although the pooled valuation of the investment is subjective. The Fund obtains valuations from the fund manager and custodian to ensure that valuations are materially fairly stated.	From the procedures undertaken: - We have reviewed the estimation process for the Level 2 investments and are satisfied that these are in line with industry standards. - We have compared the valuations provided by the fund managers with the custodian and are satisfied that there are no significant differences in the valuations. - We have reviewed the accounting policies and valuation techniques stipulated within the financial statements and these are in line with expectations. No issues have been identified through our assessment which require reporting to those charged with governance. We are therefore satisfied that the estimate of the valuation of Level 2 investments is materially fairly stated.	Light Purple

Assessment

- **Dark Purple** We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- **Blue** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- **Grey** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- **Light Purple** We consider management's process is appropriate and key assumptions are neither optimistic or cautious

2. Financial Statements - other communication requirements

We set out below details of other matters which we, as auditors, are required by auditing standards and the Code to communicate to those charged with governance.

Issue	Commentary
Matters in relation to fraud	We have previously discussed the risk of fraud with the Audit and Standards Committee. We have not been made aware of any other incidents in the period and no other issues have been identified during the course of our audit procedures.
Matters in relation to related parties	We are not aware of any related parties or related party transactions which have not been disclosed.
Matters in relation to laws and regulations	You have not made us aware of any significant incidences of non-compliance with relevant laws and regulations and we have not identified any incidences from our audit work.
Written representations	A letter of representation has been requested from the Pension Fund to be signed alongside the final draft of the financial statements in advance of the conclusion of the audit.
Confirmation requests from third parties	We requested from management permission to send confirmation requests to your custodian, fund managers and banks. This permission was granted and the requests were sent.
Accounting practices	We have evaluated the appropriateness of the Pension Fund's accounting policies, accounting estimates and financial statement disclosures. Our review found no material omissions in the financial statements.
Audit evidence and explanations/ significant difficulties	All information and explanations requested from management was provided.

2. Financial Statements - other communication requirements

Our responsibility

As auditors, we are required to “obtain sufficient appropriate audit evidence about the appropriateness of management's use of the going concern assumption in the preparation and presentation of the financial statements and to conclude whether there is a material uncertainty about the entity's ability to continue as a going concern” (ISA (UK) 570).

Issue	Commentary
Going concern	In performing our work on going concern, we have had reference to Statement of Recommended Practice – Practice Note 10: Audit of financial statements of public sector bodies in the United Kingdom (Revised 2020). The Financial Reporting Council recognises that for particular sectors, it may be necessary to clarify how auditing standards are applied to an entity in a manner that is relevant and provides useful information to the users of financial statements in that sector. Practice Note 10 provides that clarification for audits of public sector bodies. Practice Note 10 sets out the following key principles for the consideration of going concern for public sector entities: - the use of the going concern basis of accounting is not a matter of significant focus of the auditor's time and resources because the applicable financial reporting frameworks envisage that the going concern basis for accounting will apply where the entity's services will continue to be delivered by the public sector. In such cases, a material uncertainty related to going concern is unlikely to exist, and so a straightforward and standardised approach for the consideration of going concern will often be appropriate for public sector entities - for many public sector entities, the financial sustainability of the reporting entity and the services it provides is more likely to be of significant public interest than the application of the going concern basis of accounting. Practice Note 10 states that if the financial reporting framework provides for the adoption of the going concern basis of accounting on the basis of the anticipated continuation of the provision of a service in the future, the auditor applies the continued provision of service approach set out in Practice Note 10. The financial reporting framework adopted by the Pension Fund meets this criteria, and so we have applied the continued provision of service approach. In doing so, we have considered and evaluated: - the nature of the Pension Fund and the environment in which it operates - the Pension Fund's financial reporting framework - the Pension Fund's system of internal control for identifying events or conditions relevant to going concern - management's going concern assessment. On the basis of this work, we have obtained sufficient appropriate audit evidence to enable us to conclude that: - a material uncertainty related to going concern has not been identified - management's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

2. Financial Statements - other responsibilities under the Code

Issue	Commentary
Disclosures	No inconsistencies have been identified/Inconsistencies have been identified but have been adequately rectified by management. We plan to issue an unmodified opinion in this respect – refer to appendix C.
Matters on which we report by exception	We are required to give a separate opinion for the Pension Fund Annual Report on whether the financial statements included therein are consistent with the audited financial statements. We propose to issue our 'consistency' opinion on the Pension Funds Annual Report as part of the December 2021 Audit and Standards Advisory Committee.

3. Independence and ethics

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention. We have complied with the Financial Reporting Council's Ethical Standard and confirm that we, as a firm, and each covered person, are independent and are able to express an objective opinion on the financial statements

We confirm that we have implemented policies and procedures to meet the requirements of the Financial Reporting Council's Ethical Standard and we as a firm, and each covered person, confirm that we are independent and are able to express an objective opinion on the financial statements.

Further, we have complied with the requirements of the National Audit Office's Auditor Guidance Note 01 issued in May 2020 which sets out supplementary guidance on ethical requirements for auditors of local public bodies.

Details of fees charged are detailed in Appendix B.

Transparency

Grant Thornton publishes an annual Transparency Report, which sets out details of the action we have taken over the past year to improve audit quality as well as the results of internal and external quality inspections. For more details see [Transparency report 2020 \(grantthornton.co.uk\)](https://www.grantthornton.co.uk/transparency-report-2020)

Appendices

A. Audit Adjustments

We are required to report all non trivial misstatements to those charged with governance, whether or not the accounts have been adjusted by management.

Misclassification and disclosure changes

The table below provides details of misclassification and disclosure changes identified during the audit which have been made in the final set of financial statements.

Disclosure omission	Auditor recommendations	Adjusted?
Member Data	The member data disclosed in Note 1 b) of the draft accounts was not correct. The Pension Fund had included frozen refunds in this note and as such, should remove this in the final version of the accounts. Management response Management have agreed to make the required amendments.	✓
Other presentational and disclosure issues	The audit team propose that the Pension Fund amend all other minor and presentational issues highlighted in the audit. Management response Management have agreed to make the required amendments.	✓

B. Fees

We confirm below our final fees charged for the audit and confirm there were no fees for the provision of non-audit services. We would also note that PSAA have made a distribution of £3k to support 20/21 fees.

Audit fees	Proposed fee	Expected Final fee
Pension Fund Audit	£33,000	£33,000
Total audit fees (excluding VAT)	£33,000	£33,000

Details of variations in final fees from the proposed fee per the audit plan

The fees reconcile to the financial statements.

C. Audit opinion

Our audit opinion is included below.

We anticipate we will provide the Pension Fund with an unmodified audit report

Independent auditor's report to the members of London Borough of Brent on the pension fund financial statements of Brent Pension Fund

Opinion

We have audited the financial statements of Brent Pension Fund (the 'Pension Fund') administered by London Borough of Brent (the 'Authority') for the year ended 31 March 2021 which comprise the Fund Account, the Net Assets Statement and notes to the pension fund financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21.

In our opinion, the financial statements:

- give a true and fair view of the financial transactions of the Pension Fund during the year ended 31 March 2021 and of the amount and disposition at that date of the fund's assets and liabilities;
- have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law, as required by the Code of Audit Practice (2020) ("the Code of Audit Practice") approved by the Comptroller and Auditor General. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the Pension Fund's financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are responsible for concluding on the appropriateness of the Director of Finance's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Pension Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion.

Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Pension Fund to cease to continue as a going concern.

In our evaluation of the Director of Finance's conclusions, and in accordance with the expectation set out within the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21 that the Pension Fund's financial statements shall be prepared on a going concern basis, we considered the inherent risks associated with the continuation of services provided by the Pension Fund. In doing so we had regard to the guidance provided in Practice Note 10 Audit of financial statements and regularity of public sector bodies in the United Kingdom (Revised 2020) on the application of ISA (UK) 570 Going Concern to public sector entities. We assessed the reasonableness of the basis of preparation used by the Authority in the Pension Fund financial statements and the disclosures in the Pension Fund financial statements over the going concern period.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Pension Fund's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the Director of Finance's use of the going concern basis of accounting in the preparation of the Pension Fund financial statements is appropriate.

The responsibilities of the Director of Finance with respect to going concern are described in the 'Responsibilities of the Authority, the Director of Finance and Those Charged with Governance for the financial statements' section of this report.

Other information

The Director of Finance is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the Pension Fund's financial statements, our auditor's report thereon, and our auditor's report on the Authority's financial statements. Our opinion on the Pension Fund's financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the Pension Fund's financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Pension Fund's financial statements or our knowledge of the Pension Fund obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the Pension Fund financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

C. Audit opinion

Opinion on other matter required by the Code of Audit Practice (2020) published by the National Audit Office on behalf of the Comptroller and Auditor General (the Code of Audit Practice)

In our opinion, based on the work undertaken in the course of the audit of the Pension Fund's financial statements and our knowledge of the Pension Fund, the other information published together with the Pension Fund's financial statements in the Statement of Accounts, for the financial year for which the financial statements are prepared is consistent with the Pension Fund financial statements.

Matters on which we are required to report by exception

Under the Code of Audit Practice, we are required to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make a written recommendation to the Authority under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014, in the course of, or at the conclusion of the audit.

We have nothing to report in respect of the above matters in relation to the Pension Fund.

Responsibilities of the Authority, the Director of Finance and Those Charged with Governance for the financial statements

As explained more fully in the Statement of Responsibilities [set out on page(s) x to x], the Authority is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. In this authority, that officer is the Director of Finance. The Director of Finance is responsible for the preparation of the Statement of Accounts, which includes the Pension Fund's financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21, for being satisfied that they give a true and fair view, and for such internal control as the Director of Finance determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Pension Fund's financial statements, the Director of Finance is responsible for assessing the Pension Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless there is an intention by government that the services provided by the Pension Fund will no longer be provided.

The Audit and Standards Committee is Those Charged with Governance for the Pension Fund. Those charged with governance are responsible for overseeing the Authority's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the Pension Fund's financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Paul Dossett, Key Audit Partner

for and on behalf of Grant Thornton UK LLP, Local Auditor
