## **TO THE BRENT COUNCIL**

### **Petition for objecting the grant of alcohol license to shop no.490-492, Neasden Lane North, London, NW100DG**

We, the local residents living in this area fully object to the grant of alcohol license to shop no 490-492. The crimes in this area are increasing day by day due to these alcohol shops. There are a lot of street drinkers who drink and dump their cans, bottles on the streets, on roads and there is nobody to stop them. These people drink heavily and they start shouting at the top of their voices which disturbs the whole area especially at night. They also start fighting among themselves or mess with people passing by and many times their fights reach to the extreme stage when there is stabbing which leads to an increase in crimes.

This is a residential area and we don't find our self safe to live in this area because there is no public safety especially for our children because they are so much exposed to this environment where this will encourage them to smoke and drink at an early age. Many times I have seen in off-license, children try to buy alcohol or cigarette and when the shopkeeper asks for Id they refuse to show and swear at them, but then there are some shopkeepers who will sell these to children for the sake of money, so this will have a serious effect on children's future because children's get desperate to smoke or drink by looking at other people or children.

So if u grant the license for another off-license shop, there will be an increase in these crimes as people will drink even more.

So for the prevention of more crimes, for public safety, for the protection of children from harm and to make their future safe this alcohol license should not be granted.

Please see the attached file, list of the people.

Listed below are the people who have an objection to the grant of this alcohol license.

I hope you take fair decision.
