

Draft Local Offer to Care Leavers 2022 – 2024 (Changes being proposed are highlighted in the text)

1. Introduction

As your corporate parent, Brent Council continues to be responsible for you after you turn 18. We must make sure that you are safe, healthy and are achieving your goals. As any good parent, we want to make sure you have the best possible support to help you thrive as you grow older.

We will do our best to help you achieve your full potential. We know that it is a big step when you move out of care and start living on your own. Being a good parent means keeping in touch and providing you with the support you need to meet your individual needs.

Just because you are leaving care, or have already left care, we haven't stopped caring about you. We want to make sure that you feel safe and supported and know where and who to go for advice and help.

This local offer is made by Brent Council to all care leavers and sets out how we will support you.

To be able to get the support set out in this offer, you must have been in care for at least 13 weeks between the ages of 14 and 16 (including your 16th birthday) or for 13 weeks after your 16th birthday. Your personal advisor will talk with you about the information in this offer.

2. Support we must provide by law

Following changes introduced through the Children and Social Work Act 2017, you can ask for support from your personal advisor until you reach the age of 25. This is to make sure care leavers receive similar support that young adults who live with their families would normally expect.

- **Personal Advisor**

Once you turn 18, in most cases, you'll no longer have a social worker, so your personal advisor, we call them PAs, will make sure you get the services you need and help co-ordinate your pathway plan and reviews.

Your PA is there to help you to think about your future, what you are studying, what you want to do in the future and your independence skills. Your PA will talk to you and other people who are important to you to find out more about you and your needs.

Your PA can help you with lots of things in your life. The main things they will do are:

- Be involved in understanding your needs and preparing your Pathway Plan so that you can get a good idea of what you want to do with your life;
- Review your Pathway Plan at least every six months to help you to stay on track and achieve the things you want from life;
- With your agreement, seek the views of our partner agencies when completing your pathway plan. This may include housing, education, training and employment providers, benefits and health services. PAs will also liaise with youth offending services and probation if needed.
- Even if your case has been closed you can still get in touch with us before your 25th birthday and we will assess what help or assistance we may be able to give you.
- If you are a disabled care leaver and have been assessed to have eligible needs under the Care Act 2014, a social worker will review regularly your Care and Support Plan to ensure that the right support is in place to meet your assessed needs. The Care and Support Plan must be reviewed at least once a year.

3. Support we offer
