## 1.0 Purpose of the Report

- 1.1 This report sets out the draft Annual Governance Statement (AGS) for 2021/22 as required by the Accounts and Audit Regulations 2015.

## 2.0 Recommendation

- 2.1 That the Audit & Standards Advisory Committee consider and recommend for approval by the Audit & Standards Committee the Annual Governance Statement as set out in Appendix 1.
- 2.2 That the Audit & Standards Committee consider and approve the Annual Governance Statement as set out in Appendix 1 taking into account the observations of the Audit & Standards Advisory Committee.

## 3.0 Detail

- 3.1 The council is required to prepare an Annual Governance Statement and have it approved by the relevant Committee. The statement must be signed prior to the signing of the accounts. The statement must be

signed by the Chief Executive and Leader of the Council.

- 3.2 CIPFA produced a refreshed framework document in 2016 setting out how local authorities could comply with the requirements to conduct a review and produce the Annual Governance Statement.
- 3.3 The guidance determines that the Annual Governance Statement should “provide a meaningful but brief communication regarding the review of governance that has taken place, including the role of governance structures involved. It should be high level, strategic and written in an open and readable style.”
- 3.4 The seven core governance principles, applicable from 2016/17, are as follows:
  - A. Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law;
  - B. Ensuring openness and comprehensive stakeholder engagement;
  - C. Defining outcomes in terms of sustainable economic, social, and environmental benefits;
  - D. Determining the interventions necessary to optimise the achievement of the intended outcomes;
  - E. Developing the entity’s capacity, including the capability of its leadership and the individuals within it;
  - F. Managing risks and performance through robust internal control and strong public financial management, and
  - G. Implementing good practices in transparency, reporting, and audit to deliver effective accountability.
- 3.5 The review of effectiveness is an ongoing process involving officers responsible for key elements of the governance framework as well as members of the Corporate Governance Group, who throughout the year have oversight of governance related issues.
- 3.6 The final part of the statement covers significant governance issues relating to 2021/22. There are no such issues identified that arose this reporting year.
- 3.7 The following factors should be considered in determining significant issues:
  - The issue has seriously prejudiced or prevented the achievement of a principal objective:
  - The need to seek additional funding or divert funding to

resolve the issue;

- The issue has had a material impact on the accounts;
- The issue has attracted significant public interest or has damaged the reputation of the organisation, or
- The issue has resulted in formal action being taken by a Statutory Officer.
