The North West London Joint Health Overview and Scrutiny Committee will elect its own Chair and Vice Chair. Elections will take place on an annual basis each May, or as soon as practical thereafter, such as to allow for any annual changes to the committee's membership.

Terms of Reference

1. To scrutinise the 'Shaping a Healthier Future' reconfiguration of health services in North West London and the Sustainability and Transformation Plan for North West London; in particular the implementation plans and actions by the North West Integrated Care System and its Joint Committee, focusing on aspects affecting the whole of North West London.
2. To review and scrutinise decisions made or actions taken by NWL ICS and/or other NHS service providers, in relation to the 'Shaping a Healthier Future' reconfiguration and the Sustainability and Transformation Plan for North West London, where appropriate.
3. To make recommendations to NWL ICS, NHS England, or any other appropriate outside body in relation to the 'Shaping a Healthier Future' plans for North West London and the Sustainability and Transformation Plan for North West London; and to monitor the outcomes of these recommendations where appropriate.
4. To require the provision of information from, and attendance before the committee by, any such person or organisation under a statutory duty to comply with the scrutiny function of health services in North West London. The stated purpose of the North West London Joint Health Overview and Scrutiny Committee is to consider issues arising as a result of the Shaping a Healthier Future reconfiguration of health services and the Sustainability and Transformation Plan for North West London, taking a wider view across North West London than might normally be taken by individual Local Authorities. Individual local authority members of the North West London Joint Health Overview and Scrutiny Committee will continue their own scrutiny of health services in, or affecting, their individual areas (including those under 'Shaping a Healthier Future' and the Sustainability and Transformation Plan for North West London).

Participation in the Joint Health Overview and Scrutiny Committee will not preclude any scrutiny or right of response by individual boroughs. In particular, and for the sake of clarity, this joint committee is not appointed for and nor does it have delegated to it any of the functions or powers of the local authorities, either

individually or jointly, under Section 23 of the local authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013.

Duration

The Joint Health Overview and Scrutiny Committee will continue until all participating authorities decide otherwise. This does not preclude individual authorities from leaving the Committee beforehand. The Committee will keep under review whether it has fulfilled its remit and any recommendation of the Committee will be reported to a Full Council meeting of each participating authority.
