Dear Grace Rudman,

I strongly object to the above shop obtaining a 24 hour alcohol license as there is already a dispersal zone at the end of Rucklidge Avenue where I live, due to gangs of youth gathering there, taking drugs and drinking alcohol. The residents of Rucklidge Avenue who live at the top of the street next to the High Street have already experienced anti social behaviour in that area resulting in arson, excessive noise late at night, drug dealing and taking as well as intimidating and threatening behaviour. This is the last thing they and all of us on the street need. It will mean more congregations of youths and men drinking on the walls and kerbs around this area. We would all be very grateful if you could please deny the shop the aforementioned license. Thank you very much indeed.

My address is Rucklidge Avenue and I would greatly appreciate this address be kept confidential. Also please do not send on my personal details to the applicant or any third party. Thank you very much for your consideration.

All the very best,

Yours sincerely,
